This Agreement made and entered into by and between Blue Earth County, hereinafter referred to as the Employer, and the American Federation of State, County, and Municipal Employees, Minnesota Council No. 65, AFL-CIO and its affiliated Local No. 565 (Human Services Unit), hereinafter referred to as the Union, as the exclusive representative for Employees in the bargaining units set forth in Article II, for the purpose of compliance with the Public Employment Labor Relations Act (PELRA) of 1971 (M.S. Chap. 179A.) and to integrate the full agreement between the Employer and the Union as to the terms and conditions of employment. Provided, however, these joint negotiations shall not be construed to in any way impair the integrity of each individual certified unit as a separate and distinct bargaining unit under PELRA for all purposes.

ARTICLE 1. MANAGEMENT RIGHTS

- 1.1 It is recognized that, except as expressly stated herein, Employer shall retain whatever rights and authority are necessary for it and available to it pursuant to law and to operate and direct the affairs of the County in all of its various aspects, including, but not limited to: the right to direct the working forces; to plan, direct, and control all the operations and services of all Employees; to determine the methods, means, organization, and number of personnel by which such operations and services are to be conducted; to assign overtime; to assign and transfer Employees; to schedule working hours; and to determine whether goods or services should be made or purchased; to hire, promote, demote, suspend, discipline, discharge, or relieve Employees due to lack of work or other legitimate reasons; to make and enforce reasonable rules and regulations; and to change or eliminate methods, equipment, or facilities.

ARTICLE 2. RECOGNITION

- 2.1 The Employer recognizes the Union as the exclusive representative for all employees of the Blue Earth County Human Services Department whose employment exceeds the lesser of thirty-five percent (35%) of the normal work week or fourteen (14) hours per week and sixty-seven (67) days per year, excluding supervisory and confidential employees.
- 2.2 The Employer will not enter into any agreement with such employees, as defined above, either individually or collectively, which in any way conflicts with the terms or conditions of this Agreement or with the role of the Union as the sole and exclusive representative for said Employees.
- 2.3 Employees have the right to join or refrain from joining the Union. Neither the Employer nor the Union shall discriminate against or interfere with any Employee because of the Union membership or non-membership.

ARTICLE 3. DUES CHECK OFF

- 3.1 The Employer shall deduct from the wages of Employees who authorize such a deduction in writing an amount necessary to cover regular monthly Union dues.
- 3.2 Any present or future employee who chooses not to become a Union member may be required to contribute a fair-share fee for services rendered by the Union. Upon notification by the Union, the Employer shall deduct said fee from the Employee's earnings and transmit the same to the Union. This provision shall remain operative only as long as fair share is specifically required by state law and will be voided and subject to renegotiation if the state law is changed. The Union shall not be entitled to collect fair-share amounts which may have accrued prior to notification.
- 3.3 The Employer shall deduct union dues from an Employee on a biweekly basis for each pay period in accordance with the dues deduction formula provided by AFSCME Minnesota Council 65. Dues shall be remitted to AFSCME Minnesota Council 65 together with a list of names of Employees from whom pay deductions were made along with any other pertinent information needed to properly process the dues deductions.
- 3.4 It is agreed that the Employer's obligation to provide for dues deduction and/or fair-share fee assessment shall continue only for the period of time that such deductions and assessments are non-negotiable and required by PELRA.

- 3.6 The Employer agrees to deduct from the wages of any Union member a deduction for the Public Employees Organized for Political and Legislative Equality when authorized in writing by the Employee. This authorization must be executed by the Employee and may be revoked by the Employee at any time by providing written notice to both the Employer and the Union. The Employer agrees to remit deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each Employee making this deduction and the amount deducted during the period covered by the remittance.

ARTICLE 4. HOURS OF WORK

- 4.1 This article is intended only to define the normal hours worked and normal scheduling. The normal work day and work week shall be the number of hours per day and days per week as may be established by the Employer. The current work week is 40 hours. The normal work day will vary dependent upon the needs of the organization. There shall be no split shifts. Typical County business hours are Monday through Friday from 8:00 a.m. to 5:00 p.m.
- 4.2 Established work schedules will remain in effect until changed. Changes in work schedules will be communicated to affected Employees with two (2) weeks' written advance notice.

