Subd.4 The school district may require an employee to furnish a medical certificate from a qualified physician as evidence of illness, indicating such absence was due to illness, in order to qualify for sick leave pay. However, the final determination as to the eligibility of an employee for sick leave is reserved to the school district. In the event that a medical certificate will be required, the employee will be so advised.

Subd. 5. Unused sick leave days above the maximum as of June 30 of each year will be eligible to receive a matching contribution of \$65 per unused day into the employee's 403(b) plan. This contribution will only be contributed if the employee matches the amount with an equal or greater amount into his/her 403(b) plan. This contribution will not count against lifetime maximum contributions by the District to the employee's 403(b) plan.

Subd. 6. Bereavement: Up to three (3) paid days leave shall be allowed, the days not deducted from sick leave for death in the employee's immediate family. An additional two (2) days may be taken, if needed, the days to be deducted from sick leave. If any employee uses two (2) or less days of sick leave over the fiscal year, the employee shall receive a contribution of \$35 into their 403b plan. This contribution will only be contributed if the employee matches the amount by contributing an equivalent or greater amount into his/her 403b plan. This contribution will not count against the yearly or lifetime maximum defined district 403b contribution amount defined in Article XVIII of this contract.

Section 2. Union Leave: Sixteen (16) hours per year will be granted for Union Leave, the use to be determined by the Steward(s) of the unit. The District will bill the union for the cost of the substitute if a substitute is needed. Application for Union Leave must be submitted to the Superintendent five (5) days prior to the leave except in case of emergency.

Section 3. Worker's Compensation:

Subd. 1. Upon the request of an employee who is absent from work as a result of a compensable injury incurred in the service of the school district, under provisions of the Worker's Compensation Act, the school district will pay the difference between the compensation received pursuant to the Worker's Compensation Act by the employee and the employee's regular rate of pay to the extent of the employee's earned accrual of sick leave and/or vacation pay if requested by the employee to use vacation pay.

Subd. 2. A deduction shall be made from the employee's accumulated vacation or sick leave accrual time according to the pro-rata portions of days of sick leave or vacation time which is used to supplement worker's compensation.

Subd. 3. Such payment shall be paid by the school district to the employee only during the period of disability.

Subd. 4. In no event shall the additional compensation paid to the employee by virtue of sick leave or vacation pay result in the payment of a total daily, weekly, or monthly compensation that exceeds the normal compensation of the employee.

Subd. 5. An employee who is absent from work as a result of an injury compensable under the Worker's Compensation Act may elect to receive sick leave or vacation pay. The employee will notify the district of this election. If an overpayment between the employee's district check and worker's compensation check is determined to have taken place, the district will recover the overpayment amount by working with the employee to determine a reasonable repayment schedule.

Section 4. Paid Leaves:

Subd. 1. Jury Duty: An employee under this contract shall be granted a leave of absence for service on a jury. The employee shall be compensated the difference in the employee's regular pay and that received for such jury duty, by the employer. If the employee reports

for jury duty and is subsequently excused from such duty, the employee shall return to the employee's regular work. The employee is not required to return to work if absent for jury duty for more than one-half of his/her scheduled work day. In the event any employee scheduled to work the evening shift and required to be on jury duty during the day shift, such employee will not be required to report for their evening shift and will not suffer any loss of pay if the employee provides court-signed documentation of a minimum of four (4) hours of required attendance.

Subd. 2. Required Instruction: In the event an employee is required or requested by the employer to attend any class or school of instruction for the purpose of keeping abreast of new technology required in the employee's position, the employee shall be granted sufficient time off without loss of time or pay. Subd. 3. Personal/Business Leave: Three (3) days of personal leave per year, the days not to be deducted from sick leave. All three days may be taken at the employee's discretion. Requests for personal leave must be submitted to the staff member's supervisor in writing two (2) days in advance when possible. In the event that personal leave is used for a funeral, the two day notice for use of personal leave does not apply. Custodians may carry over two (2) days for a maximum of five (5) personal leave days in one (1) contract year. At the end of the school year the school district will pay for up to two (2) days of unused personal leave at the rate of \$50.00 per day. Custodians shall notify the District Office in writing, by July 1<sup>st</sup> if they want to be paid for the two (2) unused personal days. Payment will be made on the last pay period of July.

