AGREEMENT

This Agreement, dated November 11, 2020, entered into by and between the Northern Pines Medical Center, AURORA, MINNESOTA, hereinafter referred to as the EMPLOYER, and LOCAL UNION NO. 2780 of the AMERICAN FEDERATION OF STATE, COUNTY AND MUNICIPAL EMPLOYEES, affiliated with the American Federation of Labor and the Congress of Industrial Organization, hereinafter referred to as the UNION.

ARTICLE I **INTENT AND PURPOSE**

The purpose of this Agreement is to (a) promote and insure harmonious relations, cooperation and understanding between the Employer and its employees; (b) to encourage economy of operation and the protection of property; (c) to establish standard hours of work, rates of pay, and working conditions; and to these ends, the Employer pledges its employees considerate and courteous treatment, and the employees, directly and through their agent (the Union) pledge the Employer loyal and efficient service.

ARTICLE II **RECOGNITION**

Section A.

The Employer recognizes the Union as the exclusive representative for collective bargaining purposes of the employees of Northern Pines Medical Center, Aurora, Minnesota, in the unit composed of all casual, regular part-time and full-time employees, excluding office employees, laboratory and x-ray technicians, registered nurses, administrators and supervisor, as per certification of bargaining agency by the State of Minnesota, Bureau of Mediation Services, dated April 23, 1974.

ARTICLE III **CHECK-OFF**

It shall be a condition of employment that all employees of the Employer who are members of the Union on the effective date of this Agreement shall remain members and those who are not members on the effective date of this Agreement shall, after thirty (30) days of employment, become and remain members of the Union, or otherwise tender, to the Union, a core member fee. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its effective date shall, on completion of thirty days of employment, become and remain members of the Union, or otherwise tender, to the Union, a core member fee. Same shall be provided in accordance with the following.

It shall be understood that only upon the Employer receiving a signed authorized payroll deduction card or written authorization signed by the individual employee, the Employer shall deduct the appropriate amount of Union dues, or core member fee, as determined by the formula from the employee's base wage each pay period, and submit same to Minnesota Council 65, (118 Central Ave, Nashwauk, MN 55769) AFSCME, together with the listing of names of the employees from whose pay deductions were made, hours of work, and salary rate.

The parties recognize that an employee may choose to not sign or may properly revoke a check-off authorization which authorizes the Employer to deduct the equivalent of dues or core member fees from the employee's wages. In the event an employee does not have a valid check-off authorization in effect, it is the employee's responsibility to remit Union dues (or core member fees if the employee chooses to not become or remain a Union member) directly to AFSCME Council 65.

The Employer may only terminate deductions from the employee's wages upon the employee giving the Employer and the Union written notice of revocation of the check-off authorization pursuant to the terms of the check-off authorization. At that time, the Employer will discontinue further deductions.

Those employees opting not to become or remain Union members and who do not have a valid check-off authorization for the equivalent of Union dues in effect shall be assessed a core member fee as established and assessed by the Union, same not to exceed 100% of the assessed Union dues.

The Employer agrees to provide the Union with the name, address, hourly wage rate, hours of work and FTE, and other relevant information as is requested by the Union to assess required dues or fees and notify the employees of same. Such information shall be provided by the Employer to the Union on a monthly basis, in an electronic format, preferably Excel, along with the payment of the dues to Council 65.

The exclusive representative hereby warrants and covenants that it will indemnify and hold harmless the Employer from any liability or claim which any employee may have or claim to have arising out of or by reason of the deduction of the Union membership dues or core membership fee assessment specified by the exclusive representative as provided herein.

PEOPLE Deduction

The employer agrees to deduct from the wages of any employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the Employer and the Union. The Employer agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

ARTICLE IV
HOURS OF WORK

Section A.

The normal hours of work shall be a maximum of eight (8) hours per day and eighty (80) hours in a fourteen-day period. All hours worked in excess of eight (8) per day, or in excess of eight (8) consecutive hours or in excess of eighty (80) hours in a fourteen-day period shall be compensated for at the rate of time and one-half (1-1/2) providing such hours shall have been approved in advance by the employee's supervisor. There shall be no pyramiding of overtime and to the extent those hours are compensated at overtime rates, they shall not be counted as hours worked in computing overtime under the same or any other overtime provision. The normal work schedule shall not be construed as a guarantee of hours of work per day or per week.

