Due to the nature of work required at the Library, any Library employee assigned to work in a higher paid classification for a minimum of two (2) hours shall be paid a premium of an additional \$1.00 per hour for all hours worked in the higher classification. ARTICLE XII: SENIORITY

Section A. Staffing Level

The Employer shall have the right to determine the number of full and half-time regular employees and temporary, casual or seasonal employees.

Section B. Probation

All new regular employees shall be on probation for a period of sixty-seven (67) working days, at the end of which period they shall be entitled to seniority from their first day of employment. The standing is to be determined on the basis of total length of continuous employment with the Employer, not to include overtime hours, in a bargaining unit position. Accreted employees shall be credited with total hours of employment. For employees hired prior to January 1, 1995, seniority shall be credited by years of continuous service. This section shall not apply to temporary, casual or seasonal employees.

Section C. Temporary Employees

For any employee hired to fill an AFSCME bargaining unit position on either a full-time temporary status, or on a part-time temporary status, the following conditions shall apply:

1. From the first day of employment, the employee shall receive the contract rate of pay for the position they are hired or assigned to fill (90% of the hourly rate for the first six (6) months of employment). During the first sixty-seven

(67) shifts of employment with the Employer, the employee shall earn no rights for seniority purposes with the bargaining unit. They have no right to post for any openings which may occur within the AFSCME bargaining unit, but may be assigned to an open position if they possess the necessary qualifications and licenses, and no bargaining unit employees are available. No overtime shall be offered unless all other eligible bargaining unit employees have been given an opportunity to work the overtime first.

2. If the temporary position lasts longer than sixty-seven (67) shifts, on the sixty-eighth (68th) shift, the employee shall be declared on probation with the Employer, subject to the usual and customary evaluation process for all other regular bargaining unit employees. During this period of probation, the employee may be discharged without cause. Effective 1/1/2015, upon completion of one hundred thirty-four (134) shifts; the employee will have completed the contractual probationary period and will be entitled to bargaining unit seniority, with their seniority date being the first date of employment with the Employer. The employee shall be credited with sick leave and vacation accumulation and enrolled for other benefits, if they so desire, and will have layoff and recall rights as per this Agreement. During the second 67-shift probationary period, the employee may post for bargaining unit vacancies, but has no seniority rights to any position.

Section D. Seasonal Employees Seniority

1. A seasonal bargaining unit position is a position that is anticipated to last more than 67 shifts in a calendar year. It shall be scheduled to work forty (40) hours per week, five (5) days per week, on a regular basis over a predicted period of time during the year, (i.e. 5 to 7 months from April to October as an example). Seasonal AFSCME bargaining unit positions will not accrue seniority rights within the regular full time, regular part-time AFSCME Local 454 bargaining unit, but will establish seniority rights within the seasonal AFSCME bargaining unit after completion of 90 working shifts. Seasonal seniority rights shall be used for purposes of layoff and re-call to the seasonal unit positions, or to fill vacancies in the regular AFSCME bargaining unit, during non-seasonal periods of work.

2. In the event of a vacancy in the regular AFSCME Local 454 bargaining unit, seasonal employees shall be allowed to make application at the Clerk's office for consideration for the position, but may be considered only if there are no applicants from the regular full time, regular part-time AFSCME bargaining unit. If this occurs, the Employer shall review the seasonal applicants prior to seeking additional applicants from the general public. If the seasonal applicants do not possess the minimum qualifications for the position, they shall not have a "seniority right" to the position and may not grieve the issue with the Employer. In the event of a temporary vacancy in the regular AFSCME bargaining unit during non-seasonal periods, the senior qualified seasonal employee should be recalled. If a seasonal works more than 67 shifts in a regular bargaining unit position, they would then establish a seniority date with the regular AFSCME bargaining unit, and would have seniority rights for future employment purposes.

3. Seasonal AFSCME bargaining unit positions shall not be entitled to any benefits other than, workmen's compensation benefits, and life insurance while employed in a seasonal position. They shall be covered by the overtime language, holiday pay during seasonal periods of employment only, and seasonal seniority. The pay for the seasonal bargaining unit positions shall be 90% of the regular position's rate of pay found in the AFSCME Local 454 Agreement, for the first six (6) months of employment, and shall increase annually in accordance with negotiated increases to said position.

Section E. Equipment Upgrades

Regular employees desiring training to operate equipment of a higher-grade classification within the department they work in shall be trained by qualified personnel designated by the City Engineer or his designee. The time and place of training will be selected by mutual agreement.

