Fair Share union fees will be withheld by applicable law. Such monies shall be remitted in a reasonable manner as directed by the Union. Management shall provide a list of members of AFSCME to the membership vice chairperson monthly.

The Union shall not take employees from the performance of their assigned responsibilities without prior approval of the Employer's designated representatives.
- 6.5 The stewards and officers are authorized to perform and discharge the duties and responsibilities that are assigned to them under the terms of this Agreement and any supplementary agreements. The Employer agrees that there shall be no restraint, interference, coercion or discrimination against any steward or officer because of performance of such duties.

## **ARTICLE 7 - Non-Regular Position Seniority And Benefits:**

- 7.1 The parties agree that employees who qualify as members of the bargaining unit, but who are filling positions that are not classified by the Employer as regular, shall be categorized as follows:
- A) "Seasonal" refers to employment that is of a limited duration and that recurs during similar calendar periods.

  - C) "Intermittent" refers to employment that is sporadic in nature to meet varying work demands.

  - E) "Grant Funded" refers to employment in a position that is totally grant funded and that is time limited.
- 7.2 Employees included in the bargaining unit but categorized in A, B, or C above, shall not be eligible for and shall not qualify for benefits of any kind until employed in the position for one thousand forty (1040) compensated hours in any calendar year, or until the position which they are filling is declared regular and the incumbent qualifies for it through regular recruitment procedures, whichever is first. Employees in A, B, or C above, who work in a single position for one thousand forty (1040) hours or longer in a single calendar year shall immediately thereafter become eligible for all benefits as provided by the bargaining agreement.
- 7.3 Employees included in the bargaining unit but categorized in group D above, shall be eligible for benefits pursuant to this Agreement. Current qualified employees may request an out of class assignment for a substitute position. The employer will determine what, if any position(s), will be back filled if the substitute position is filled by a current staff member.
- 7.4 A regular employee who is assigned to a totally grant funded position shall be treated in all respects as a regular employee.
- 7.5 Any person newly hired to fill a totally grant funded position shall in all respects be eligible for all benefits as a regular employee except that seniority will not accrue until the person has been in the grant funded position for two (2) years. Seniority will then be retroactively granted back to the original hire date.

Time spent by an employee as a member of any one of the non-regular groups, defined above, shall not be included or considered in determining seniority or time worked for purposes of benefit accrual. Seniority for such employees, or accrual of benefits for such employees, shall commence on the date that the person is appointed to a regular status. Time spent as a member of a non-regular group shall be considered for purposes of determining eligibility for layoff and layoff recall relative to other non-regular employees in the bargaining unit.

7.6 Provisions of this Article with respect to non-regular employees shall supersede any other provisions of this Agreement so long as the employee involved is in a non-regular position as defined in this Article. All limitations of other articles with respect to employees in probationary status or other eligibility requirements with respect to benefits shall continue to apply. The provisions of this Article are to be read as additional limitations on the benefit eligibility of non-regular employees.

## **ARTICLE 8 – Seniority:**

- 8.1 Seniority for bumping purposes will not be limited to classification series if no positions are available within the employee's series but include bargaining unit wide positions. When bumping is exercised outside the current classification series held by the employee at the time of layoff notification, seniority will be based on bargaining unit, not classification seniority.

The individuals who were in the general County bargaining unit and moved to the bargaining unit covered by this agreement in February of 1999 as a result of the unit clarification will retain and be credited with all seniority earned under the prior agreement.

\*MNA Classification

- 8.2 For seniority purposes, length of service shall be based on compensated time in the bargaining unit in a classification series, exclusive of overtime, computed on the basis of 2,080 regular hours per calendar year and starting from the most recent date of employment, re-employment, or appointment to the employee's classification. For purposes of this article, PTO, extended sick leave and holidays shall count as regular hours. Any employee who takes an Employer approved non-compensated leave of absence or who is on layoff status and returns to active employment pursuant to the terms of this Agreement shall be entitled to credit for all seniority accrued as of the time the leave or layoff commenced. If current employees are assigned to positions that are funded through limited time grants, their seniority will continue to accrue.

The employer will distribute and/or post a seniority list every six months. Such list will be maintained on the basis of total hours by classification. Any employee or the Union shall be obligated to notify the Employer of any error in the lists within thirty (30) calendar days of such posting. If no error is reported within this thirty (30) calendar day period, the list will stand correct as posted.

- 8.3 The County shall notify affected employees of a pending layoff and the reasons for the layoff thirty (30) calendar days prior to said layoff. Also prior to the notification of layoff, Human Resources will meet and confer with the Union to discuss possible alternatives to the layoff. Upon notification of the need to reduce the work force, a list of the remaining available positions shall be given to those employees being laid off and those employees whose positions may be affected by bumping/bidding.

- 8.4 Any employee who is covered by this Agreement and who is subsequently promoted or transferred to any position within a department shall retain seniority in his/her prior classification. A reduction of the work force will be accomplished on the basis of classification within a series as established above.

Except in those instances where senior employees are not qualified to perform remaining work duties, seniority shall determine the order of layoff and recall from layoff. Prior to a reduction in the work force, all temporary, emergency and probationary employees would be laid off before any regular, non-probationary employees.

When a reduction in the work force occurs, the layoff will occur on the basis of reverse seniority within a classification. Prior to the actual layoff, those affected employees shall be pre-qualified for bidding on the remaining positions. All affected employees will meet at a designated place and time to bid in order of seniority on the remaining positions. This bidding process will be coordinated by the Human Resources Department. When a position is taken by an employee with higher seniority, remaining employees shall continue to choose positions by seniority, until all positions are filled.

- 8.5 The process of bumping for those individuals who may be laid off and have bumping rights shall be reinstated as follows:

An employee with sufficient seniority who is qualified for a position shall have the ability to bump only the least senior individual in a classification in a unit. A unit is defined as any group of employees who report to the same supervisor.

- 8.6 Recall from layoff shall be in order of seniority within each classification, provided that a recalled employee must indicate his/her intention to return to work within fourteen (14) calendar days of notification; failure to respond to recall as herein provided shall result in automatic termination of seniority and employment. Notice of recall shall be by certified mail with a return receipt requested.

An employee shall remain on the recall roster for two (2) years, unless the employee fails to respond to a recall notification. At the end of said two years, all employment and seniority rights shall terminate.

If any vacancy exists in any department for which a person on layoff is qualified, the person on layoff shall be offered the vacant position. Any employee on layoff status who is offered employment in a substantially equal position in another bargaining unit is required to accept such employment in order to retain status on the layoff list.

- 8.7 All newly hired or rehired employees shall be required to serve a period of job probation. Additionally, any employee moving to a different classification likewise shall be subject to a new probationary period. Probationary periods shall be for 1040 hours.

- 8.8 All employees promoted or transferred to a new classification shall have the right to revert to a position in his/her former classification and to his/her rate of pay immediately previous to transfer or promotion, for the first forty-five (45) days of the probationary period.

An employee filling a position where classification has changed with no addition of duties or responsibilities shall not serve a probationary period.

If a position title is changed resulting from a change imposed by the appointing authority (reorganization, legislative mandates, etc.) which may result in the clarification of position duties and responsibilities, an employee will not be required to serve a probationary period.

- 8.9 Upon completion of probationary period, new or rehired employees shall become regular employees within the meaning of this Agreement and shall be credited with seniority dating from the first date of continuous employment to a regular position in the bargaining unit with the Employer.

- 8.10 During a promotional or lateral probation an employee may be returned to his/her previous classification based on inability to perform the duties of the new position. For the purposes of this article, lateral change means a move to a different classification with the same grade level. The reasons shall be given to the employee in writing. Such an involuntary return is subject to the grievance procedure up to but not including arbitration.

- 8.11 Benefits shall accrue based on the latter of the anniversary date of hire or rehire with the County.
- 8.12 The Employer is committed to hiring the most qualified candidate for County service. If all other job relevant qualifications are relatively equal, the most senior applicant shall receive the job.

All job vacancies shall be posted on the electronic recruiting system for at least seven (7) calendar days.