Incidental Overtime

Incidental overtime shall be paid to the employee at fifteen (15) minute increments:

0 - 7 minutes	0 minutes
8 - 22 minutes	15 minutes
23- 37 minutes	30 minutes
38 - 52 minutes	45 minutes

All employees are to punch out immediately upon leaving their work area.

Section B. Shift times

The day shift shall be all shifts beginning between 5:00a.m. and 9:00a.m. The afternoon shift shall be all shifts starting between 11:00 a.m. and 5:00 p.m. The night shift shall be all shifts starting between 10:00 p.m. and 1:00 a.m. The night shift shall be the first shift of the workday. The shifts for the afternoon cook and aide will be 10:30 a.m. to 7:00 p.m.

Section C. Mealtimes and Rest Periods

All employees scheduled for eight (8) hours shall receive one (1) unpaid lunch break of one-half (1/2) hour or one (1) hour depending on department need, and two (2) paid fifteen (15) minute rest periods in each eight-hour shift at times designated by their immediate supervisor, except in an emergency work load in his/her department. All employees scheduled for a shift less than eight (8) hours but at least six (6) hours shall receive one (1) unpaid half (1/2) hour lunch break and one (1) paid fifteen (15) minute rest break. Management and the employee may mutually agree to waive the unpaid lunch break for six (6) hour shifts. All employees scheduled for a shift less than six (6) hours but at least four hours shall receive one (1) paid fifteen (15) minute rest break. In the event an employee is unable to take break(s) at the designated time, the break period shall be designated at an alternate time during the shift if possible.

Actual time for which a shift is scheduled (punch in to punch out) may exceed the hours compensated because employees are afforded time off from work because of lunch and rest or coffee breaks without "punching out" on their timecards. As an example: Employee A is scheduled 7:00 a.m. to 3:30 p.m. yet receives eight (8) hours pay. Employee A would normally, banning emergency workload in her/his department, have had time off for an unpaid lunch (1/2 hour) and two paid fifteen-minute rest breaks.

Employee B is scheduled 2:30p.m. to 9:00 p.m. yet receives six (6) hours pay. Employee B would normally, banning emergency workload in her/his department, have had time off for the unpaid lunch break (1/2 hour) and one paid fifteen-minute rest break.

Section D. Scheduling

Posting Schedules: Work schedules for a period beginning on Monday will be posted not later than the previous Wednesday, except in an emergency workload in his/her department. Management shall give advance verbal notice to an employee involved in a change in the schedule. Schedule shall be complete before posting whenever possible. Employees wanting special days off must put in their request at least three (3) days in advance of the posting of the schedule; provided, however, in the event of an emergency, such three (3) day requirement may be waived by mutual agreement between the Employer and employee.

Self-Scheduling: The parties agree that employees in all departments may utilize self-scheduling if a majority of employees in such departments elect self-scheduling. Departments electing to self-schedule

must do so in accordance with their department 's self-scheduling guidelines.

Section E. Call In/Call Off Pay

Call-In: When an employee is called in to work at a time other than his/her regular scheduled shift, he/she shall receive a minimum of four (4) hours pay at straight time rates.

Call-Off: If it is necessary to cancel an employee's regularly scheduled shift, management will make a reasonable attempt to provide the employee so affected with a minimum of four (4) hours' notice. When an employee reports for work in accordance with the schedule, without having been notified not to report and is subsequently sent home, he/she shall receive a minimum of four (4) hours work or four (4) hours pay in lieu thereof.

Section F. On Call Status

Mandated: No employee shall be required to be on call until such time that the Employer and the Union negotiate the terms of the employee's on-call status.

Voluntary: LPNs working in the Med Surg Department may choose to be on-call instead of having to take a force or work a double if approved by the Med Surg Supervisor. On-Call pay shall be the same hourly rate as minimum wage. Employees on-call will be expected to have a phone number where they are immediately available to take the call. The employee must report to the hospital within 30 minutes when needed.

