ARTICLE 6. GRIEVANCE AND ARBITRATION PROCEDURE

6.1 Definition of a Grievance. A grievance is defined as a dispute or disagreement as to the interpretation or application of the terms and conditions of this Agreement.

6.2 Processing of a Grievance. It is recognized and accepted by the Union and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the Union steward and/or Union representative and grievant employee and shall therefore be accomplished during normal working hours only when consistent with such employee duties and responsibilities. The aggrieved employee and the Union steward representative shall be allowed a reasonable amount of time, for the investigation or presentation of grievances during normal working hours provided the aggrieved employee and the steward have previously notified and received approval from their designated supervisor.

6.3 Procedure. Grievances, as defined by Section 1, shall be resolved in conformance with the following procedure:

Step 1. An employee and/or the union steward/representative claiming a violation concerning the interpretation or application of this Agreement shall, within fifteen (15) working days after the first occurrence of the event constituting such alleged violation, or knowledge of the occurrence through the use of reasonable diligence, sign and present such grievance in writing to the Employer-designated Step 1 representative -- immediate supervisor or manager if the supervisor is not available. The Employer-designated Step 1 representative -- supervisor or manager -- will discuss the matter with the employee, and steward if the employee elects the steward's presence, and give an answer to such Step 1 grievance within ten (10) working days after receipt.

A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, and the remedy requested; shall be signed by the grievant; and shall be appealed to Step 2 within ten (10) working days after the Employer-designated representative's final answer in Step 1. Any grievance not appealed in writing to Step 2 by the Union within ten (10) working days shall be considered waived.

Step 2. If appealed to Step 2, the written grievance shall be presented by the Union and discussed with the Executive Director or designee. The Executive Director or designee shall give the Union representative the Employer's Step 2 answer in writing within ten (10) working days after the Step 2 grievance meeting.

A grievance not resolved in Step 2 may be appealed to Step 3 within ten (10) working days following the final Step 2 answer. Any grievance not appealed in writing to Step 3 or Step 4 by the Union within ten (10) working days shall be considered waived, unless both parties mutually agree to an extension of time.

Grievances relating to a suspension or discharge may be initiated by the Union at Step 2 of the grievance procedure.

Step 3. If not resolved at Step 2, either party may seek the assistance of the Bureau of Mediation Services in an attempt to resolve the grievance prior to going to Step 4.

Step 4. Arbitration - If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to arbitration within ten (10) working days after the employee and Union's receipt of the Employer's written answer in Step 2 or the date of mediation if Step 3 is utilized or from the date the Mediator stated the mediation process is concluded.

The selection of the arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances" as established by the Bureau of Mediation Services. The arbitrator shall notify the Union representative and the Employer of his/her decision within thirty (30) calendar days following close of the hearing or submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

The arbitrator shall not have the right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted, in writing, by the Employer and the Union, and shall have no authority to make a decision on any other issue(s) not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way, the application of laws, rules or regulations having the force and effect of law. The decision shall be binding upon both the Employer and the Union and shall be based solely upon the express terms of this Agreement and on the facts of the grievance presented.

6.4 Time Limits and Waiver: If a grievance is not presented within the time limits set forth above, it shall be considered "waived." If a grievance is not appealed to the next step within the specified time limit or by any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Union in each step.

6.5 If, as a result of the Employer response in Step 2, the grievance involves the suspension, demotion or discharge of an employee who has completed the required orientation period, the grievance may be appealed to either Step 4 of Article 6 or a procedure such as Civil Service, Veteran's Preference, or Fair Employment. If appealed to any procedure other than Step 4 of Article 6, the grievance

is not subject to the arbitration procedure as provided in Step 4 of Article 6. The aggrieved employee shall indicate in writing which procedure is to be utilized – Step 4 of Article 6 or another appeal procedure – and shall sign a statement to the effect that the choice of any one procedure precludes the aggrieved employee from making an additional appeal through any other procedure.

The election set forth shall not apply to claims subject to the jurisdiction of the United States Equal Opportunity Commission.

7.1 All newly hired or rehired employees will serve a twelve (12) month probation period. The probation period may be extended up to an additional three (3) months at the discretion of

- a. Any emergency, temporary and initial probationary employees in the applicable classification shall precede regular employees in layoff.
 - b. No new employee shall be hired in a work classification where there are employees on layoff status in that classification, until laid-off employees in that classification have been recalled to work.

MEMORANDUM OF AGREEMENT

REGARDING

JOB RECLASSIFICATION AND PLACEMENT ON WAGE GRID

This Memorandum of Agreement is entered into between MN Prairie County Alliance (hereafter "Employer") and the American Federation of State, County, and Municipal Employees (AFSCME) Local 1665 (hereafter "Union");

WHEREAS, the Employer and the Union are parties to a Collective Bargaining Agreement; and

WHEREAS, the Employer completed a Job Classification study in 2014; and

WHEREAS, the Employer committed to a process to maintain that Job Classification system by doing regular evaluations to review and update Job descriptions in a uniform manner on June 1, 2015; and

WHEREAS, any changes to wage rates are a term and condition of employment that must be negotiated; and

WHEREAS, the Union and the Employer want a mutually agreeable consistent process for implementing any Job Classification changes.

NOW THEREFORE IT IS HEREBY AGREED TO AS FOLLOWS:

If a change in job classification grade as a result of this regular evaluation is recommended and adopted by the joint powers board, the change shall be effective at the beginning of the first full pay period on or after December 1 of the same calendar year.

Wage placement upon classification grade change.

When an employee's job classification grade changes as a result of a regular evaluation of the position or evaluation upon significant change:

- If the classification grade increases, the employee shall be placed in the lowest step in the new grade wage range that results in a minimum of a 3% increase.
- If the classification grade decreases, the employee's wage shall be frozen until they are eligible for a COLA or step increase, whichever occurs first. The affected employee will not have a decrease in wages as a result of their classification grade being decreased. If the employees' current wage exceeds that of the grade maximum the employee's wage shall be frozen until such time as the new grade's wage range exceeds the employee's wage and the employee shall then begin moving with the grade as the maximum wage increases.
- Employees shall be eligible for any negotiated COLA or general wage increases negotiated as long as their pay does not exceed the new current grades maximum wage rate.

This MOU shall remain in full force or effect, effective the date of signature below unless or until the parties mutually agree to renegotiate the terms of the Agreement.

IN WITNESS HEREOF, the parties hereto have made this MOA on the latest date affixed to the signatures below.