- 8.13 In the event of a vacancy within a job classification, the most senior employee requesting reassignment in writing will be given first consideration. If denied the change in job assignment, reasons will be given to the employee in writing. A decision will be grievable, but shall not be subject to Arbitration. (An example of a change in assignment would be from Child Protection to Developmental Disabilities or adult caseload Eligibility Specialist to family caseload Eligibility Specialist.)
- 8.14 Before the County enters into any contracts for additional personnel services, which may result in staff reduction(s), the County agrees to meet and confer with the Union. (The Union understands that the meet and confer is not to deal with whether or not the County will do contracting but rather to discuss alternatives and receive input from the Union.)

## **ARTICLE 9 – Discipline:**

9.1 The Employer will discipline employees for just cause only. Discipline will be in one or more of the following forms:

- A) Oral reprimand
- B) Written reprimand
- C) Suspension
- D) Demotion
- E) Discharge

Oral reprimands are not grievable. All oral reprimands will be removed from the file after one (1) year, and written reprimands will be removed after two (2) years. Both of these time frames are contingent upon the fact that the disciplinary action is not related to an ongoing problem.

9.2 All disciplinary action to become part of an employee's personnel file shall be read and acknowledged by signature of the employee. The affected employee and Union will receive a copy of such oral and written reprimands, and notices of suspension, demotion and discharge.

9.3 Employees may examine their own individual personnel files at reasonable times under the direct supervision of the Employer.

9.4 The Union shall have the right to be present at any questioning of an employee concerning investigation for disciplinary action against any employee.

9.5 Grievances relating to a suspension, demotion or discharge may be initiated by the Union at Step 3 of the Grievance Procedure, under Article 11 of this Agreement.

9.6 Nothing in this Agreement shall limit the Employer's right to terminate or discipline an employee during the initial probation period.

## **ARTICLE 10 - Normal Working Hours And Overtime:**

- 10.1 The normal workweek for full-time employees shall consist of forty (40) hours.
- 10.2 All employees shall be granted a fifteen (15) minute break or rest period during each full one-half (1/2) shift, and a one-half hour unpaid lunch during the middle of the day. Employees who do not actually work a complete one-half (1/2) shift shall not be granted a break or rest period. Example, an employee who leaves at 3:15 p.m. will be charged with one (1) hour and 15 (fifteen) minutes of leave. If there is an emergency that requires the employee to leave work after the break has already been taken, the employee will not be required to charge the already taken break to time not worked.
- 10.3 If it is necessary to implement permanent changes in the work schedules the Employer shall notify the affected employees at least fifteen (15) working days prior to implementation.
- 10.4 Non-exempt employees will be compensated either in pay or compensatory time at a rate of one and one-half (1-1/2) times the base rate (the employee's normal straight time Range-Step rate) for hours worked in excess of the normal work week (forty (40) hours). It shall be the employee's option to be paid with compensatory time or one and one-half (1-1/2) times their rate of pay. However, the use of compensatory time off must be mutually agreeable to the employee and the employer.

Compensatory time accrued for non-exempt employees may accumulate to a maximum of forty (40) hours. Any accumulation beyond forty (40) hours shall be paid overtime.

All overtime opportunities posted for an entire classification will be exempt from this clause and will be paid.

- 10.5 For the purpose of computing overtime compensation, overtime hours worked shall not be pyramided, compounded or paid twice for the same hours worked.
- 10.6 Overtime will be calculated to the nearest fifteen (15) minutes.
- 10.7 For purposes of overtime calculation, holidays, PTO or extended sick leave taken shall be counted as time worked.
- 10.8 Overtime work will be distributed as equally as practicable, consistent with the functions of the department. Overtime must be approved as assigned prior to its occurrence. Pre-approval for overtime will be waived under the following conditions, provided that it does not exceed one hour and that it does not occur with great regularity:
- A. The employee is working in the field and the overtime was unanticipated.
  - B. The documentation for overtime is completed and submitted to the supervisor on the next regular workday.

- 10.9 In order to meet the mandatory requirements of having a Social Worker available on a 24 hour basis to deal with emergencies and crisis situations, those Social Workers who serve a week on-call for the 24 hour answering service shall be reimbursed at the rate of ten (10) hours of compensatory time off or ten (10) hours of straight time pay at the employee's option. Actual service provided while on call is over and above the ten (10) hours for on-call time or on a prorated basis if less than full time.

Social Workers who are required to be on call on a holiday will be credited with four (4) hours of compensatory time at straight time rates.

- 10.10 On the rare occasion an employee with an assigned caseload is contacted at home on an unplanned work related matter outside of his/her regularly scheduled workday and no field visit is required, the employee shall be compensated at a minimum of one (1) hour at regular wages. The employee must document the contact in the case file and notify the supervisor of the occurrence on the next business day.
- 10.11 If sufficient persons do not volunteer to staff thirteen (13) weeks at a time without duplication, it will be necessary to resort to an involuntary system utilizing each Social Worker on a rotating basis.
- 10.12 In the event that circumstances arise that the worker on call for a week cannot serve, the employee will be responsible for arranging a substitute and informing an appropriate supervisor.
- 10.13 Flex time scheduling for other than a normal workday may occur by the mutual agreement of the Department Director or designee and the employee. Flex Time may be permitted unless there is a work related reason (i.e. coverage). The following will also apply:
- A) There will be no increase in the length of, or any additional breaks.
  - B) Extended sick leave, compensatory time usage, and PTO requests must match the number of hours of work scheduled (i.e. an individual working four (4) ten (10) hour shifts, would need to request ten (10) hours of extended sick leave, compensatory time, or PTO).
  - C) Holidays which occurred during extended work days would need to be supplemented by a request for PTO or compensatory time, or those hours beyond eight (8) hours will be considered time without pay. The time without pay option is only available if an individual has no accrued PTO or compensatory time.
- 10.14 Employees at their option shall have the ability to either make up time lost due to very inclement weather through arrangements with their supervisor using compensatory time, flex time, or PTO or to take it as time without pay.
- 10.15 Public Health Nursing Services for After Hours Care: When home or field visits are required on holidays and weekends, a Public Health Nurse will receive a minimum of

two (2) hours pay or actual hours worked (whichever is greater).

Overtime, if applicable, will be paid in accordance with Article 10 and Article 12.

- 10.16 Call Back Time: An employee who is called to duty during his/her scheduled off duty time shall receive a minimum of two (2) hours pay at one and one-half (1-1/2) times the employee's base pay rate. An extension or early report to a regularly scheduled shift for duty does not qualify the employee for the two (2) hour minimum.
- 10.17 If temporary changes are implemented to the work schedule, the employee shall receive a *48-hour* notice.
- 10.18 When adopting recurring non-traditional schedules, the Employer shall staff such schedules in the following manner: Request volunteers from within the unit/program; if further employees are needed or if there are not volunteers, the Employer shall assign the least senior qualified employee in the unit/program to meet these non-traditional scheduling requirements except in unique and special circumstances. In such circumstances, the employer may assign the employee of choice.

**ARTICLE 11 - Employee Rights - Grievance Procedure:**

- 11.1 Definition of a Grievance. A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement.
- 11.2 Union Representative. The Employer will recognize representatives designated by the Union as the grievance representatives of the bargaining unit having the duties and responsibilities established by this Article. The Union shall notify the Employer in writing of the names of such Union representatives and of their successors when so designated as provided by Section 6.2 of this Agreement. The Employer shall notify the Union in writing of the Employer designated positions.
- 11.3 Processing the Grievance. It is recognized by the Union and by the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall, therefore, be accomplished during normal working hours without loss of pay when reasonable time away from duties and responsibilities are not detrimental to the work programs of the Employer. Normally, one Steward would be involved in a grievance along with the Staff Representative, if necessary, unless the Employer has a number greater as its representatives, in which case the Union would limit its representation to an equal number.
- 11.4 Procedure. Grievances, as defined by Section 11.1, shall be resolved in conformance with the following procedure:

Step 1. An employee, through the union, claiming a violation concerning the interpretation or application of this Agreement shall, within fifteen (15) calendar days after such alleged violation has occurred, present such grievance in writing to the Employer-designated representative. The Employer-designated representative will discuss and give an answer to such Step 1 grievance within ten (10) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested, and shall be appealed in writing to Step 2 within ten (10) calendar days after the Employer-designated representative's final answer in Step 1. Any grievance not appealed in writing to Step 2 by the Union within ten (10) calendar days shall be considered waived. A grievance can only be withdrawn through the Union.