Section G. Working Two Consecutive Weekends

When an employee is required to work on two consecutive weekends, he/she shall be compensated at time and one-half (1-1/2) rates for the second consecutive Saturday or Sunday. A Saturday or Sunday for which time and one-half has been paid shall be considered the same as a Saturday or Sunday not worked for calculating consecutive Sundays.

Section H. Split Shifts

There shall be no split shifts except in an emergency, or when specifically agreed upon between the Employer and the employee. Employees may mutually agree to divide and share extra shifts and/or overtime shifts, provided such exchange or sharing of shifts does not create overtime.

Section I. Extra Shifts and Overtime

The offering of other than scheduled work or overtime work in each classification shall be rotated as equitably as possible among the employees in such classification, except in the case of emergency work. For the purpose of this Section, the word "overtime" refers to extra shifts or works over 8 or 80 hours. If an employee, for whatever reason, refuses overtime work when offered, he shall not be contacted again until overtime has been offered to the remaining employees in such classification. When an overtime opportunity arises, employees will be offered such overtime in order of their seniority for the first such opportunity, and at the next overtime opportunity, the offer will be made starting on the seniority lists where the contacts for the last previous overtime opportunity ended. If overtime is needed and no one volunteers to work such overtime, the Employer will follow the process for mandating or forcing an employee to work a shift, as specified below. Departments will keep a schedule of overtime which may be viewed by employees of the department and said list shall be available for the Union upon request. The Employer shall follow the above process of offering overtime prior to offering overtime to non-bargaining unit employees.

Mandate/Force Process

The following process shall govern the mandate/force procedure for shifts that occur on the day of the request:

- 1) The mandate/force shall start with the least senior employee who has the least number of mandated shifts or forces. (New employees will be put on the force list with the same minimum as the current employee with least amount of forces)
- 2) An employee who volunteers to come in, shall be exempt from being mandated to work another shifts that same day.
- 3) If an employee is going to be mandated/forced to work a shift, and another employee volunteers to work, the shift will count as a mandated shift or force for the volunteer.

Replacement Call-In

When necessary to call a replacement for a scheduled shift, the call-in procedure shall be as follows:

1. Record information on the sequence rotation list.
2. Before beginning rotation, offer the shift to an employee who was cancelled for the same shift or a shift on the same calendar day (remember, 11-7 is the first shift of each the calendar day). If more than one employee was cancelled, offer the shift to the most senior employee of the appropriate classification.
3. Then begin rotation below the last recorded employee. Call all those part-time employees with an open shift.
4. Continue in rotation of seniority beginning after last employee called and offer the shift to the full-time employees with a day off who are not scheduled for 80 hours per schedule (7-1:30, 3-9, etc., full-time employees).
5. Continuing in rotation of seniority from that point, it becomes overtime and must be offered to each employee not scheduled for the shift needed.

An employee who is called in as a replacement shall be first notified if he/she is being called for a shift less than eight (8) hours and said employee shall then receive no less than four (4) hours pay. Unless it prevents us from meeting the needs of our patients, Management will endeavor to assign an employee called in as a replacement, to work the vacancy for which he/she was called.

Employees shall not be called for extra shifts or replacement call-in who:

- #1 - Have called in sick or are on a leave of absence
- #2 - Employees on vacation shall have an option to accept call-in and shall not suffer discipline for refusal. Such employee shall be granted vacation at another time or have the option to be compensated for same in lieu of such time off.

Section K. Exchanging and Forfeiting Shifts

The parties agree that in the event that all employees in the affected department refuse an opportunity to work a shift either at straight time or overtime, their supervisor reserves the right to allow the employees an opportunity to voluntarily exchange shifts or voluntarily split shifts. However, no shift exchange or split shift shall result in overtime (including but not limited to 16-hour shifts, back-to-back shifts, or doubles) unless approved by the employee's supervisor or designee.