Personal leave may not be used the first week of school for students and the last five (5) student contact days of the school year, except in the case of an emergency. No more than two (2) custodians may be on personal leave from the district at any one time, unless there is an emergency or unforeseen circumstance.

#### Section 5. Unpaid Leaves:

Subd. 1. Extended Leave: An employee may be granted a leave of absence without pay for a period not to exceed twelve (12) months for mental or physical illness.

After five years service, an employee may apply to the school board for a leave of absence of up to one year. Such leave, if granted, shall be without pay or benefits. Application for the leave shall be made at least 60 days before the starting date and notification of intention to return from a full one year leave shall be made at least 90 days prior to the return date. Notification to return from leaves of less than one year shall be proportional to the one year; i.e. a six-month leave shall require 45 days notification of intention to return. An employee on leave who does not provide proper notice of intention to return will automatically be terminated as a voluntary resignation. Upon return, employees shall be reinstated to their original position or one of like status and pay. Only one employee may be on extended leave at any one time.

Subd. 2. An employee may be granted an unpaid leave of absence at the discretion of the school district of no more than ten days per year, non accumulative. Requests for unpaid leave must be made in writing to the superintendent of schools at least five days in advance. The request shall state the reason for the proposed leave. The school district reserves the right to refuse to grant such leave if under the circumstances involved such leave should not be granted. All leaves must have prior approval.

Subd. 3. Military Leave: Any employee who enters into service in the Armed Forces of the United States while in the service of the school district, may be granted a leave of absence without pay for the period of military service.

Section 6. Maternity Leave: District #912 shall grant a maternity leave to any custodian who makes a written application for such leave.

Subd. 1. Upon learning of her pregnancy, the custodian shall submit her written application for maternity leave to District #912 three months prior to such leave.

Subd. 2. Maternity leave will commence at a date to be agreed upon between District #912 and the pregnant custodian. District #912 may require a statement from the custodian's physician for use in determining the date for initiating maternity leave and the duration of such leave.

Subd. 3. District #912 agrees to give the custodian up to 12-months maternity leave. The custodian may use sick leave for days when sick or disabled during the maternity leave.

Subd. 4. Following childbirth, and upon signifying her intent to return to work within the 12-months leave period, the custodian shall be reinstated to her original job or to a position of like status and pay.

A custodian on maternity leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as the custodian wishes to retain, commencing with the beginning of the maternity leave. The right to continue participation in such group insurance programs, however, will terminate if the custodian does not return to the district, pursuant to this section.

Subd. 5. Leave under this section shall be without pay except as indicated for sickness or disability. Fringe benefits may continue at the option and expense of the custodian.

Subd. 6. **Non-birthing parent** may use up to two (2) days of paid sick leave, to be deducted from their accumulated sick leave, surrounding the birth of their infant to care for their infant and the mother of their infant

Section 7. Child Care Leave:

Subd. 1. A child care leave may be granted by the school district subject to the provisions of this section. Child care leave may be granted because of the need to prepare and provide parental care for a child or children of the custodian for an extended period of time.

Subd. 2. A custodian making application for child care leave shall inform the Superintendent in writing of intention to take leave, at least three calendar months before commencement of the intended leave, except in cases of emergency.

Subd. 3. In making a determination concerning the commencement and duration of a child care leave, the school board shall not, in any event, be required to:

1. Grant any leave more than twelve (12) months in duration.
2. Permit the custodian to return to his or her employment prior to the date designated in the request for child care leave.

Subd. 4. Failure of the custodian to return pursuant to the date determined under this section shall constitute grounds for termination unless the school district and the custodian mutually agree to an extension in the leave.

Subd. 5. A custodian who returns from child care leave within the provisions of this section shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provisions of this agreement at the commencement of the beginning of the leave. The custodian shall not accrue additional credit for pay purposes or leave time during the period of absence for child care leave.

Subd. 6. A custodian on child care leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as the custodian wishes to retain, commencing with the beginning of the child care leave. The right to continue participation in such group insurance programs, however, will terminate if the custodian does not return to the district, pursuant to this section.

Subd. 7. Leave under this section shall be without pay or fringe benefits.

Section 8. Family Medical Leave Act of 1993, or as amended by Federal Law:

FMLA requires covered employers to provide up to 12 weeks of unpaid job protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for a covered employer for at least a year, and for 1,250 hours over the previous twelve (12) months, if there are at least 50 employees within 75 miles.