Step 2. If appealed, the written grievance shall be presented by the Union and discussed with the employer-designated Step 2 representative. The Employer-designated representative shall give the Union the Employer's Step 2 answer in writing within ten (10) calendar days after receipt of such Step 2 grievance. A grievance not resolved in Step 2 may be appealed to Step 3 within ten (10) calendar days following the Employer-designated representative's final Step 2 answer. Any grievance not appealed in writing to Step 3 by the Union within ten (10) calendar days shall be considered waived.

Step 3. If appealed, the written grievance shall be presented by the Union and discussed with the Employer-designated Step 3 representative. The Employer-designated representative shall give the Union the Employer's answer in writing within ten (10) calendar days after receipt of such Step 3 grievance. Any grievances not resolved in Step 3 may be appealed to Step 4 within ten (10) calendar days following the Employer-designated representative's final answer in Step 3. Any grievance not appealed in writing to Step 4 by the Union within ten (10) calendar days shall be considered waived.

Before a grievance may be taken to arbitration, it must first be taken to mediation.

Step 4. A grievance unresolved in Step 3 and appealed to Step 4 by the Union shall be submitted to mediation subject to the provisions of the Public Employment Labor Relations Act of 1971, as amended. Any grievances not resolved in Step 4 may be appealed to Step 5 within ten (10) calendar days following the outcome of mediation. Any grievance not appealed in writing to Step 5 by the Union within ten (10) calendar days shall be considered waived.

Step 5. A grievance unresolved in Step 4 and appealed to Step 5 by the Union shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971, as amended. The selection of an arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances" as established by the Bureau of Mediation Services.

The Union shall request action to strike names within thirty (30) days of receipt of the list of arbitrators.

#### 11.5 Arbitrator's Authority:

- A) The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Union, and shall have no authority to make a decision on any other issue not so submitted.
- B) The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in any way the applications of laws, rules or regulations having the force and effect of law. The arbitrator's decisions shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the Employer and the Union and shall be based solely on the arbitrator's interpretation or application of express terms of this agreement and to the facts of the grievance presented.
- C) The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

- 11.6 Waiver: If a grievance is not presented within the time limits set forth above, it shall be considered "waived." If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the union in each step.
- 11.7 Choice of Remedy. If, as result of the mediation outcome in Step 4, the grievance remains unresolved and if the grievance involves the suspension, demotion or discharge of an employee who has completed the required probationary period, the grievance may be appealed either to Step 5 of this Article 11 or a procedure such as Veterans Preference or Fair Employment.

An employee pursuing a remedy pursuant to a statute under the jurisdiction of the United States Equal Opportunity Commission is not precluded from pursuing an appeal under the grievance procedure of this Agreement. If a court of competent jurisdiction rules contrary to the ruling in *EEOC v. Board of Governors of State Colleges and Universities*, 957 F.2d 424 (7<sup>th</sup> Cir.), cert. denied, 506 U.S. 906, 113 S. Ct. 299 (1992), or if Board of Governors is judicially or legislatively overruled this paragraph of Section 11.7 shall be immediately null and void and shall be deleted from this Agreement.

**ARTICLE 12 – Holidays:**

12.1 Any regular employee who is required to work on a holiday shall be paid at one and a half times his/her regular rate of pay for work performed on the legal holiday and shall be granted equal time off at a mutually agreed upon time, or shall be paid an equal number of hours at straight time rates. This will be the entire pay for that day. Example: An employee works 4 hours on a holiday. The employee would be paid 4 hours at time and a half and receive 8 hours of holiday pay.

12.2 Holidays are defined as:

January 1	New Year's Day
Third Monday in January	Martin Luther King Day
Third Monday in February	President's Day
Last Monday in May	Memorial Day
July 4th	Independence Day
First Monday in September	Labor Day
November 11th	Veterans' Day
Fourth Thursday in November	Thanksgiving Day
Fourth Friday in November	Day after Thanksgiving
*December 24	Day before Christmas (when Dec. 24 is a normal work day)
December 25	Christmas Day
Personal Day	Personal Day 0-3 Years of Service = 1 day 4-14 Years of Service = 2 days 15+ Years of Service = 3 days
Floating Day	Employees shall receive two 4-hour float blocks

\* See 12.3

12.3 Christmas Eve shall be a holiday in those years that December 24 is a normal work day.

12.4 When New Years Day, Independence Day, Veterans Day, or Christmas Day falls on Sunday, the following day shall be a holiday. When New Year's Day, Independence Day, Veterans Day, or Christmas Day falls on a Saturday, the preceding day shall be a holiday. For purposes of determining work on a holiday in the circumstances set forth in this subsection, the calendar day of the holiday shall prevail.

12.5 A personal day must be used within the calendar year to which it applies and may not be carried forward to the following year. This day will be governed by the same rules as those for PTO. A Personal Day may not be segmented but must be used as a complete unit of time. A Floating Day may not be segmented and must be used as a four (4) hour block of time.

A Personal Day or Floating Day must be requested in advance. Part-time employees shall receive prorated personal/floating days per Article 14.2.

**ARTICLE 13 - Paid Time Off:**

- 13.1 Paid time off may be utilized for any purpose subject to the needs of the employer to retain appropriate staffing and service levels. Therefore it must be requested in advance, and its use is subject to pre-approval by the employee's supervisor. In those circumstances in which pre-approval could not be requested, the supervisor's approval must be sought as soon as reasonably possible. Unauthorized use of paid time off may be subject to disciplinary action.
- 13.2 Paid time off is credited each pay period and may not be used until it is posted to the employee's electronic pay summary.
- 13.3 The minimum request for paid time off shall be one-quarter (1/4) hour.
- 13.4 In the event an employee uses paid time off for their own medical treatments and/or a medical/surgical procedure that would impair the employee's ability to perform the essential functions of their job, the employee will be required to provide a return to work authorization form from their medical provider. The employee will turn the form into the Human Resources Office prior to the start of the employee's workday.
- 13.5 Employees receiving Worker's Compensation may use accrued paid time off or extended sick leave to make up the difference between what they are receiving and their regular salary.
- 13.6 An employee may retain up to forty (40) hours of paid time off and up to forty (40) hours of extended sick leave for use after returning from the unpaid leave of absence for medical reasons or pursuant to the FMLA or state parenting leave law. An employee will be eligible to receive donated leave only after the employee's accrued paid time off has been reduced to no more than three (3) days.
- 13.7 An employee taking an unpaid leave of absence granted by the County for other than medical reasons or the FMLA or state parenting leave law must use all accrued PTO hours before beginning the unpaid leave.
- 13.8 Employees will have paid time off credited to their account based on the following schedule:

Regular part-time employees shall have paid time off credited to their account on a prorated rate.

Years	Day Earned/Per Month	Hours Earned/Pay Period
During the first and second years of employment	1.75	6.46
During the third and the fourth years of employment	2.00	7.38
During the fifth, sixth and	2.25	8.31

seventh years of employment		
During the eighth and ninth years of employment	2.42	8.94
During the tenth, eleventh, twelfth, thirteenth and fourteenth years of employment	2.58	9.53
During the fifteenth, sixteenth, seventeenth, eighteenth, and nineteenth years of employment	2.67	9.86
During the twentieth and all succeeding years of employment	2.75	10.15

Employees hired on or after January 1, 2014 can accumulate PTO up to a maximum of 1040 hours.

For employees hired prior to January 1, 2014, the maximum amount of PTO that can be accumulated by employees as of December 31 of each year is limited to 1200 hours. Any employee that has over 1200 hours on December 31, 2010 will be grandfathered. Employees that accumulate over 1200 hours in any particular year and do not have their PTO balance below 1200 hours by December 31 will have their balances adjusted to 1200 hours and any hours above 1200 will be forfeited.

- 13.9 Requests for PTO leave must be submitted to the employee's designated supervisor in advance of the absence requested. All PTO requests are subject to the supervisor's approval. The supervisor shall respond within a reasonable time to all requests.

If it is necessary for the employee's designated supervisor to disapprove a PTO leave request because the number of employee's within a unit requesting leave exceeds the number of employees the designated supervisor determines possible to grant leave to at any one time, the designated supervisor shall grant such requests on the basis of bargaining unit seniority if said leave is requested thirty (30) days or more prior to the date of leave. If the request is less than thirty (30) calendar days prior to the date of leave, the employee requesting leave first would then have rights to the leave. If two or more employees request leave at the same time during this period, bargaining unit seniority would prevail.