Section F. Loss of Seniority/Layoff

1. A regular employee shall lose their seniority standing upon voluntary resignation from employment with the Employer, or if terminated for cause. Any employee on layoff status shall retain seniority and recall rights for thirty (30)

months after the original date of layoff. After thirty (30) months, their name shall be removed from the employment rolls.

2. The City agrees that there will be no future outsourcing of any bargaining unit jobs and if there are to be layoffs within the City that would affect AFSCME bargaining unit positions, the City agrees that the golf course contract employees (previous bargaining unit positions) will be laid off prior to any bargaining unit members and will only be recalled after bargaining unit members are recalled to work.

Section G. Bumping

In the reduction of staff in any classification of work, a senior regular employee shall be given preference of work over a junior regular employee in the same classification. A regular employee laid off pursuant to this Agreement may bump a regular employee with lesser seniority in any classification provided that the bumping employee can demonstrate the ability to perform the required job duties and can obtain the required licenses of the position within forty-five (45) working days. For positions which require a college degree or a technical school certification, or State sanctioned license or certification, the employer will determine if a bumping employee has the necessary qualifications to bump into such positions. The Employer agrees to meet and confer with the Union to provide senior employees all available options to work in an effort to avoid laying off senior employees rather than retaining junior employees, part-time employees, seasonal, casual employees. Senior employees bumping into a position of lower pay shall receive the lower rate of pay for the time spent on such lower paying job.

Section H. Rehires

In the rehiring of regular employees, the senior regular employee shall be given preference over the junior regular employee. The Employer will notify the regular employee at his last- known address by certified mail. The regular employee must notify the Employer of their intent to return to work within seven (7) calendar days of delivery and or receipt of the recall notice. Failure to report for work within fourteen (14) calendar days of the return to work notice shall be considered a voluntary quit.

Section I. Transfers

In the case of transfer from one classification of work to another, regular employees involved in the transfer shall not lose seniority standing.

Section J. Seniority List

The Employer shall post the seniority list by January 31 of each year. A period of thirty (30) days from the date of such posting will be allowed a regular employee to appeal their listing. Thereafter, the Employer shall post a new and revised seniority list by January 31 of each year. Once posted, the employer need only go back to the last posting to settle any disputes.

Section K. Vacancies

1. When a vacancy occurs on any job, the Employer shall post a notice of such vacancy within seven (7) days on employees bulletin boards, and the regular employees shall be given seven (7) days' time in which to make application to fill said vacancy. Newly created positions shall be posted in the same manner. The senior regular employee making application shall be transferred to fill the vacancy or new position, provided they have the necessary qualifications to perform the duties of the job involved. A regular employee so transferred to fill the vacancy or new position shall be on probation in the new position for a period of thirty(30) calendar days, during which time they may elect to return to their previous position without loss of seniority in that position. Upon a determination by the Employer during the probationary period that a regular employee does not qualify, they shall not be relieved until review by the appropriate committee or commission and the Union Grievance Committee.

2. Employees in their probationary period may bid on open positions, provided that all permanent, non-probationary employees first have an opportunity to bid on such positions. A change in position will not impact the employee's start date nor extend their probation.

3. During the posting period indicated above, prospective applicants can secure the names of prior applicants from the department head. At the end of the posting period, the department head shall furnish the Union President with a list of all applicants. The Union shall also be notified as to which applicant is appointed to fill each vacancy or new position.

4. Temporary vacancies of thirty (30) days duration or longer shall be filled by posting. Employees serving in a temporary position may not bid on another temporary position. Employees on short-term or long-term disability may not bid on a temporary position.

5. All vacancies, permanent or temporary, shall be posted and filled within forty-five (45) days of the date the vacancy occurs, and it is the intent of the Employer wherever possible to place the senior qualified regular employee in the position at the outset.

ARTICLE XIII: LEAVES OF ABSENCE

The leave of absence may be further extended for an additional six months, but in no event for any longer period by mutual agreement of the Employer and the Union. A regular employee shall continue to acquire seniority when a leave of absence is granted.

1. Within six (6) weeks of the birth or the adoption of a child, an employee may commence an unpaid parental leave, which may be for a period of up to six (6) months. Prior notice of such parental leave must be received by the Employer at least four (4) weeks before the start of such parental leave and shall state the expected starting and ending dates of such

leave.