Subd 1. Reasons for Taking Leave: Unpaid leave must be granted for any of the following reasons:

2. to care for the employee's spouse, son or daughter, or parents, who has a serious health condition; or

3. for a serious health condition that makes the employee unable to perform the employee's job.

At the employee's or employer's option, certain kinds of paid leave may be substituted for unpaid leave.

Subd. 2. Advance Notice and Medical Certification: The employee may be required to provide advance leave notice and medical certification. Taking of leave may be denied if requirements are not met. The employee ordinarily must provide 30 days advance notice when the leave is "foreseeable". The employer may require medical certification to support a request for leave because of a serious health condition, and may require second or third opinions (at the employer's expense) and a fitness for duty report to return to work.

Subd. 3. Job Benefits and Protection: For the duration of FMLA leave, the employer must maintain the employee's health coverage under any "Group Health Plan". Upon the return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. The use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Subd. 4. Unlawful Acts of Employers: FMLA makes it unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided under FMLA or to discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Subd. 5. Enforcement: The U.S. Department of Labor is authorized to investigate and resolve complaints of violations. An eligible employee may bring a civil action against an employer for violations. Section 9. If the employee does not report to work, he or she will be permitted to make up the time within the same forty (40) hour work week, use unused vacation, personal leave, or have his/her pay reduced accordingly.

Regularly scheduled part-time employees shall be granted an annual paid vacation leave on a pro-rata basis.

Section 2. The rate of vacation leave pay shall be the employee's regular straight time rate in effect on the pay day immediately preceding the employee's vacation leave period. Vacation will be accrued on paychecks as earned. On June 30<sup>th</sup> of each year, employees shall be allowed to carry over up to **11 days** vacation.

Section 3. Vacation time must have prior approval from the administration. Vacation leave can be used any time during the fiscal school year with the following exception. Vacation leave may be used at the employee's discretion.

Section 4. No employee shall be permitted to waive vacation leave for the purpose of receiving double pay.

Section 5. After twelve (12) months service, any employee leaving school employment shall be paid for all accrued vacation leave to the employee's credit.

## ARTICLE XII WAGE ADMINISTRATION

Section 2. Movement from one step to another on the salary schedule shall occur retroactive to the employee's anniversary date of hire. **There shall not be step movement on the employee's hire date from July 1, 2021 - June 30, 2022.**

## ARTICLE XIII SENIORITY/PROBATION/TRIAL/LAY OFF/OUT OF CLASS PAY

**Section 1.** Vacancies: Vacancies shall be posted on bulletin boards located in the Elementary, High School, and District Offices, and **the Receiving Room**, for a period of five (5) working days. An employee who desires to be considered shall submit a written application to the Superintendent. Internal applicants submitting a completed application will be interviewed. The Employer has the right of final decision in the selection of applicants to fill posted positions. At the expiration of the posting period, the school district may fill the position from among the applicants or any available source.

**Section 2.** Trial Period:

Subd. 1. The employee who is promoted, transferred, or made a shift change shall be granted a thirty (30) day trial period to determine 1) the employee's ability to perform the job requirements, and 2) the employee's desire to remain in the position. During the thirty-day trial period, the employee shall have the opportunity to revert back to the employee's former position. If seniority is bypassed, or if the employee is deemed unsatisfactory in the position, notice and reasons in writing shall be submitted to the employee. The matter may then become a proper subject for the grievance procedure. During the trial period, the employee shall receive the rate of pay of the position the employee is filling.

Subd. 2. In the promotion, lateral transfer, and shift change of employees, consideration will first be given to the employees' qualifications, and second, seniority. Qualifications shall mean skills, experience, training, certifications and ability to perform required tasks.

**Section 3. Probationary Period:**

Subd. 1. A newly hired employee under the provisions of this Agreement shall serve a probationary period of twelve (12) months of continuous service from the initial date of hire in the school district during which time the School District shall have the unqualified right to suspend without pay, discharge, or otherwise discipline such employee; and during this probationary period the employee shall have no recourse to the grievance procedure, insofar as suspension, discharge or other discipline is concerned. However, a probationary employee shall have the right to bring a grievance on any other provisions of the contract alleged to have been violated.

Subd. 2. An employee who has completed the probationary period may be suspended without pay or discharged only for cause. An employee who has completed the probationary period and is suspended without pay or discharged shall have access to the grievance procedure.