Requests for paid time off leave will not be unreasonably denied.

- 13.10 An employee shall be authorized up to a maximum of ten days as funeral leave days on the occasion of death in the employee's immediate family. "Immediate family" for the purpose of this section shall be defined as the employee's spouse/fiancé/significant other, children, parents, mother-in-law, father-in-law, brother, sister, brother in-law,

sister in-law, grandparents and grandchildren or a ward of the employee's household.

This leave may be used as PTO or extended sick leave upon the employee's request. However, should the employee have 40 hours or less in PTO they may also select unpaid time off for this purpose.

13.11 An employee selected to be a pallbearer for a deceased employee of the County shall be allowed one day, with pay, not to be deducted from paid time off.

13.12 An employee may cash out or designate to their deferred compensation account paid time off by completing the appropriate form requesting such cash out in the calendar year preceding the year of the cash out, per IRS regulations. Cash out of paid time off must be made in whole hours. Following a cash out the employee must have a balance of at least eighty (80) hours and have used a block of at least forty (40) hours in the same calendar year. In no case can a cash out exceed the number of hours of PTO actually used in this period of time. The maximum cash out will also be limited to a set number of hours based upon the number of years of service the employee has with the County. The limits on cash out hours will be as follows:

Years of Service Completed with Stearns County	Maximum Hours Available to Cash Out Annually
1 completed year	10
2 completed years	20
3 completed years	30
4 and any additional completed years	40

The below chart is effective in 2022 for 2023/2024 cash outs:

Years of Service Completed with Stearns County	Maximum Hours Available to Cash Out
3 and 4 completed years	40
5 and any additional completed years	80

An employee who has a PTO balance over 900 hours as of December 31 in the preceding year may cash out an additional forty (40) hours in 2022, 2023 and 2024.

13.13 Severance Plan A:

An employee may select either Plan A or B but the choice once made is irrevocable with the exception that an employee may change their choice one time provided that it is done at least two (2) years prior to leaving County service. A change made less than two (2) years prior to leaving County service shall not be effective and the severance

would be paid out based on the previous choice.

After an employee has successfully completed probation, an employee who leaves the employment of the County in good standing shall be compensated for previously credited and unused hours of paid time off at the current rate of pay subject to the following rules:

- *100% of the first 525 hours at 100% of regular pay rate at time of resignation/retirement.*

The above amounts will be further limited by the following restrictions:

- *An employee with less than one year of service will be limited to no more than forty (40) hours regardless of the employee's current unused hours of paid time off.*
- *An employee with one (1) complete year of service but less than two (2) complete years will be limited to no more than one hundred (100) hours regardless of the employee's current unused hours of paid time off.*
- *An employee with two (2) complete years of service but less than three (3) complete years will be limited to no more than two hundred (200) hours regardless of the employee's current unused hours of paid time off.*
- *An employee with three (3) complete years of service but less than four (4) complete years will be limited to no more than three hundred (300) hours regardless of the employee's current unused hours of paid time off.*
- *An employee with four (4) complete years of service but less than five (5) complete years will be limited to no more than four hundred (400) hours regardless of the employee's current unused hours of paid time off.*
- *An employee with five (5) complete years of service but less than six (6) complete years will be limited to no more than five hundred (500) hours regardless of the employee's current unused hours of paid time off.*
- *An employee with six (6) or more complete years of service or more will be limited to no more than five hundred twenty-five (525) hours regardless of the employee's current unused hours of paid time off.*

#### 13.14 Severance Plan B:

An employee may select either Plan A or B but the choice once made is irrevocable with the exception that an employee may change their choice one time provided that it is done at least two (2) years prior to leaving County service. A change made less than two (2) years prior to leaving County service shall not be effective and the severance would be paid out based on the previous choice.

An employee who chooses this plan and who leaves the employment of the County in good standing shall be compensated at the current rate of pay for any previously credited and unused hours of paid time off under one of the following rules:

- Any regular employee, who has at least ten years of service and whose effective date of employment was before June 1, 1983, shall be eligible for severance payment equal to 100% of previously credited and unused paid time off and 75% of the employee's previously credited and unused extended sick leave with the combination of the two not to exceed 840 hours for separations occurring as a result of resignation in good standing or retirement based on disability as defined by the employee qualifying for PERA disability benefits.
- Any regular employee who has at least ten years of service and whose effective date of employment was before June 1, 1983, shall be eligible for severance payment equal to 100% of previously credited and unused paid time off and 100% of previously credited and unused extended sick leave with the combination of the two not to exceed 1184 hours for separations occurring as a result of death while a covered employee or retirement pursuant to retirement provisions applicable to PERA members.
- Any regular full-time employee or part-time employee whose effective date of employment was on or after June 1, 1983, shall be eligible for severance payment equal to 100% of previously credited and unused paid time off and 75% of previously credited and unused extended sick leave with the combination of the two not to exceed the total dollar amount of the regular rate of pay times 290 hours plus \$2,650, after at least ten (10) years of service, for separation due to death, retirement pursuant to PERA eligibility requirements, or resignation.

13.15 When an employee is eligible for a severance payment upon leaving County employment, the dollar amount will be calculated based on the severance plan selected by the employee and the method determined by that selection (13.13 or 13.14 above). After the dollar amount has been calculated, how it is paid will be determined by the following rules:

- If the employee has not completed three (3) years of continuous County service, the payment will be made directly to the employee.
- If the employee has completed three (3) years of continuous County service, the following chart will be used to determine what percentage of the payment will be made into the Voluntary Employee Beneficiary Association (VEBA) established by the County:

If your PTO accrued balance is less than 150 hours: 0 %  
If your PTO accrued balance is 150-200 hours: 25%  
If your PTO accrued balance is 201-250 hours: 50%  
If your PTO accrued balance is 251- 350 hours: 75%

If your PTO accrued balance is more than 350 hours: 100%

- 13.16 The employee's paid time off balance at time of layoff will be reinstated, if they are recalled from layoff without having been paid the severance amounts noted above. This reinstatement will not occur if severance has been paid to the employee.
- 13.17 Following a layoff an employee may request severance payment no sooner than thirty (30) days after the layoff. The employee may, however, choose to leave the severance payment with the County until the layoff period expires. A layoff period expires after the employee has been on layoff for two (2) years.
- 13.18 Access to use of the Extended Sick Leave Bank will be restricted to those times in which an employee's absence is a minimum of two (2) full consecutive work days at which time the employee's absence will be charged to the Extended Sick Leave Bank to the extent that hours are in this account retroactive to the first day and the PTO charged to those days will be reinstated to the employee's PTO account. Once the minimum of two (2) consecutive work days threshold is met, if the employee is absent from work because of the same medical condition on an intermittent basis, access to the ESL Bank will be continued. The employer may request medical documentation supported by an actual doctor's visit in these instances.

Having met the above requirements, such leave may be used for illness, injury, disability, outpatient or inpatient treatment for physical/mental illness, alcoholism, or drug addiction. Such leave may be used for absences due to an illness of the following individuals:

- Spouse/Fiancé/Significant Other
- Children, minor or adult
- Parents
- Foster children
- Ward of the employee
- Person for whom the employee is a conservator or guardian

AND

the employee is required to participate in medical examinations and/or is involved in the care and/or course of treatment of the illness. Extended sick leave may not be used to provide daycare services for healthy individuals, or to simply provide transportation services to those listed above.

- 13.19 The current Deferred Sick Leave Bank that an employee may have will be frozen. It will be available for use only when all but forty (40) hours the employee has accrued as paid time off and any hours in the Extended Sick Leave Bank are exhausted. Its use will be subject to the same restrictions as that placed on the Extended Sick Leave Bank.

Deferred Sick Leave Bank Balances (this was previously accrued sick leave in excess of 800 hours) shall not be used to determine severance pay in any manner for any employee.

**ARTICLE 14 - Insurance Benefits:**

- 14.1 The Employer agrees to make available major medical coverage for all full-time and part-time employees.

All full-time and part-time employees will be required to enroll in a major medical coverage plan.

