The normal hours of work shall be eight (8) hours per day and eighty (80) hours in a 14-day period. All hours worked in excess of eight (8) hours per day and eighty (80) hours in a 14-day period shall be compensated for at the rate of time and one-half. Overtime payments shall not be duplicated for hours worked in excess of eight (8) in a regular work day and in excess of eighty (80) in a 14-day period.

Section 2

THE HOSPITAL and an individual employee may agree upon a pattern of work schedules providing for work in excess of eight (8) hours per day. Work schedules established pursuant to the provisions of this Section shall be subject to the following conditions:

- 2.1 The basic work period shall be forty (40) hours per week. An employee shall be paid time and one-half (1-1/2) for work in excess of forty (40) hours per week rather than the overtime provisions set forth in Article 5, Section 1. Further, even though the total hours worked during a week may not exceed forty (40), an employee working in excess of her or his scheduled work day shall be paid at the rate of time and one-half (1-1/2) for all excess time so worked.
- 2.2 THE HOSPITAL or an employee under this Section may revoke such election by giving written notice of at least four (4) weeks prior to the effective date of THE HOSPITAL's next posted schedule of work hours. Provided, however, that in no event shall more than six (6) weeks' notice of revocation be required. If a flexible schedule is revoked, the employee will be offered a regular schedule with the same number of hours.

Section 3

All employees will receive a thirty (30) minute unpaid meal break each shift of at least 6 hours. A fifteen (15) minute paid rest period shall be provided for every four (4) hours worked at times designated by their immediate supervisor, except for emergencies where patient demands do not permit the scheduling of such breaks. No employee may leave work before the end of her/his shift in lieu of rest periods.

Section 4

Work schedules will be posted at least one (1) week prior to the effective date thereof. Changes to the posted schedule will be made by mutual agreement between the employee and employer.

Section 5

The work schedules for full-time employees and regular part-time employees shall provide for two (2) weekends (Saturday and Sunday) off in each four (4) week period. Weekends may be scheduled on a Sunday/Monday basis with mutual agreement between employee and hospital. Full-time employees shall also have another two days off during such 14-day period which may be either consecutive or non-consecutive at the discretion of THE HOSPITAL.

No employee shall be scheduled to work more than seven (7) consecutive days, except in an emergency. An employee working more than seven (7) consecutive days shall be compensated at time and one-half rates for all days worked in excess of seven (7) unless such excess days are worked at the employee's request. There will be no pyramiding of overtime/premium pay. Normally, there shall be at least ten (10) hours between assigned shifts (days, evenings or nights), except on days prior to scheduled days off. Exceptions to the foregoing schedule may be made by mutual agreement.

Section 6

There shall be no split shifts except in an emergency or by mutual agreement between THE HOSPITAL and the employee.

Section 7

In all instances, THE EMPLOYER shall have the right to determine whether or not overtime is worked. Scheduled overtime (defined as overtime which THE EMPLOYER can reasonably anticipate at least twenty-four (24) hours in advance) shall be offered to qualified employees in the job classification in order of seniority. If the qualified employees with higher seniority decline the work, the least senior qualified employee(s) in the job classification must accept the overtime. When an employee is working on a specific task which is not to be completed by the end of her/his shift and THE EMPLOYER determines that the task should be completed on an overtime basis, the employee shall be assigned to do the overtime work. For such other overtime need that extends beyond a shift's conclusion, THE EMPLOYER shall, to the extent practical, offer the overtime to the other qualified employees in the job classification who are working on that shift, in seniority order. If the qualified employees with higher seniority decline the work, the least senior qualified employee in the job classification must accept the overtime.

When an employee is called to work on a scheduled day off, she/he shall not be required to take another day off from regular assigned work days during that pay period to avoid the payment of overtime.

Section 8

When a full-time or a regular part-time employee reports for work in accordance with the schedule without having been previously notified not to report, she/he shall receive a minimum of two (2) hours work or two (2) hours pay in lieu thereof, unless a reasonable attempt has been made by THE EMPLOYER to notify the employee at her/his place of residence at least one (1) hour in advance of her/his regular start time.

If unable to present for an assigned shift, the employee will call into the appropriate designation at least ninety (90) minutes before the starting time of any assigned day shift and two (2) hours before the starting time of any assigned evening or night shift.