2. During such unpaid parental leave, an employee shall not be eligible for any other contract benefits except for the Employer provided health insurance coverage which may be continued at the employee's expense.

3. Upon return from parental leave, an employee shall be entitled to all accrued pre-leave benefits and seniority, and shall return to their former position or another position with comparable duties, hours, and pay. In the event such parental leave lasts longer than one (1) month such employee must provide at least two (2) weeks' notice of intent to return to work prior to returning to work.

4. In the event the employee is eligible for and receives sick leave benefits as provided for in Article 10 of the Agreement during the time of parental leave, the employee shall be paid for such sick leave benefits and their unpaid parental leave shall not be extended as a result of using sick leave.

The Employer shall be entitled to the jury duty check, less the amount included for traveling expenses, which shall be remitted to the employee.

2. It is further understood that if such employee is scheduled to work on the day in question and is dismissed by the Court two (2) hours prior to the end of their work schedule, they will return to work for the balance of such day. If a shift worker is scheduled to work the afternoon shift on the day in question and is dismissed by the Court two (2) hours prior to the beginning of his shift, they will not be considered as having performed any jury duty on that day and consequently will be compensated only for time actually worked on such shift. The employee must give their department supervisor notice of their forthcoming jury service as soon as they are notified if they are to receive the difference as indicated above.

Section F. Leave Donation Policy

A leave donation program as outlined in City Policy will be available to employees covered under this agreement.

ARTICLE XIV: DISMISSALS, DEMOTIONS AND TRANSFERS

Section C. Continuation during Workers Comp or Layoff

The Employer shall continue to provide the coverages hereinabove set forth during the period of temporary total disability to employees resulting from compensable injury under the Workmen's Compensation Act and for a period not exceeding six (6) months for employees either laid off or after sick leave has been exhausted, but shall terminate the same upon such employee obtaining other employment.

Section D. Retiree Coverage

1. The Employer shall provide continued coverage for retirees who qualify pursuant to paragraph Article XX, Section B-1 above, and their dependents, health insurance as outlined in Article XX, Section A above, until the time of the retiree's death.

2. In the case where the employee is eligible for such coverage under Federal Medicare, he shall be required to apply for such coverage, and they shall then be covered under the supplemental Blue Cross and Blue Shield plans. The premium contribution toward the supplemental plan shall be the same as the premium contribution made to the regular health insurance plan.

3. In the event the spouse of the retiree is under age 65 and therefore not eligible for Federal Medicare, he or she shall be continued in coverage under the regular Blue Cross-Blue Shield plan until such time as they become eligible for Medicare, at which time the spouse will be furnished supplemental Blue Cross and Blue Shield coverage; provided, however, that the spouse must qualify as a dependent of the employee to be eligible for this coverage.

Section E. Retiree Contributions

- a. For retirees who retired prior to the ratification of the 2021-2023 agreement who qualify for retiree medical insurance benefits, the contribution levels toward monthly premiums shall be dictated by the terms of their separation agreement or the contract under which they retired.

For any future retiree who qualifies for retiree medical insurance contributions, the retiree shall contribute toward the monthly premiums at the level specified by the contract under which the employee retired. (For example, if an employee

retires under the 2021-2023 agreement, a retiree enrolled in the PEIP HSA plan shall pay 10% of the monthly premium; a retiree enrolled in the PEIP Advantage plan shall pay 20% of the monthly premium.) A letter shall be provided to each employee upon retirement specifying the rate(s) of contributions available to them under the plans offered and a copy of the letter shall be retained by the City.

b. Any employees hired after the date of ratification of the 2004 contract who qualify pursuant to paragraph B-1 above, and their dependents, shall contribute toward the monthly premiums for items B-2, B-3, B-4 above, at the rate of 100%. All other provisions of Article XX, Section E above shall continue to apply.

c. Upon ratification of the 2018-2020 Contract, the Employer shall provide continued health/dental coverage under the VEBA 100 plan with a premium split of 85/15 with the Employer paying 85% to any employee who meets the following criteria:

- i. By 12/31/2021, employee is eligible for retirement under by-laws of the Public Employees Retirement Association's (PERA) "Rule of 90" which states that total of age plus years of service equals 90 points, AND
- ii. Employee qualifies for medical insurance benefits from the City after retirement under Article XX, Section F-1, AND
- iii. Employee submits a letter of intent to retire by 10/31/2020 that clearly indicates date of retirement that is on or before 12/31/2021 AND
- iv. Employee must retire on or before 12/31/2021.

d. The Employer will pay the full annual deductible until age 65. At age 65, the retiree must enroll in a supplemental plan.

e. If the employee dies, the surviving spouse may continue single medical and/or dental coverage by paying the full monthly premium for such coverage(s).