- 14.2 Employees who are budgeted to work 30 (thirty) or more hours per week will receive PTO, holidays, cafeteria benefits, a VEBA or HSA contribution (if eligible as described in Article 14.4B), and longevity at 100%.

Part-time employees who are budgeted to work 20-29 (twenty to twenty-nine) hours per week will receive prorated PTO, holidays, cafeteria benefits, a VEBA or HSA contribution (if eligible as described in Article 14.4B), and longevity at 75%.

- 14.3 The Employer sponsors a "cafeteria plan" through which a full-time/part-time employee may select benefits available through the cafeteria plan on a tax favored basis in accordance with applicable law, including but not limited to the Internal Revenue Code of 1986 (as amended) and associated regulatory guidance. Benefits available through the cafeteria plan shall include, but not be limited to, major medical coverage, a health flexible spending account ("Health FSA"), dependent care flexible spending account ("Dependent Care FSA"), and a health savings account ("HSA").

- 14.4 Employer Contribution based on Major Medical Coverage:

- A) The amount of the monthly County contribution is based upon whether the full-time/part-time employee selects single coverage or family coverage.

Effective January 1, 2022:

- Single Coverage: Total County Contribution is \$965 per month\*
- Family Coverage: Total County Contribution is \$1,170 per month\*

Effective January 1, 2023:

- Single Coverage: Total County Contribution is \$1,000 per month\*
- Family Coverage: Total County Contribution is \$1,245 per month\*

Effective January 1, 2024:

- Single Coverage: Total County Contribution is \$1,035 per month\*
- Family Coverage: Total County Contribution is \$1,320 per month\*

\*The Total County Contribution is reduced to reflect the employee's status as a full-time or part-time employee.

- B) The monthly County contribution is based upon the major medical coverage option selected by the full-time/part-time employee. The monthly County contribution is used first to pay the cost of the major medical coverage option

selected by the full-time/part-time employee. The monthly County contribution is then used to fund the (1) VEBA for a full-time/part-time employee who has selected the major medical coverage option that operates side by side with the VEBA, or (2) HSA for a full-time/part-time employee who has selected the major medical coverage option that operates side by side with the HSA. The VEBA and HSA shall be operated in accordance with the applicable law, including the Internal Revenue Code of 1986 (as amended) and associated regulatory guidance.

- 14.5 All full-time and part-time employees shall receive \$350 in a VEBA account in January of each year of the contract. The VEBA shall be operated in accordance with the applicable law, including the Internal Revenue Code of 1986 (as amended) and associated regulatory guidance.
- 14.6 Any employee who retires shall be eligible to continue group health insurance coverage for themselves and their dependents if such dependents were covered during the last year of employment, provided that the employee agrees to pay all premium costs required to continue such coverage. This coverage shall be maintained for the life of the retired employee or until Medicare eligible unless the employee fails to make the necessary payments on a monthly basis.
- 14.7 The County agrees to continue group life insurance benefits with term life insurance coverage of \$50,000, or the amount in County policy if greater, for each full-time/part-time employee. Employees may choose dependent life coverage as provided in the cafeteria benefit package.
- 14.8 The Employer agrees to provide defense for any covered employee against judgments or any amounts paid in settlement actually and reasonably incurred in connection with any tort claim or demand arising out of an alleged act or omission occurring within the scope of his/her employment duties, subject to the limitations set forth in MS 466.04. The Employer will not indemnify pursuant to this policy in the case of malfeasance in office or willful or wanton neglect of duty. The Employer will further defend, save harmless and indemnify any covered employee against any tort claim or demand, whether groundless or otherwise, arising out of alleged act or omission occurring in the performance of duty to the extent of insurance coverage available and in force for this purpose or the equivalent self-insurance coverage.
- 14.9 All full-time and part-time employees shall be covered under County sponsored long-term disability coverage to provide a monthly income replacement benefit based on 50% of current annual salary to a maximum of \$1,000 a month under the provisions of the contract set forth by the provider. This basic disability coverage will be paid for by the County, with the option of the employee to buy additional like policies at his/her own expense.
- 14.10 All full-time and part-time employees shall be covered under County sponsored short-term disability coverage to provide a monthly income replacement benefit (up to six month) to pay \$100 per month in case of sickness or injury off the job. This basic disability coverage will be paid for by the County. These monthly benefits shall be reduced by any amounts

paid or payable under Worker's Compensation, the primary disability provisions of the Federal Social Security Act and the Public Employees Retirement Act. The employee has the option to buy additional like policies at his/her own expense.

- 14.11 The County will provide a \$1,000 lump sum payment to VEBA after eight (8) years of service following an eligible employee's retirement. In order to be eligible for this benefit, an employee must have at least eight (8) years of continuous and benefit earning experience with the County prior to retirement and must be receiving PERA pension benefits.
  
- 14.12 With respect to the employer shared responsibility requirements found in Section 4980H of the Internal Revenue Code, the County reserves the right to provide group medical coverage in addition to the coverage described herein in order to manage the potential penalties to which the County may be subject. Such coverage, in addition to the coverage described herein, will be considered bargained but specifically will not be considered part of the aggregate value of the benefits and specifically will not be subject to any applicable aggregate reduction in value limitations.

## **ARTICLE 15 - Leave Of Absence:**

15.1 It is the policy of Stearns County to grant a leave of absence without pay to employees for (1) personal, physical or mental illness, injury, disability, chemical dependency treatment, and (2) family medical purposes. The unpaid leaves described in this Article are in addition to other leaves the County is required by law to provide.

15.2 Eligibility:

Unless required otherwise by law, an employee must work an average of twenty (20) hours or more per week and have completed the probationary period for new employees. The employee also must have been employed by Stearns County for at least six (6) months prior to the leave without pay.

15.3 Extended Medical Leave of Absence

An employee unable to return to work because of illness or accident who has exhausted all PTO, Extended Sick Leave, and leave available under the Family & Medical Leave Act of 1993 (FMLA), may apply for an unpaid leave of absence for medical purposes. Such leave may not exceed twelve (12) months in duration. Written requests for such leave will be submitted to the Department Director at the earliest possible date indicating the anticipated dates of the absence with a copy to Human Resources. Healthcare provider certification verifying need for extended medical leave will be submitted to Human Resources in conjunction with request for extended medical leave.

15.4 Personal Leave of Absence

Written requests for a leave of absence for personal reasons (other than medical) will be submitted to the Department Director at the earliest possible date indicating the anticipated dates of the absence and the reasons therefore with a copy to Human Resources. Personal leaves may not exceed twelve (12) months in duration.

15.5 Authorization:

A) The employee shall submit a written request for such leave to the Department Director at the earliest possible date indicating the anticipated dates of the absence and whether the leave is medical or personal, with a copy to Human Resources. Healthcare provider certification verifying the need for extended medical leave must be submitted to Human Resources in conjunction with request for extended medical leave.

B) The Department Director shall be responsible for approving requests for a leave of absence.

1. A leave of absence without pay shall be granted only if an employee has exhausted all applicable leave options. See 13.6 and 13.7. Once an employee chooses to go into a non-pay status, they may not return to a pay status for leave until after they

have returned to work.

2. At any time during the leave, Human Resources may request a health provider's statement updating the employee's condition and projected date of return to work.
3. The Department Director shall consider the importance or necessity of the request.
4. The Department Director shall consider the workload and staffing of the department prior to approving the request.
5. The Department Director shall consider the employee's length of employment and attendance record.

C) Authorized requests shall be filed in the employee's personnel file.

D) Authorization for a leave of absence without pay is tentative. The Department Director may contact the employee to return to work within a reasonable amount of time prior to the end of the authorized leave period.

#### 15.6 Length of Leave:

A leave of absence without pay described in this Article may be granted for a maximum of one (1) year unless applicable law requires otherwise.