Section 9

Subject to the above, mandatory low need days/hours shall be assigned in reverse order of seniority within each job classification beginning with the least senior employee and continuing until all employees in that class have been assigned their equitable share of mandatory low need days/hours.

All new employees shall start at the minimum salary for their classification as listed above and shall be granted the appropriate increment at the end of each period until the maximum is reached. Provided, however, that THE HOSPITAL may grant direct experience credit to a new hire. New employees may be given experience credit for the purpose of advanced placement on the salary scale. Upon request from the Union's Business Agent, THE HOSPITAL agrees to confirm the experience credit given and the rationale used in making the decision. Present employees shall be credited with past service in placement on the salary schedule. An employee who terminates employment and then returns to hospital employment within one year retains her/his previous incremental level of pay if rehired in the same job classification.

An employee temporarily assigned to a higher classification for four or more consecutive hours shall be compensated at the rate of pay for that classification.

The salary of an employee who is transferred from one position to another position may not be changed if such position is in the same salary grade.

The wage rate of an employee who is promoted to a higher classification shall be increased to the lowest rate of pay for the new classification that results in the employee receiving a minimum of a 3% increase above the rate the employee was receiving before promotion. The employee will qualify for additional step increases in the new position according to the length of service in the new class.

LEAD PAY: Lead registration clerk and lead housekeeping attendant classifications shall be paid a minimum of \$1.50 per hour above the existing rate for their respective category. Should THE

HOSPITAL and THE UNION agree to additional lead person positions beyond the afore-mentioned positions already incorporated in the salary schedule, said new lead person positions shall be paid a minimum of \$1.50 per hour above the existing rate for their respective category. Any employee serving in a lead capacity as designated by THE EMPLOYER for any shift(s) shall be paid the lead differential for those hours when the employee is working in the lead role. Lead differential is not paid for any paid time off, disability time, or any other hours when the employee is not working as a lead at THE EMPLOYER's direction.

ROTATING SHIFT DIFFERENTIAL: A shift differential of \$1.50 per hour shall be paid all employees for the evening shift and \$1.90 per hour for the night shift. Shift differentials are paid based on the shift in which the majority of hours are worked. Evening shifts are those beginning on or after 3:00 p.m. Night shifts are those beginning on or after 11:00 p.m.

ARTICLE 21
TUITION REIMBURSEMENT

Bargaining unit employees shall be covered by THE EMPLOYER's Tuition Reimbursement Program on the same terms, conditions and eligibility as are available to non-contract, non-managerial employees within MCHS Mankato.

ARTICLE 22
PENSION PROGRAM

MAYO CLINIC HEALTH SYSTEM shall provide benefits of existing pension plans to eligible employees, pursuant to the terms and conditions of such plan. MAYO CLINIC HEALTH SYSTEM shall have the discretion to amend the plan.

ARTICLE 23

There shall be no strikes or lockouts of any kind whatsoever during the term of this Agreement. The prohibition against strikes and lockouts shall be absolute and shall apply regardless of whether a dispute is subject to arbitration under the Grievance Arbitration provisions of Article 16.

ARTICLE 24
JOB CLASSIFICATION REVIEW

THE UNION may submit a job classification for review if there has been a significant change in the duties and responsibilities of the job. Written notice shall be given to THE HOSPITAL ninety (90) days prior to the termination of the contract of the job(s) to be reviewed. The review shall be made by a Review Panel consisting of three persons designated by THE UNION and three by THE HOSPITAL. The Panel shall attempt to make recommendations for use by both parties in negotiations for a successor contract.

ARTICLE 25
EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

Mayo Clinic Health System Mankato and THE UNION agree not to discriminate against or harass any employee or applicant for employment because of race, color, creed, religion, national origin, sex, disability, age, marital status, sexual orientation, status with regard to public assistance, or any other classification protected by state or federal law or local ordinance.

Such employment practices include, but are not limited to, the following: hiring, upgrading, demotion, transfer, recruitment or recruitment advertising, selection, layoff, disciplinary action, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

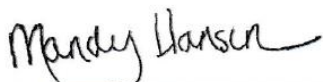

ARTICLE 26
DURATION OF AGREEMENT

Except as otherwise provided herein, the terms and provisions of this Agreement shall become effective as of the 1st day of September 2020, and shall continue in full force and effect until August 31, 2023, and thereafter from year to year, unless either party shall give written notice to the other party ninety (90) days before the expiration date of its desire to terminate or amend said Agreement.