- 4.3 Breaks. All Employees shall receive one hour unpaid lunch break per day and one paid fifteen-minute rest period during each one-half shift of three hours or more.
- 4.4 Employees shall respond to calls for work outside of normal hours when requested by the Employer.
- 4.5 Flex-Time Scheduling. The Employer and an Employee may agree that the Employee may depart from working hours to accommodate special needs of the Employee or their duties. Flex-time scheduling may be used to provide evening program coverage, and such work in excess of eight (8) hours per day shall not qualify for overtime rates unless in excess of forty (40) hours per week. Hours may be flexed over a pay week without premium pay being earned. All hours worked on a Saturday or Sunday which are the result of flex scheduling shall not be subject to the overtime provisions contained in Article V. All overtime must be authorized in advance by the Employer. The choice of receiving overtime pay as a cash payment or compensatory time at a rate of one and one-half (1 1/2) times the hours worked must be mutually agreed to by the Employee and Employer prior to the overtime being earned. Requests for compensatory time off shall be handled in the same manner as requests for vacation.
- 5.2 All work performed by non-exempt Employees required by the Employer on any Saturday shall be compensated at one and one-half (1 1/2) times the Employee's regular hourly rate of pay.

- 5.9 The base pay rate or the premium compensation rate shall not be paid more than once for the same hours worked under any provision of this Agreement, nor shall there be any pyramiding of premium compensation. Employees will be eligible for the highest rate applicable for the hours worked (for example: holiday, Saturday, Sunday).
- 5.10 Exempt Employees shall receive compensatory time off at the rate of one (1) hour off for each hour worked in excess of forty (40) hours in a week. An effort shall be made to flex the compensatory time off so that it is taken during the same pay period that it is earned. Compensatory time that is not flexed may be banked to a maximum of eighty (80) hours. Banked time may be scheduled off in the same manner as vacation. Compensatory time in excess of eighty (80) hours shall be lost to the Employee. There shall be no cash payment for compensatory time.
- 5.11 Employees not scheduled for "on-call" (as provided in 5.8) who receive a request for assistance directly from clients, care providers, probation officers, or law enforcement officials on weekends or shall earn compensatory time at the rate of one and one-half (1 1/2) times the actual time worked.

The management of contributed funds into the Health Care Savings Plan is the responsibility of the State Board of Investment and/or the investment option provider selected by the Employee. - 8.8 Except in emergency situations, a maximum of four (4) hours of sick leave shall be required and approved in advance for appointments with opticians, dentists, physicians, or similar practitioners. Additional appointment time may be granted upon prior approval of the Employer. Whenever possible, appointments should be made at the beginning or end of the work day so as to disrupt work activities as little as possible.
- 8.9 Time taken for non-emergency transporting or accompanying of Employee's family members to practitioners' offices for appointments shall not be utilized as sick leave by the Employee unless such absence is previously approved sick leave by the Employer.
- 8.10 No sick leave shall be granted to an Employee during the first (1st) thirty (30) days of their employment, but leave shall accrue from the start of their employment and may be used after the completion of thirty (30) days' service.

- 10.1 Any Employee shall be granted a leave of absence with pay for service on a jury. Such Employee shall receive the difference between their regular pay and the per diem they

receive as a juror, exclusive of mileage and expenses. If excused from jury duty, the Employee shall immediately return to work for the balance of the day, unless excused by the Employer. Employer may reduce hours for up to six (6) calendar months in the Human Services Bargaining Unit after which such Employees shall have bumping rights under Article 14.2. If Employee does not elect to exercise their bumping rights, the reduction may continue. In a reduction of hours, Employer will meet with the Union and the affected Employees to discuss:
1. Reasons for reduction.
 2. Exploration of alternatives to reduction.
 3. Projected duration of reduction.

Employees affected by an involuntary reduction in hours shall maintain current benefit status for insurance and seniority for the period of the reduction.

- 14.2 Layoff. Layoff is a reduction in the number of full-time Employees employed (except for reduction in hours per Article IV) due to any reason which does not reflect discredit on the service of an Employee. Employer shall give fourteen (14) calendar days' written notice of layoff. Layoff shall be accomplished as follows:

First, temporary employees within the Bargaining Unit shall be laid off. Second, probationary employees within the affected department, division, and working title shall be laid off. Third, the person with the least Bargaining Unit seniority within the department and division and working title shall be laid off.