#### 15.7 Affect on Benefits and Leaves:

The following provisions apply to leaves of absence described in this Article unless applicable law requires otherwise:

- A) Health insurance coverage may be continued for the maximum period of time allowed by state and federal continuation (COBRA) if the employee makes full premium payments.
- B) Pension benefits shall discontinue during an unpaid leave of absence.
- C) PTO shall not accrue during an unpaid leave of absence of over 160 hours.
- D) Holidays shall not be paid during an unpaid leave of absence of over 160 hours. However, in no case shall an employee be paid for a holiday unless the employee is in paid status the day before and the day after the holiday.
- E) Seniority shall not accrue during an unpaid leave of absence of over 160 hours.
- F) The employee's salary review date shall be moved according to the length of the unpaid leave of absence that exceeds 160 hours.
- G) Employees on leave without pay for medical reasons must furnish the County with a written healthcare provider's statement verifying the employee's illness or medical problem and a statement approving the employee's ability to perform his/her work functions before reinstatement.
- H) If an employee enters non-pay status on or before the 15th of the month, the County will contribute towards insurance for that month. However, the employee will be totally responsible for the cost of the coverage for the following month(s).

If an employee enters non-pay status after the 15th of the month, the County will contribute to the cost of the major medical and basic life insurance for that month and the following month. The month(s) after that, if the employee were still not able to

return to work, the insurance would be totally the employee's responsibility.

If an employee returns to pay status on or before the 15th of the month, the County will contribute its share of the coverage contribution provided that the employee worked at least ten (10) days that month or had time on the time sheets for which pay is provided under the personnel policies or union contract.

If the employee returns to pay status after the 15th of the month, the employee still pays for that month, but the County will provide its contribution beginning with the following month.

15.8 Reinstatement and Termination During a Leave of Absence without pay:

The following provisions apply to the leaves of absence described in this Article unless applicable law requires otherwise:

- A) An employee returning from an unpaid leave of absence shall be reinstated to the original classification.
- B) An employee exceeding the authorized leave period without giving proper notice shall be considered to have voluntarily terminated without the proper notice; however, an employee giving proper termination notice within the authorized leave period shall be eligible for termination benefits.
- C) An employee exceeding the authorized leave period without giving proper notice shall be dismissed.
- D) An employee, by agreement with the Department Director, may return to work part-time during the leave period without forfeiting the right to return to employment at the end of the leave period.

15.9 Family Medical Leave:

Family and Medical Leave Act (FMLA) leave shall be available to eligible employees in accordance with the Family & Medical Leave Act of 1993 (FMLA).

15.10 Military Leave:

It is the policy of Stearns County to grant a leave of absence to an employee engaged in active service, in time of war, other emergency, or for required reserve training in the military or naval forces of the United States in accordance with M.S. 192.261.

The employee must present a copy of the orders to the Department Director and Human Resources Director.

15.11 An employee may request and may be allowed up to 40 hours per year as a leave of absence without pay to perform national or international service work. All other leaves do not have to be exhausted to make such a request.

15.12 Employees subpoenaed as witnesses in connection with County employment or called for

jury duty shall receive their regular compensation and other benefits less the amount of jury or witness fees. Employees shall notify their supervisor when served with a subpoena or notice of jury duty. The employee shall provide the County Auditor/Treasurer with a record of any fees received. The employee's pay shall be adjusted accordingly. Employees shall return to their regular work duties if released from court duty during their scheduled hours of work.

- 15.13 Leaves of absence for professional conferences and workshops, as well as provisions relating to training and development contained in the Employer Personnel Manual, Section 16, under the heading, "Training and Development," shall be applicable to the employees included in this Agreement.
- 15.14 An employee may attend up to sixteen (16) hours of training/conferences/seminars each year at their own expense. The sixteen (16) hours may be used in two (2) hour blocks. The particular seminar, which must be eligible for CEU's/Hours/Credits, will need employer approval with regard to time and location. With consideration given to department staffing and workload, the CEU qualified training will be approved so long as the training is directly related to employee job duties, professional development plans and is not repetitive of previous trainings taken. Cost for attending will be paid by the employee. The employer will compensate the employee for an eight hour work day unless the training was for less than eight (8) hours. This payment will not be charged against the educational budget of that unit.
- 15.15 Employees may be permitted to take Enhanced Time Off (ETO), without pay, under the conditions outlined in the Stearns County Enhanced Time Off Program. Approval/denial would be required by the supervisor, division director and department director.

**ARTICLE 16 - Compensation Plan:**

16.1 Employees shall be compensated in accordance with the compensation range tables attached hereto and hereby made a part of this Agreement.

- A) January 1, 2022 – 2% general adjustment  
July 1, 2022 – 2% general adjustment  
\$500 Retention Incentive (paid on the first eligible pay period after contract ratification)
- B) January 1, 2023 – 2% general adjustment  
July 1, 2023 – 2% general adjustment
- C) January 1, 2024 – 2% general adjustment  
July 1, 2024 – 2% general adjustment

Step increases will occur on the anniversary date of the employee.

A) Promotions

If an employee is promoted to a higher grade, the employee will be moved to the step of that grade that is at least 8 (eight) % higher than current salary. (This may mean someone who was a step J might end up at step C on their new position's steps.) In no case shall such movement result in a rate which is beyond the range of the grade for the position. The individual employee will then move through the steps of the new position in an orderly annual process.

However, if an employee is promoted to a position/grade that they have previously held within the past 24 months, this provision shall not apply. The employee shall be placed on the appropriate step had they not left the position.

B) Part Time Employees

Employees who are not full time will not earn steps in the same manner as the above rules have laid out. The basis of earning steps is predicated upon the employee having fulfilled working as a County employee for the equivalent of a full work year, or 2080 hours. This number includes all holidays to which employees are entitled. Employees who do not work full time must meet the same criteria for earning steps as full-time employees do. In other words, they must work 2080 hours before receiving a step.

16.2 All employees will be paid by direct deposit at the County's option.

16.3 Employees will be paid at a higher rate after ten (10) consecutive working days of working out of class.

16.4 In the event a position is upgraded to a new pay level through reclassification, the

incumbent shall receive a grade increase. In no case may the increase in pay exceed the maximum of the new range. Such reclassification shall not change the anniversary date of the employee involved.

- 16.5 In the event an employee takes a voluntary demotion the employee shall be placed on an equal step or if no step is equal placed on the next step below their current wages. If an employee is eligible for the top step of the new grade the employee shall be placed on the top step. In no case will the employee receive more than the top step of the new grade. In no case shall a demotion result in an increase in wages.

In the event an employee is demoted for disciplinary reasons, the salary of the individual shall be reduced by an amount equivalent to the result which would have occurred had the person been promoted in the same situation (a demotion shall be treated as a reverse promotion and the placement of the individual on the demoted range shall be in the same format and level as through the person had been promoted from that range to the dollar amount from which demoted.)

In the event a position is reclassified downward, Union and Management will meet to discuss the impact on compensation.

- 16.6 Nothing in this agreed upon compensation plan shall restrict the Employer from placing a new employee at any point up to the midpoint of the applicable range except that no person shall be placed above the start in a form which would result in placement above other persons in that classification with substantially equivalent education and experience. This provision shall not apply to current County employees.

- 16.7 To recognize the contribution of employees who have completed one (1) year (two thousand eighty hours per year) of continuous service as of November 30 of each year, the Employer shall provide matching dollars for a deferred compensation program.

Each regular full-time employee shall be eligible to receive a deferred compensation match as outlined in the chart below, with the first payroll in December, except that longevity payments shall be prorated and paid in the event of separation prior to the normal annual payment date. After ten (10) years of full-time employment, employees will be recognized at the appropriate years of service for deferred compensation if they change to part-time status. Part-time employees shall receive deferred compensation based on the prorating formula used in Article 14.2.

Eligibility conditions are as follows:

- 1) Eligibility for the benefit will vest effective with the payroll period following the employee's qualifying anniversary date. The matching payment will be in a lump sum equal to the lesser of the qualifying amount indicated below or the dollars an employee has contributed to the deferred compensation in that calendar year. While an employee could receive less than they were eligible for, in no case could they receive more, regardless of how many dollars the employee had contributed to deferred compensation;

- 2) If an employee is already designating the maximum contribution allowed by the IRS, then no new dollars will be required to receive the County match. The County match will be paid in a lump sum to the employee with the first payroll in December of each year. At the time of distribution the employee's pay will be subject to the applicable legally required deductions for the matching contribution;
- 3) If an employee is unable to contribute to deferred compensation due to the IRS restrictions, the employee shall receive a lump sum payment in the first payroll of December of each year;
- 4) It is the employee's responsibility to determine his/her level of participation in order to comply with all IRS rules and regulations.