The parties agree that four (4) exchanges may be made after the schedule is posted, provided that:

- a. There will not be more than four (4) exchanges per employee per quarter (January-March; April-June; July-September; October-December).
- b. The employee will find their own replacement. Exchanges must be done so as not to incur overtime for either party.
- c. The proper exchange form must be completed and submitted to management for approval. When forfeiting a shift, the exchange form must be signed by both employees.
- d. Employees will be allowed one (1) weekend occurrence to be forfeited per quarter. An "occurrence" shall be defined as Saturday or Sunday (individual days) or consecutive Saturday and Sunday (the entire weekend). Non-consecutive Saturday and Sunday will not be allowed. A weekend occurrence shall be counted as one (1) exchange.
- e. Weekend forfeiting may be done only AFTER the schedule has been posted. Forfeited shifts must be called in rotation to include all employees that are off on that day. Accepting employee understands that they are forfeiting premium pay.
- f. Exchange forms will not be required for a same day exchange but remain subject to written approval by the supervisor on the revised form.

Section L. FTE Creep

A regularly scheduled part-time employee who is scheduled for or consistently works additional shifts beyond those in her/his confirmed work agreement, may after six (6) months, request the average number of additional shifts worked in the preceding six (6) months to be added to her/his confirmed work agreement.

The Employer will consider, but not limited to the following factors:

- A. Whether the employee was filling in for a posted vacant position.
- B. Whether the employee was filling a temporary position, including any consecutive leaves of absence.

An employee shall have the right to challenge through the grievance procedure any perceived discrepancy between his/her regular schedules and his/her FTE.

This language shall be effective November 1, 2012.

Section M. Restorative Care Hours and Scheduling

The Restorative Care positions (COTA, CNA or LPN) will follow all language in the above referenced contract with the following exceptions:

1. The hours shall be as assigned by the DON, with flexibility allowed with DON's approval.
2. They will not work holidays.
3. They will only be replaced by another Restorative Care staff. If a Restorative Care staff member is not available, the Employer may use other staff to meet patient needs.
4. Each Restorative Care staff member will be scheduled to work alternating weekends or as deemed necessary by the DON.

ARTICLE V
DEFINITIONS

Section A. Full-time Employee

A full-time employee is an employee regularly scheduled to work forty (40) hours during a work week or eighty (80) hours in a pay period.

All full-time employees shall be scheduled the minimum hours required to be considered full-time in their departments, as defined in this section, prior to any employee by department being scheduled in excess of the defined minimum hours.

Section B. Part-Time Employee

Part-time employees are those employees routinely scheduled to work a minimum of forty (40) hours but less than eighty (80) hours per pay period. Part-time employees shall be scheduled their minimum hours before casual or temporary employees are called to work.

Section C. Casual Employee

Casual employees are those employees who are not regularly scheduled, work irregularly or occasionally as needed, and work less than 20 hours per week. A casual employee must be available to work two (2) shifts per month, including one weekend shift. Casual employees are not eligible for benefits under the provisions of this Agreement unless specifically stated otherwise. Casuals are entitled to seniority benefits and Holiday pay for hours worked on the Holiday. Casuals are bargaining unit members effective upon ratification. Casual work rules will follow all other work rules as outlined in this Contract. Casuals cannot be forced on the schedule for extra shifts; however, they can be mandated to stay for a double.

Section D. Temporary Employee

Temporary employees fall outside the scope of this labor Agreement and therefore they do not accrue seniority or other benefits (this does not include bargaining unit members in temporary positions). They are hired to work for a limited duration, not to exceed ninety (90) days unless by mutual agreement between the Employer and the Union. They may be terminated at the end of the designated hiring period

without just cause, and they shall not have access to the grievance and arbitration provisions of this Agreement. This includes student hired to work during their school breaks or during school vacations. If a temporary employee becomes regularly employed at NPMC, his/her seniority hours will begin upon the initial date of regular employment.

Section E.

An employee who elects to receive Social Security benefits, but continues to work, must fulfill all obligations of his/her employment at whatever status he/she is employed.

Section F. Students

Students (Defined as high school students or full-time college students with 12 or more credits) may be employed throughout the school year under certain conditions. They may be scheduled for no more than their current FTE unless mutually agreed to. A student may voluntarily pick up a total of four (4) additional shifts per pay period, including overtime shifts. The high school students will be scheduled for shifts between the hours of 4:00 p.m. and 9:00 p.m. Monday- Thursday and full days, afternoons and night shifts, on the weekend. High School Students will be exempt from working mandated shifts, overtime or otherwise. College students can be mandated during the weekend shifts (starting Friday and ending Sunday afternoon). If the student agrees, he or she may be scheduled for full shifts throughout the week. Students will be required to work every other weekend, at a minimum.