Section F. Retiree Eligibility

All benefits listed above in Retirement Health and Welfare.

Section G. Health Care Savings Plan

1. The Parties agree that if the Union wants to add options to increase HCSP contributions with employee monies, those parts of the Agreement can be reopened and modified independently from the rest of the contract. The Union shall give the Company thirty (30) days' notice and the Parties will meet to discuss options. This in no way obligates the Employer to contribute any Employer funds to employee Health Care Savings Plans.

2. Beginning on the first anniversary of any employee hired after January 1, 2004, said employee shall contribute via payroll deduction to a Health Care Savings Plan in the following amounts:

<u>Year</u>	<u>Employee Contribution</u>	<u>Employer Contribution</u>
1 st Anniversary	4% of Monthly Base Wage	1% of Monthly Base Wage
5 th Anniversary	4% of Monthly Base Wage	3% of Monthly Base Wage
10 th Anniversary	4% of Monthly Base Wage	5% of Monthly Base Wage
15 th Anniversary	4% of Monthly Base Wage	7% of Monthly Base Wage

3. Contributions will be made monthly.

Section H. Insurance Committee

The Employer agrees to immediately establish a Committee on Health Insurance to be empowered with the ability to effectively recommend insurance programs and shall further be empowered to research all available health insurances periodically. This committee shall consist of equal members from all bargaining units and equal members from the City Council and management; i.e., one member from the City Council, one member from management, one member from the library department bargaining unit, one member from the parks department bargaining unit, and one member from the public works bargaining unit. The City agrees to appoint the one (1) retiree from the AFSCME bargaining unit and at least two active members. The Committee shall meet at least annually, and all meetings will be noticed per MN open meeting law requirements.

ARTICLE XXI: PROGRESSIVE REPRIMAND SYSTEM

Section A. Offenses

Offenses include, but are not limited to, the following:

1. Insubordination (refusal or failure to perform work assigned; fighting)
2. Possession, use of, or being under the influence of any alcoholic beverage or any type of dependency drugs during work periods.
3. Absenteeism without leave or without satisfactory explanation; chronic tardiness.
4. Failure to work emergency** overtime.
5. Failure to abide by safety rules and regulations.

**Emergency - When the health and/or safety of the citizens of Virginia is in jeopardy.

Theft would be immediate discharge.

Section B. First Offense – Verbal Warning

Record of a verbal reprimand will be entered into an employee's personnel file. A verbal reprimand will be given and followed up (within five (5) days) with a discussion between the employee and their supervisor on the action, which constituted the reprimand.

Section C. Second Offense – Written Warning

1. A written warning will include a "coaching" session with the employee and the supervisor involved in issuing the reprimand. The supervisor will review and explain the work rules or job performance standards that the employee has violated or abused. The supervisor will encourage the employee to improve their work habits and schedule a follow-up meeting in approximately two (2) weeks to evaluate the improvement of the employee.

A copy of the reprimand will be placed in the employee's personnel file. The employee will also receive a copy.

Section D. Third Offense – Decision Making Leave or Unpaid Suspension of 1 to 3 Days

1. If, and when an employee reaches this point in the progressive reprimand process, it is time for that employee to take a good look at their own behavior, actions, or work habits to determine how to improve themselves to meet the employer's standards. An employee who reaches this step will be notified by their immediate supervisor and their general supervisor that they are being placed on a "decision making leave". This may be for the remainder of a shift, or an entire shift. The decision making leave will be compensated by the use of vacation or compensable time. The next day, or on the employee's next scheduled shift, the employee will meet with the general supervisor prior to returning to work. The parties

will go over the exact reasons for the pending suspension (and the length of that suspension), and the exact work rules that the employee is expected to abide by, if the employee decides to return.

2. If the employee agrees to return to work under the guidelines stipulated by the Employer, the employee shall be allowed to do so. If in the opinion of employee's supervisor, the incident is serious enough to warrant additional time off, or the employee does not agree to return to work under the conditions placed upon them by the Employer, the suspension as described earlier will be implemented (without pay from one (1) to three (3) days).