Deferred Compensation Match Schedule:

<b>Years of Service</b>	<b>Amount</b>
After 1-4 years	\$250
After 5-9 years	\$1,000
After 10-14 years	\$1,250
After 15-19 years	\$1,500
After 20+ years	\$1,750

16.8 The cost to employees for parking in the County parking facilities (UBC lot, Zapp lot and the ramp) will not increase unless the total cost to the County in 2022 through 2024 increases by more than an additional Fifteen Dollars (\$15.00) per month. Any increase over that limit will be deducted from the pay of employees.

16.9 Employees required by the Employer to use their own automobile to perform regular work functions shall receive mileage allowance. The mileage rate shall follow current IRS regulations.

The extra mileage payment will be deleted. In exchange, all employees in the bargaining unit will receive a \$150 VEBA contribution in January of 2022, 2023 and 2024.

16.10 A signing bonus may be paid to a public health nurse in those situations in which in the sole judgment of the Human Resources Director no acceptable candidates can be found without using a signing bonus approach. The amount of the bonus will also be at the sole discretion of the Human Resources Director. Such bonus would not be available to any previous County employee unless they had been gone from County employment for a minimum of one year. The dollars paid in this manner shall not be regarded as causing a violation of article 16.6.

16.11 The County will pay for required RN licensure renewal.

16.12 The Employer and Union have discovered that from time to time, payroll disbursements

have been in error and that correcting payroll errors is important. The Employer and Union have established a uniform payroll correction procedure to promptly correct any inaccurate payroll distributions.

Each employee will repay the County for any excess payroll disbursement issued to them. The Employee and Employer will mutually agree to a payment plan within sixty (60) calendar days of discovery of such error. If there is not mutual agreement to a payment plan within sixty (60) calendar days, the amount will be payroll deducted on the next payroll. This timeframe may be extended by mutual agreement.

The County will pay each employee any deficient payroll disbursements withheld or due to that employee as part of the payroll disbursements on the next scheduled payroll based on the posted payroll schedule.

**ARTICLE 17 – Safety:**

- 17.1 The Employer and all employees shall cooperate in the enforcement of all applicable regulations for the enforcement of job safety. If an employee feels that his/her work duties or responsibilities require such employee to be in a situation that violates Federal and State safety standards, the matter shall be immediately considered by the Employer. If such matter is not satisfactorily adjusted, it may become the subject of a grievance and will be processed in accordance with the grievance procedure set forth in this Agreement.
- 17.2 First aid kits shall be stocked and placed in designated areas.
- 17.3 All employees who are injured during the course of their employment shall file an accident report with the designated supervisor, regardless of how slight the injury, on forms furnished by the Employer.
- 17.4 In the interest of the work safety of individuals, co-workers, and others, the Employer may require employees to undergo a medical evaluation that will enable the Employer to determine the employee's fitness for performance of his/her duties.
- 17.5 Employees required to have a physical examination as part of their employment shall have such examination paid for, plus be allowed time off for taking such examination.
- 17.6 Employees who fail to follow established safety procedures will be subject to disciplinary action.
- 17.7 Any changes that pertain to testing in the Alcohol and Drug Use policy set forth in the Stearns County Personnel Policy adopted in January 1998, shall be negotiated between the union and the employer.

**ARTICLE 18 - Savings Clause:**

- 18.1 This Agreement is subject to the laws of the United States and of the State of Minnesota. In the event any provision of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provisions shall be voided. All other provisions shall continue in full force and effect. The voided provision may be renegotiated at the written request of either party to this Agreement.

**ARTICLE 19 - Complete Agreement And Waiver Of Bargaining:**

- 19.1 This Agreement shall represent the complete agreement between the Union and the Employer.
- 19.2 The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make requests and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the complete understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

**ARTICLE 20 - Term of Agreement:**

20.1 This Agreement shall be in full force and effect from January 1, 2022 to December 31, 2024 and shall automatically be renewed from year to year, thereafter, unless either party shall notify the other in writing by September 1, 2024 or September 1 prior to any subsequent anniversary date that it desires to modify or terminate this Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed this \_\_\_2nd\_\_\_ day of \_\_\_\_\_ May \_\_\_\_\_, 2022.

### **SENIOR AGENT REQUIREMENTS**

What follows clarifies the process of completing the requirements for becoming a Senior Agent and receiving an advancement to Senior Agent:

1. The agent must be eligible to be advanced to Senior Agent based on the most recent criteria set forth by The Department of Corrections. Upon eligibility, the agent may apply in writing to the Community Corrections Director for consideration for advancement to Senior Corrections Agent.
2. If the agent meets all of those requirements prior to the second anniversary of their being appointed as a Corrections Agent, the advancement and an increase in salary equivalent to the assigned grade of Senior Agent will be effective two months following their second anniversary date. The promotion date to Senior Agent will then become the new anniversary date.
3. To qualify for Senior Agent, a Corrections Agent must meet all the requirements of the Department of Corrections to become a Senior Agent. After two years of service with Stearns County, the employee will receive their normal step increase on their anniversary date. The movement to Senior Agent will occur two months after that anniversary date. The employee will then receive a new anniversary date.

In some cases, an employee who has previous experience may be hired as a Corrections Agent. Time worked as a Corrections Agent at other than Stearns County will count towards the 2 year requirement provided that the service time is in a position as a Corrections Agent (or a similar title involving the same sort of work) which is acceptable to the Department of Corrections.

In order to be considered for movement to Senior Agent, the qualifying time served, plus the time worked in Stearns County must equal a minimum of 2 years AND the employee MUST have completed the initial probation associated with them being hired by Stearns County. If that is the case, the increase in salary and the placement on probation will occur two months after the completion of the required time frame. That will become the employee's new anniversary date.

For example: (and in all of these examples, the employee has qualified to become a Senior Agent):

- an employee has one year of previous experience, and works one year in Stearns County. The employee's anniversary date as a Senior Agent would be 14 months after their hire date;

- an employee has more than 2 years of previous experience, was hired as a Corrections Agent. The employee's new anniversary date as a Senior Agent would be 8 months after their hire date;
- an employee was hired with 8 months of experience. The employee's new anniversary date would be 18 months after their hire date with Stearns County.

### **CRITERIA FOR MOVING FROM A SOCIAL WORKER I TO A SOCIAL WORKER II CLASSIFICATION**

To qualify for classification as a Social Worker II, an individual must be a Social Worker in good standing and must meet one of the following sets of standards:

1. Have a Social Work license and have at least four years of Social Work experience in Stearns County; or
2. Have a Master's degree in Social Work or a related field (i.e. Sociology, Psychology, Counseling, Gerontology) and have at least two years of Social Work experience in Stearns County; or
3. Have at least four years of Social Work experience in Stearns County and have 45 Continuing Education Credits (including credits, which meet Minnesota Board of Social Work criteria).

#### **Process of completing the requirements to become a Social Worker II:**

- The Social Worker must be eligible to be advanced to Social Worker II as set forth in this MOU.
- The Social Worker must submit a request for advancement in writing to the Human Resources Department.
- If the Social Worker is still moving through the salary steps and meets all the requirements to become a Social Worker II, the employee will receive their regular step increase on their anniversary of their appointment as a Social Worker. The employee's advancement to Social Worker II and an additional salary increase approximately equivalent to the assigned grade of Social Worker II will be effective two months following the date of the anniversary as a social worker. The advancement date to Social Worker II will then become the new anniversary date.

On an ongoing basis, a Social Worker I may move to the Social Worker II classification when the necessary documentation is provided to the Human Resources Department.

- To meet #1, the original of a valid Social Work license must be presented to the Human

Resources Department.

- To meet #2, original documentation of a Master's Degree must be presented to the Human Resources Department.
- To meet #3, the individual must provide a list of at least 45 CEUs/Credits obtained, including:
  - the title of the activity;
  - the number of credit hours for the activity;
  - the name of the provider or sponsor of the activity; and
  - the date and location of the course.

The Human Resource Department will require that the list be accompanied by whichever of the following apply:

**For workshops, institutes, conferences, and in-services attended:**

- a copy of a certificate issued to participants by the sponsor;
- a certificate of attendance; or
- an affidavit signed by the instructor that the individual attended the activity.