Section G. Regular Scheduled Weekend Shift

The Saturday or Sunday shift the employee is scheduled to work. This does not include any "extra" weekend shift the employee elected to work.

Section H. Vacant Shifts

Those shifts that are open after all other employees have been scheduled a weekend shift (Saturday and Sunday).

Section I. Alternative Weekend Shift

A Saturday or Sunday shift which is scheduled in such a way as to not incur overtime pay. This can generally only be done by scheduling the makeup shift on the employee's regular weekend off. In the case of the full-time employees that are regularly scheduled 80 hours per pay period, an additional day off during the week must be scheduled off to prevent the occurrence of overtime pay. The alternative weekend shift may not always be of equal value to the shift lost, for example: An employee may be required to work a 6 hour shift as their alternative weekend shift and schedule themselves off one of their regular 8 hour shifts, however, the employee may seek an exchange of the weekend shift with another employee, in order to maintain hours equal to those given up, providing the respective employees have the qualifications to perform the work. It is understood that the alternative weekend shift scheduling must be done prior to the posting of the schedule.

Fails to report for work - Not completing a scheduled shift

(Includes leaving early for illness, Personal reasons, etc.) If the employee elects to go home, the employee will be required to submit an acceptable physician excuse or schedule themselves an alternative weekend shift. If the employee is directed to leave by the RN or ER on-call physician, it will be considered an approved leave and the employee shall not be required to schedule an alternative weekend.

Disciplinary Actions

An employee that does not schedule themselves for an alternative weekend within the following 6-week period will be subject to disciplinary action providing there was an open weekend shift available at any time during that 6- w e e k time frame. In the case where the only vacant shift occurs during the employee's scheduled vacation, the employee will not be subject to disciplinary action.

ARTICLE VI HOLIDAY PROVISIONS

Section A.

The following days shall be considered holidays under this Agreement:

New Year's Day
Easter Sunday
Memorial Day
July Fourth
Labor Day
Thanksgiving Day
Christmas Day

Employees working the afternoon shift on Christmas Eve and/or New Year's Eve, shall be granted New Year's and Christmas Day holiday premium.

The Employer agrees to grant one (1) personal holiday for each 1,040 hours worked to those Employees who have an assigned FTE of 0.5 or greater. For this section, hours paid are considered hours worked. Current employees will be credited with their personal day on January 1, 2012 if they worked at least 1040 in 2010.

Section B.

Any employee who has an assigned FTE of 0.5 or greater, and who has completed his/her probationary period, shall receive the above paid holidays, pro-rated for FTE status, provided he/she performs work or is on vacation in the payroll period in which the holiday occurs. The employee must work as scheduled or assigned both on his/her last scheduled work day prior to, and on his/her first scheduled work day following the holiday, unless he/she has failed to do so because of good cause, as may be agreed upon between the Employer and the Union.

Section C.

Employees with an assigned FTE of 0.5 or greater shall be compensated at one and one-half (1-1 ½) times his/her hourly rate for all hours worked, plus the regular holiday pay. Employees will be paid double time and one-half (2 1/2) times for all hours worked on the Holiday.

Section D.

Section E.

Holidays will be self-scheduled by seniority. In the event there are unfilled shifts after all employees have had the opportunity to fill in their schedules, the remaining shifts will be scheduled in inverse order, from the least senior employee to the most senior employee. Those employees on a scheduled week of vacation shall be exempt from working the holiday.

Section F.

Partial shifts between two (2) employees shall be allowed on holidays after the schedule is posted. Employees must complete an exchange form and submit to management; however, it will not be counted as a quarterly exchange.

**ARTICLE VII

The vacation benefit will only apply to those bargaining unit members employed by Northern Pines Medical Center as of September 30, 2010 and hold a defined FTE of 0.5 or greater.

Section F.

A week's vacation shall be construed to be a calendar week beginning on Monday. Employees may opt to take their last week of vacation in one day blocks. Said days must be during the week, not Saturday or Sunday, and shall not be tied in with holidays, unless otherwise mutually agreed to between the employee and the Hospital personnel responsible for scheduling such vacation.