**Section 4. Seniority:**

Subd. 1. Seniority is defined as the employee's length of continuous service with the school district. Continuous service shall be broken only by voluntary resignation, dismissal for cause, or being absent without notification for a period of five (5) working days. Any employee who is found to have been unjustly suspended or terminated shall not suffer a break in seniority. Absence due to service in any branch of the Armed Forces shall not constitute a break in seniority.

Subd. 2. Employee seniority shall mean total length of continuous service with the school district. A new employee hired shall be considered a probationary employee for the first twelve (12) months of employment. When an employee finishes the probationary period, the employee shall be entered on the seniority list of the school district and shall rank in seniority from the employee's date of hire. The seniority list on the date of this contract shall show the name and job title of all employees. The school district shall keep the seniority list up-to-date at all times and will provide the union with an up-to-date copy annually, said copy to include the names of probationary employees.

**Section 5. Out of Class Pay:** Custodial employees who are working in a higher-paid position than their normal position shall be paid at the higher rate beginning with the first (1st) day of work in the higher paying position.

**Section 6. Lay Off:** In the event of lay off, the employee or employees with the least seniority on the school district list shall be laid off first. If a license is preferred for the position, then the employee or employees with the least seniority on the school district list without a

license shall be laid off first, followed by the employee or employees with the least seniority on the school district list with the preferred license. Any employee on lay off may avail themselves of any compensation available through Minnesota Statutes prevailing. Recall back to work shall be in the inverse order of lay off. Any employee on layoff shall have recall rights for eighteen (18) months.

## **ARTICLE XIV DISCIPLINE**

1. Oral reprimand
2. Written reprimand

Subd. 1. The severity of discipline chosen by the School District shall be commensurate to the seriousness of the person's misconduct and will normally take the course of 1, 2, 3, 4.

Subd. 2. Written disciplinary action will become part of the employee's file and will be provided to the employee. There will be a line on the communication indicating "receipt acknowledged without consent to content" located by the signature of the employee. The employee may respond in writing and have the response filed along with the written disciplinary action.

Subd. 3. The employee may request the steward or other union representative to sit in on disciplinary meetings.

Subd. 4. Employees will be entitled to an informal hearing before the Board of Education or a subcommittee for suspensions or discharges with union representation, if so requested by the employee.

Subd. 5. Disciplinary action is subject to review through the grievance procedure, subject to the provisions of Minnesota Statute.

**ARTICLE XV

Section 4. Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the school board's designee, setting forth the facts and the specific provision of the agreement allegedly violated and the particular relief sought within twenty (20) days after the date the event giving rise to the grievance occurred. Failure to file any grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the school board's designee.

Section 5. Adjustments of Grievance: The school board and the employee shall attempt to adjust all grievances which may arise during the course of employment of any employee within the school district in the following manner:

Subd. 1. Level I: If the grievance is not resolved through informal discussions, the school board designee shall give a written decision on the grievance to the parties involved within ten (10) days after receipt of the written grievance.

If a grievance is properly appealed to the school board, the school board shall hear the grievance at its next regularly scheduled meeting. If the grievance is appealed to a committee of the Board, a meeting date will be mutually agreed on. Within fifteen (15) days after the meeting, the School Board or committee of the Board shall issue its decision in writing to the parties involved.

Section 6. School Board Review: The school board reserves the right to review any decision issued under Level I or Level II of this procedure provided the school board or its representative notify the parties of its intention within ten (10) days after the decision has been rendered. In the event the school board reviews a grievance under this section, the school board reserves the right to reverse or modify such decision.

Section 7. Denial of Grievance: Failure by the school board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 8. Arbitration Procedures: In the event that the employee and the school board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the Office of the Superintendent within ten (10) days following the decision in Level III of the grievance procedure.

the Bureau providing such a request is made within sixty (60) days after the request for arbitration.

The parties shall alternately strike names from the list of five (5) arbitrators until only one (1) name remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. Failure to agree upon an arbitrator from the Bureau of Mediation Services within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

In considering any issue in dispute, in its order the arbitrator shall give due consideration to the statutory rights and obligations of the public school boards to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

**ARTICLE XVI

The parties mutually recognize that their first obligation is to the public and that the right of students and residents of the School District to the continuous and interrupted operation of the school is of paramount importance.

The exclusive representative agrees, therefore, that during the term of this contract neither the exclusive representative nor any individual employee shall engage in any strike as defined by the P.E.L.R.A.