**For individual presentations or publications by a social worker:**

(Note: a presenter is credited with two CEUs/Credits for every hour of presentation at a conference, workshop, or institute, but credit is given only once regardless of the number of times the course is presented. Up to 10 hours of preparation time may also be credited.)

- a copy of the program for the activity; or
- a notice of publication of materials.

**For academic course work:**

(Note: 1 quarter credit = 10 CEUs/Credits; 1 semester credit = 15 CEUs/Credits)

- an original transcript; or
- a report signed by the instructor of hours attended.

**Procedures for renewing Social Worker II classification:**

- Every two years, employees will need to show that they qualify to continue in the Social Worker II classification.
- Individuals who are classified as Social Worker II and are licensed must present their renewed license to the Human Resources Department upon receipt of that license from the Minnesota Board of Social Work.
- Individuals who are classified as Social Worker II who do not have a qualifying Master's Degree must provide to the Human Resources Department a list of at least 30 CEUs/Credits obtained in the past two years, and the supporting documentation as outlined above.
- Individuals whose qualification as a Social Worker II was based on a Master's Degree do not need to show further documentation every two years.

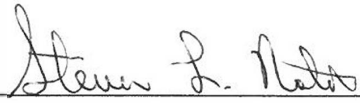

An employee who does not provide the necessary documentation on a timely basis will have their rate of pay frozen until such time as the documentation is provided or the employee falls within the step and pay range of the lower classification and is again eligible for increases. The pay increase which has been delayed based on untimely documentation will be implemented on a

retroactive basis for up to six months (or longer if a good cause can be shown but in no case longer than one (1) year) provided that there is no gap in the time frames which the license covers. For example: the new license has same date it would have had if it had been issued on a timely basis.

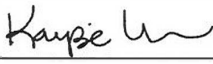

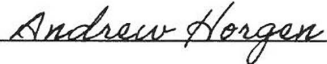

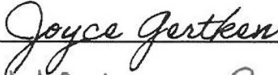

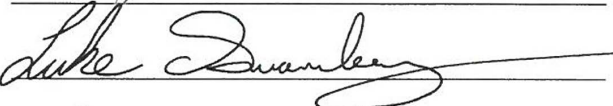

Although the employer intends to continue its practice of authorizing funding and work time for training and staff development, it must be understood that the responsibility for obtaining CEUs/Credits lies solely with the employee.

### **CAREER AGENT REQUIREMENTS**

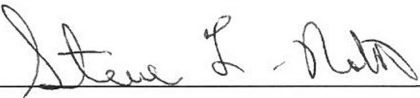

What follows clarifies the process of completing the requirements for becoming a Career Agent and the process of advancing to Career Agent:

1. The agent must be eligible for advancement to Career Agent based on the most recent criteria set forth by the Department of Corrections. These requirements include, but not limited to performance, experience, and training standards. If an agent meets all of those requirements the agent may apply in writing to the Community Corrections Supervisor for consideration for advancement to Career Agent.
2. Additionally, such an advancement is considered to be based on meeting all of the requirements in the Career Agent job description. Any additional expectations, duties and responsibilities are required. "Meets Expectations" performance levels for a substantial period of time will be required for consideration for advancement to this level.
3. The Community Corrections Director will forward to Human Resources documentation affirming the employee is eligible and is recommended to be advanced to Career Agent.
4. Human Resources will make the advancement effective upon the date of the Commissioner's signature.
5. The employee will receive a step increase on their anniversary date, if eligible, following normal procedures. Upon the date listed in #4 above, the employee will be placed in the Career Agent salary range. The employee will receive an increase in salary of at least 6% for this advancement.
6. In some cases, an employee who has previous experience may be hired as an Agent. Time worked as an Agent with other than Stearns County will count towards the 8 year requirement, provided that the service time is in a position as a Corrections Agent (or a similar title and involving the same sort of work) which is acceptable to the Community Corrections Director and the Department of Corrections.

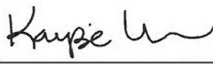

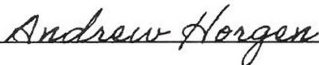

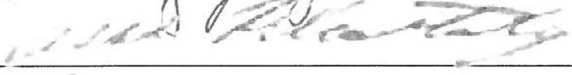

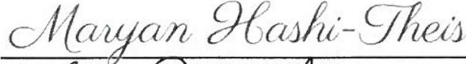

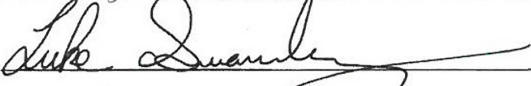

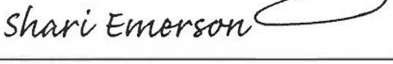

7. In order to be considered for advancement to Career Agent, the qualifying time served, plus the time worked in Stearns County must equal 8 years and the employee MUST have completed their initial probationary period as long as the employee's previous experience was in jurisdictions following DOC criteria. If that is not the case, the employee must serve 2 years as a Senior Agent within the County before being eligible for advancement. If that is the case, the increase in salary and placement on probation in the new classification will occur at the date listed under #4 above. That will become the employee's new anniversary date.

### **SOCIAL WORKER ON CALL**

This Memorandum of Agreement is entered into between the County of Stearns (hereafter “County”) and AFSCME and MNA (hereafter collectively referred to the “Union”).

**WHEREAS**, the County and the Union are parties to a Labor Agreement in effect January 1, 2022 to December 31, 2024; and

**WHEREAS**, the staff providing “on-call” services for Stearns County Human Services for the social services programs are social worker positions within the Family and Children Services Division. They provide services predominantly by telephone after normal working hours. Calls are received through the Sheriff’s Department. The most frequent situations involve: child maltreatment reports, requests from law enforcement for out of home placement, adult protection/vulnerable adult reports, assisting persons who are in need of shelter, addressing crisis needs of children and adults under the care and/or custody of Human Services, and requests for services or information.

The Social Workers providing on-call services rotate the on-call duties weekly.

Part-time employees do not report into the office as the “job assignment” for the week is to provide on-call services. During a full-time employee’s on-call week, the employee reports for normal working hours for 16 hours during normal working hours and is compensated for 24 hours for the “job assignment” of on-call services during the week.

When not providing on-call services, the staff work the equivalent of their regularly scheduled hours while performing job duties within the Family and Children Services Division.

**NOW, THEREFORE**, for a week of “on-call” services, Social Workers shall be compensated 24 hours of regular pay to be available and respond to all calls on non-business hours.

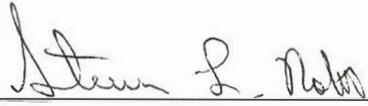

Social Workers who are required to be on-call on a holiday shall receive pro-rated holiday compensation as appropriate and one hour of additional compensation.

IN WITNESS WHEREOF, the parties have executed this Memorandum of Agreement on

**2022 ADVANCED PAID TIME OFF (PTO) CONSIDERATION**

This Memorandum of Agreement is entered into between the County of Stearns (hereafter “County”) and AFSCME and MNA (hereafter collectively referred to the “Union”).

**WHEREAS**, the County and the Union are parties to a Labor Agreement in effect January 1, 2022 to December 31, 2024; and

**WHEREAS**, in response to the continued community spread of coronavirus, COVID-19, Stearns County has declared a local emergency. The parties believe in the importance of a healthy workplace and wellness and wants to work together with employees to ensure essential functions are operational, services can be provided, and employees are supported.

**NOW, THEREFORE**, the parties hereby agree to the following:

1. In the event qualifying federal leave programs are not available to an employee, the County may provide PTO advancement for qualifying employees due to COVID-19 circumstances upon request. To be eligible, an employee:
  - must have exhausted all accumulated leave banks; *and*
  - has not already received the maximum PTO accrual advance allowed under this program; *and*

3. In the event the employee exhausts all of the PTO advancement and separates from Stearns County prior to the last payroll of December 2022, the County will deduct the value of the remaining hours (number of hours owed times the employee’s hourly rate of pay at separation) from the employee’s last paycheck.
4. This Memorandum of Agreement will sunset on December 31, 2022.

This Memorandum of Agreement shall not operate as a waiver of any County or Union rights. This Memorandum of Agreement may not be introduced in evidence or otherwise used to support or set precedent in any future grievance, contractual or other bargaining dispute except to enforce the specific provisions of this Agreement.