ARTICLE VIII
Paid Time Off (PTO)

Paid Time Off ("PTO") Program is designed to meet an individual employee's need for personal time off or cash conversion.

PTO days may be used for vacation, illnesses, family emergencies, health or dental care, personal business and/or other elective absences. In accordance with MN Statute 181.9413, employees shall be allowed to use PTO leave days with pay due to a verifiable illness or injury to the employee's immediate family, which would include child, adult child, spouse, sibling, parent, grandparent, those who live in the household or stepparent for reasonable periods of time as the employee's attendance may be necessary.

Grandfathered employees with an authorized FTE of 0.6 or greater and who are earning vacation benefits and sick leave under Articles VII and Article VIII are not eligible to participate in the PTO Program. However, such grandfathered employees will be afforded a one-time opportunity to convert to the PTO Program annually between January 1 and February 28

Employees hired after the ratification of this agreement and who are hired with an authorized FTE of 0.6 or greater will participate only in the PTO Program. PTO accrual is based upon actual hours worked.

Payment of PTO will be made at the employee's regular rate of pay.

Accrual of PTO commences upon hire. Employees are eligible to use accrued PTO immediately.

Accruals

ACCRUAL TABLE FOR PTO

13	0.10384	27
14+	0.10769	28

The maximum accumulation in an employee's PTO Bank will be two times (2) times the employee's annual accrual. When the employee reaches the maximum accumulation, the accrual then begins in the employee's Reserve Bank. A maximum of four-hundred and eighty (480) hours may accumulate in the Reserve Bank. When hours are used in the PTO Bank, accruals end in the Reserve Bank and begin again in the PTO Bank.

Requests.

Requests for PTO must be submitted to the employee's immediate supervisor as far in advance of the requested time off as possible. The immediate supervisor shall respond to requests for time off in advance of the date(s) requested, in accordance with department guidelines.

In the event of an unexpected illness or emergency, the employee is expected to provide as much notice as possible.

Management may limit the granting of PTO to assure proper staffing levels.

Notwithstanding the above, approval of PTO requests will be based upon total seniority within each department according to departmental guidelines and will be coordinated with requests for Vacation time off from those employees covered under the Article 7 (Vacations). Management will review PTO and Vacation guidelines with staff on an annual basis, if requested. The Employer has the sole right to determine proper staffing levels.

- g. The Employer reserves the right to assign up to 60 hours of Low Need Time per employee per calendar year but shall be limited to one occurrence per employee per month. Assigned Low Need Time shall be scheduled in inverse seniority and based on current Employer needs.

ARTICLE XIII

Procedure for Permanent Reduction in Hours or Layoff

1. In the event of a permanent layoff the Employer shall first seek volunteers in the affected job classifications. The process shall be based on seniority by asking the most senior employee in that classification first, where the layoff reduction is necessary. The Employer will remind employees during the volunteer process, that a reduction in FTE may impact their benefit status. Each employee shall be responsible and accountable for making the decision to reduce FTE.
2. If additional reductions or layoffs are needed, the Employer shall reduce hours and/or layoffs starting with the least senior employee in the affected job classification where the layoff and/or reduction is necessary. In the case of a tie, seniority status will be determined by the flip of a coin.

3. The Employee initially selected for layoff shall be given a fourteen (14) day notice in advance of the layoff. The Employee may exercise his/her bump option or accept the layoff any time within the fourteen (14) day notice period. This notice period shall not apply to a reduction in force caused by a natural or human made disaster, catastrophe, or other cause for which the Employer could not reasonably be expected to plan in advance.
4. An employee who will be displaced as a result of the bumping process shall be given as much notice possible but not less than 2 (two) business (M-F) days.
5. The bumped employee may exercise his/her bump option, if one is available, or accept the layoff any time within the two (2) business (M-F) day notice period.

Seniority Rights and Bumping

If a vacancy exists within the affected job classification at the time of layoff, and such vacancy is the same FTE status as the position being eliminated, the employee subject to layoff shall be placed in the vacant position. If more than one such vacant position exists, the employee subject to layoff may choose into which position s/he will be placed.