3. If an employee's decision making leave and subsequent suspension are overturned by an arbiter or the City Council or City Administrator, the time off taken for the decision making leave (comp time or vacation) will be credited back to the employee.

4. The decision making leave directly involves the employee in the process of discipline and correction, and treats them as the adult they are, and as they are expected to behave and abide by the working conditions set forth by the Employer. A copy of the decision making leave will be placed in the employee's personnel file and a copy will be given to the employee.

Section E. Fourth Step - Termination

1. If an employee's actions have resulted in them being subjected to the three (3) previous steps within the agreed upon time frame, then the Employer shall notify the employee with a termination notice. A termination hearing will be scheduled in accordance with the City Charter. A copy of this notice shall be sent to the Union also.

2. A record of each offense will remain in an employee's personnel file for a period of three (3) years from the date it was issued.

3. All employees' personnel files will be expunged of any discipline actions or notices after three (3) years from the date the reprimand was placed in the employee's file.

Section F. Work Rules

1. Doctor and dental appointments shall be made after working hours where it is possible.

2. Coffee breaks shall be taken at the nearest coffee shop to the work site and every effort shall be made not to have a number of employees at the same coffee shop.

3. Cooperation by the employees of the City is necessary for the performance of your duties. Failure to cooperate with fellow employees will be dealt with on the same basis as the above reprimands.

4. Public Works employees on loan to other City departments shall be required to follow the work rules of such other departments.

ARTICLE XXII: NON-DISCRIMINATION CLAUSE

ARTICLE XXII. Non-Discrimination

1. The provisions of this Agreement shall be applied equally to all employees without discrimination as to age, sex, marital status, sexual preference, race, color, creed, disability, national origin, political affiliation, veterans status, membership in the National Guard, state defense force or any reserve component of the military forces of the United States or any other basis prohibited by federal or state law, e.g., Americans with Disabilities Act.

2. The Union and the Employer agree that they have a joint obligation to comply with the Americans with Disabilities Act (ADA). The Union and the Employer agree that they have the obligation to consider accommodation requests from qualified ADA individuals and employees returning from Worker's Compensation injuries. The Employer agrees to maintain

the policy of attempting to place employees who have incurred a work related disability in areas of work which would fit the employee's physical capabilities but not to create a job just to provide employment.

3. The Employer shall provide these reasonable accommodations in a fair and equitable manner. Should reasonable accommodation request(s) raise the question of waiving the collective bargaining agreement, the Employer and the Union shall follow the procedures in Section C.

Section B. Information

Both parties recognize their responsibilities for confidentiality. The Union agrees to provide ADA information to any employee who requests a reasonable accommodation. Upon request from the Union, the Employer shall provide a report of reasonable accommodation requests.

Section C. Process

1. Upon request, an employee seeking an accommodation shall be entitled to Union representation. The Union representative and the employee shall be allowed a reasonable amount of time during working hours, without loss of pay, to discuss the request. The Employer shall review employee requests for accommodation considering ADA guidelines on equipment purchase or modification, accessibility improvement, and scheduling modifications and/or restructuring of current positions and duties allowable under the collective bargaining agreement, before considering or requesting waiver of the collective bargaining agreement.

2. If the Employer deems that the contract waiver is necessary, they shall contact the Union to convene a meet and confer on the issue. At this meeting, the Employer shall inform the Union of the employee's restriction(s) subject to each party's confidentiality obligations, the specific article(s) to be waived, and the manner in which the Employer proposes to modify that article(s).

ARTICLE XXIII: DURATION OF AGREEMENT

Except as otherwise provided, this Agreement shall remain in full force and effect until December 31, 2020, unless either party hereto gives notice to the other party at least sixty (60) days prior to the expiration date of this Agreement of the desire to negotiate a new agreement.

APPENDIX B: CITY OF VIRGINIA RETURN TO WORK POLICY

It shall be the Policy of the City of Virginia to treat each employee consistently when dealing with a “return to work” from illness or injury. This Policy will be subject to all applicable laws pertaining to The Americans with Disabilities Act (ADA). The principle and philosophy of the Policy shall be to allow an employee for a return to work from an extended illness or injury, when the employee is capable of providing meaningful work which is readily available and where the City can reasonably accommodate, without putting the employee or City at risk or burdening fellow employees with the accommodation(s).