- a. If no vacancy exists within the affected job classification, at the employee's current FTE level, the employee must choose one of the following options:
 - Fill a vacant position at a different FTE level in the affected job classification; or
 - Bump a less senior employee in the affected job classification whose FTE status is equal to or lower than the employee's current FTE status; or
 - Bump a less senior employee whose FTE status is equal to or lower than the employee's current FTE status, in another job classification equal to or lower than the employee's current pay grade level, provided he/she is qualified for the position and can perform independently in the position within two weeks (10 working days); or
 - Accept the layoff.

The steps identified shall continue for each employee who is bumped out of his/her position, until the bump options are exhausted, and the employee must take the layoff.

- a. The bump options are exhausted, and the employee must take the layoff.

In determining whether a senior employee is qualified, the Employer shall consider the minimum qualifications for the position and whether the employee can perform independently in the position within one (1) week, five (5) working days. The Employer shall make the determination as to whether the employee possesses the necessary qualifications and shall provide such qualifications in writing to the Union. A determination that an employee is not qualified for a position shall be subject to the grievance procedure.

If a senior employee is laid off and declines to exercise his/her seniority to remain working in a classification where he/she can perform and where work is available, he/she shall remain off work until one of the following first occurs: 1) the laid off employee is recalled to a position in his/her classification,

or 2) the employee's seniority rights have expired.

If an employee transfers from a classification within the bargaining unit, to a classification with the Employer which is outside said unit (including a supervisory position), the terms and conditions of this Agreement shall not apply. If the employee transfers back into a position within the bargaining unit, within twelve (12) months of his/her initial layoff date, the employee shall be credited with the seniority accrued prior to transferring out of the unit. Section A. Definition of Grievance

A grievance is any claim alleging a violation of specific terms and conditions of this Agreement.

Section B. Time Limits

The time limitations set forth herein relating to the time for filing a grievance and the demand for arbitration shall be mandatory. Failure to follow said time limitations by the grieving party shall result in the grievance being permanently waived and the grievance shall not be submitted to arbitration. The time limitations provided herein may be extended by mutual written agreement.

Section C.

The steps in the grievance procedure are as follows:

Step 1. Within ten days of an alleged incident giving rise to the grievance, the employee shall informally discuss the grievance with his/her immediate supervisor. The employee may choose to have a Union steward present at this meeting. The Union Staff Representative shall have a right to directly discuss the grievance with Essentia Health's Employee and Labor Relations staff in an attempt to resolve the grievance.

Step 2. In the event that no settlement is reached at Step 1, it shall be reduced to writing, specifically listing the provisions of the Agreement that were allegedly violated. The written grievance shall be submitted to the facility administrator and a copy shall be mailed or faxed to the Employee and Labor Relations office within twenty (20) calendar days from the date of occurrence. If the employee's supervisor is unable to meet prior to this deadline, the grievance may be initially submitted at Step 2. A grievance related to pay shall be timely if received by the above named within fifteen (15) calendar days after the pay day for the period during which the alleged violation occurred.

The Employer shall submit a written response to the grievance within fifteen (15) calendar days of the Step 3 meeting to the following:

1. AFSCME Local 2780 President
2. AFSCME Union Staff Representative
3. Grievant

Step 4. In the event no settlement is reached at Step 3, the parties may, upon mutual agreement, submit the matter to grievance mediation. During the mediation process, the time limits in this Article shall be suspended. A mediator from the Federal Mediation and Conciliation Service (FMCS) shall be used, unless the parties mutually agree to another source. If an agreement is reached through mediation the agreement shall be reduced to writing. If an agreement cannot be reached, the issue may be moved to arbitration. The parties recognize the laws governing mediation and the role of the federal mediator.

Duly authorized representatives of the Union shall have the right to accompany the Union grievance committee at all times in the discussion or adjustment of grievance; provided, however, that all such Union representatives and members of the grievance committee shall perform such functions on their own time.

Such an appeal to arbitration shall be made in writing and served on the other party.

The parties agree that for the purpose of selecting an arbitrator, they shall submit to the Federal Mediation and Conciliation Service for a list of arbitrators. Upon receiving the list, the parties shall select one name as the arbitrator to hear the case. The method in the selection shall be by virtue of the parties alternately eliminating one name at a time until one name remains. The remaining name shall be the arbitrator who shall make the decision regarding the grievance. The first strike shall be

determined by the flip of a coin. The decision or award shall be final and binding upon the parties and any employee affected.

The expenses and remuneration of the arbitrator shall be borne by the parties equally. The time limitations specified in the grievance procedure may be extended by written approval of the parties hereto. The award of the arbitrator shall be confined to the issue raised in the grievance and the arbitrator shall have no power to decide any other issues.

Section D. Involuntary Termination

If a grievance is not submitted within the ten (10) days, such employee and the Union shall be barred from any claim of any kind against the Employer herein. Any employee who has, however, been discharged and which discharge is later found to be without just cause, if such determination is made as provided herein, shall be reinstated and paid for time lost, including overtime which such employee would have worked, and shall not lose seniority, vacation pay or other benefits; provided, however, that the Board of Arbitration may, in its determination of the amount of back wages to be awarded, take into consideration wages, income from self-employment, benefits received because of being unemployed, or any other sums or items of value received because of being off work.

BETWEEN
WHITE COMMUNITY HOSPITAL
AND
AFSCME LOCAL 2780

VOLUNTARY ON-CALL STATUS

The parties agree that the Employer will implement a voluntary on-call plan for nursing assistants that will include the following:

Added to the bottom of the self-schedule will be one (1) day shift and one (1) afternoon shift voluntary on-call person. This will consist of a part-time or full-time employee who will be responsible for a two (2) hour shift with the rate of pay at \$3.00 per hour. The day shift will run from 0530 to 0730 hours, and the afternoon shift will run from 1330 to 1530 hours. The on-call employee must answer his/her phone during these hours, or he/she will be subject to the disciplinary procedure outlined in the contract. The person that is voluntarily on-call will be contacted prior to any calling in rotation. There will be a limit of five (5) on-call shifts per full-time employee per pay period.

Once an employee writes down that they are on-call, they must give 48 hours' notice to their supervisor if they decide not to be on-call for any given period. The supervisor will remove the name and initial the change.

This agreement will remain in effect until June 30, 2001, unless either party gives 30 days notice to the other to terminate the agreement.

Letter of Understanding
Between
White Community Hospital and AFSCME Local 2780

The following has been agreed upon by both parties:

Physical Therapists (including PTA, COTA, and PT/OT) from the Hospital may at times be assigned to work in the nursing home which is supplemental therapy to restorative care. AFSCME Local 2780 represents the Restorative Care positions. The work that the physical therapists are doing in no way takes away from the Restorative Care position. Both parties agree that Physical therapists can be in the nursing home as long as they do not replace bargaining unit positions and the two positions in Restorative care do not see a reduction in hours or a layoff. If this was to occur, the physical therapists would not be allowed to continue that work. If more hours are needed for Restorative Care and those hours needed would create a new position (40 or more hours per pay period or per Contract definition of part-time or full-time employees), then the Facility will post that position.

Letter of Understanding between
White Hospital and Nursing Home and AFSCME Local 2780

1) In an effort to decrease the impact upon newer/less senior employees, the following has been agreed upon:

In regards to forcing or mandating of shifts (Article 4 Section H), the current contract language states it will be done by the least senior employee working. This Letter of Understanding serves as replacement language to state:

When the Employer needs to mandate an employee to work a shift (after following the procedures outlined in the Contract for calling in replacements), the Employer shall mandate, starting with the least senior employee, on a rotating basis. In order to make this work, a log shall be kept recording each employees last date of mandated work.

This language only applies to same-day mandating (replacement for a sick call, etc).

2) In order to encourage employees to pick up same-day shifts, the following has also been agreed upon:

If an employee receives a call from the Employer for fill-in help and agrees to come in to work (picking up a shift which they were not scheduled for), that employee shall not be mandated to stay for a shift later on that same day.

A) The "Force" list shall also record the number of forces of each employee. When a force has to occur, the employee with the least amount of forces shall be the next one forced, according to seniority (if two employees each have 2 forces, the least senior employee shall be forced). This complies with the rotating procedure to make this more equitable.

B) If an employee is going to be forced, but another employee volunteers to stay for that employee's force, it shall be counted as a force for the person who volunteered.

This Letter of Understanding shall be treated as part of the Contract and grievable under Article XIII.