The first option will be to return the employee to their posted position with or without reasonable accommodation(s) that may be necessitated by a medical/physical restriction of the employee. In the event an employee has medical/physical restrictions upon their return to work, the City retains the right to request a medical examination or occupational assessment, at the expense of the City, to fully determine the extent of the restriction(s) and to assist in determining the appropriate accommodation(s).

The second option will be to allow for a return to work in an alternate assignment, when and where meaningful work is available that the employee can readily perform with limited accommodation(s). Such work assignment(s) cannot infringe on the regular duties of other bargaining unit employees, and cannot be used to replace or displace bargaining unit employees. Again, where the employee has medical/physical restrictions, the City can request a medical examination or occupational assessment, at the expense of the City. Placement in an alternate work assignment shall be for a maximum of fifteen (15) regular shifts wherein an evaluation, based on new information attained from medical or occupational reevaluation or reasonable accommodation, of the placement shall be reviewed. In the event of disagreement over available work, the Union may present their position to the Personnel Committee of the City for consideration.

The City, in considering a return to work placement with restriction(s) back into the employee’s posted position, or in an alternate work assignment, shall notify the Union Exclusive Representative and/or President of the placement and the Union shall have the opportunity to meet with the City and the employee to discuss the return to work placement that involves accommodation(s). This will ensure the consistent handling of the procedure and opportunities for all bargaining unit employees.

This policy may not be used or interpreted to contradict language in the AFSCME Local 454 Labor Agreement covering employees while on short and long term disability and does not create a “light duty” situation. This Policy shall govern over employees returning from worker’s compensation injuries, return after a long term disability and extended illness or medical leave of absence.

The parties to this Agreement, (i.e., the City of Virginia and AFSCME Local 454), agree to the terms and conditions of this Policy, as indicated by their signatures hereto affixed, effective on the date of ratification.

ACCEPTED BY PARTIES: 12/28/99

APPENDIX C: Team Leader and Team Coordinator

Per previous Memorandums of Understanding negotiated in 2003 and 2004, the Employer and the Union have agreed to the establishment of the positions of "Team Leader" and "Team Coordinator." Regarding those positions, the Employer and the Union Agree:

- The duties and responsibilities of these positions are enumerated in the job descriptions of the "Team Leader" and "Team Coordinator" as they exist in the various departments.
- When vacant, the position of Team Lead and Team Coordinator shall be posted and filled per the collective bargaining agreement.
- An employee may work a maximum of two consecutive years as a Team Leader before the position is reposted. After reposting, a person who served as Team Leader in the previous term may not take the position again unless there are no other volunteer. If no volunteers/applicants come forward for team leader, the position will be appointed by Management.
- If no team leader is scheduled to work, the hours and duties will be assigned to the senior qualified employee on shift
- Each Team Leader shall receive one-half (1/2) hour of overtime five (5) days per week [a total of two and one half (2-1/2) hours per week] to accommodate completion of the additional duties associated with the Team Leader position. Overtime shall be at 1-1/2 times the employee's regular hourly rate of pay.
- The Team Coordinator will be paid his/her assigned rate of pay plus \$2.00 per hour and allowed one (1) hour of overtime per day, five (5) days a week. The Team Coordinator will be included in the on-call rotation with the Team Leaders.
- The "on-call" after hours and weekend duties shall be shared equally between the Team Leaders and the Team Coordinator(s) with a schedule to be provided to the City Department Director. For these additional responsibilities, the "on-call" team leader shall receive a total of eight and one half (8-1/2) hours at 1-1/2 times their regular hourly rate of pay for each seven-day period they are on call, in addition to the two and one half (2-1/2) hours of overtime above (for a total of eleven (11) hours overtime). In the event of an actual callout, they shall be covered by the labor agreement dealing with callout pay.
- The City may remove an employee from the team leader position by Council action through the City Department Director. Such action shall not be considered disciplinary and not subject to the grievance process. If an employee group at Public Works has problems with a team leader, that shall be communicated through the Union President or the Exclusive Representative, and they will inform the City Department Director of the situation and required action.
- Additional duties for team leaders include participation in bio-solid authority, area transportation partnership (including administering grants), dial-a-ride (including oversight of contractor), mineview (fielding calls and working with Chamber of Commerce), and solid waste (including developing process/procedure, coordinating billing, maintaining records), sanitary sewer distribution and collection (callouts), etc.
- The parties agree to meet and discuss any issues that may arise regarding team leaders upon written request by either party. Said request shall clearly identify the issue to allow for proper preparation at the meeting.