A laid off Employee shall be allowed to bump into any position within the department which they have held within the last five years. The Employer may allow lateral bumping or bumping to a lower band/grade for Employees who would not otherwise

qualify if they meet the minimum qualifications. If bumping is denied, the decision is subject to the grievance procedure.

- 14.3 Employees who are bumped will be given fourteen (14) calendar days written notice of layoff by the Employer and shall have bumping rights. Election to exercise bumping rights shall be made by written notice to the Employer within seven (7) calendar days of Employee's receipt of layoff notice. An Employee who fails to exercise bumping rights in a timely manner forfeits those rights for that layoff.
- 14.4 Recall. The senior Employee shall be recalled first provided that the Employee has either been laid off from that position or would have qualified to bump into that position upon layoff. An Employee who is on layoff shall retain bidding rights to newly created or vacant positions. Notice of recall shall be made by certified mail to the affected Employee with a return receipt requested. If an Employee fails to report for work as directed within fourteen (14) calendar days after notice is received or receipt returned without delivery, the Employee shall be deemed to have resigned.
- 14.5 The Employer shall send the notice of recall to the Employee's last known address. Laid-off Employees shall remain on the bargaining unit seniority list with recall and bidding rights for vacancies or newly created positions for a period of twelve (12) months. It is the Employee's obligation to maintain a current address and telephone number with the Employer during layoff.
- 14.6 Vacation and Compensatory Time. A laid-off Employee may elect to draw upon accrued vacation time or compensatory time during the layoff. A laid-off Employee shall be paid for all unused vacation or compensatory time upon the expiration of twelve (12) months from the date of layoff. An Employee who has bumped into a lower band/grade and remains employed shall be entitled to take previously accrued vacation time at the rate of pay it was earned, provided it is taken within one hundred and eighty (180) calendar days from the date they commenced duties in the lower band/grade. If an Employee is denied vacation during the one hundred and eighty (180) calendar day period, this provision shall be extended by the number of days denied. Thereafter, all vacation taken shall be paid at the pay rate of the lower band/grade.
- 14.7 "Seniority" as used in this Article shall mean Bargaining Unit seniority.

Effective January 1, 2018, the Employer shall contribute seventy-five (75) percent of the basic family health insurance cost while the Employee shall contribute twenty-five (25) percent. Individual coverage will be solely at the Employer's expense. This provision is applicable only for coverage obtained through the insurance plan provided by the Employer. Should another of the Employer-offered insurance plans other than the base plan be selected by the Employee, the Employer's contribution rate will be that as calculated for the base plan.

Effective January 1, 2019, the Employer shall contribute seventy (70) percent of the basic family health insurance cost while Employees shall contribute thirty (30) percent. The Employer shall contribute ninety (90) percent of the basic single health insurance cost while Employees shall contribute ten (10) percent. A High Deductible Health Plan (HDHP) combined with a Health Savings Account will be offered as a voluntary plan option. The Employer contribution rate to the HDHP will be derived as a percentage of the \$300.00 Deductible CCM plan.

- 17.4 In the event the health care provision of this Agreement fails to meet the requirements of the Affordable Care Act and its related regulations or cause the Employer to be subject to a penalty, tax, or fine, the Union and the Employer will meet immediately to bargain over alternative provisions so as to comply with the Act and avoid any penalties, taxes, or fines for the Employer.

The joint LMC will work on a variety of issues brought by both parties to the table which may, from time to time, be pertinent to this group. The LMC is not a forum to circumvent the labor agreement or a forum to address specific grievances.
- 19.2 The LMC will develop and coordinate a pilot training program for Employees covered by this agreement. The LMC will make known to Employees the procedures to be used when requesting pilot training program funding. Requests for funding must be approved in advance by the LMC. Their decision shall be binding upon the parties only insofar as the Public Employment Labor Relations Act of 1971 and laws amendatory thereof require it to be binding.

20.4 The fees and expenses of the arbitrator shall be paid by the losing party. Each party shall be responsible for its own expenses and compensating its own witnesses. MEMORANDUM OF UNDERSTANDING (MOU)
Between Blue Earth County
and
American Federation of State, County, and Municipal Employees, AFL-CIO,
Minnesota Council No. 65
Human Services Unit

This MOU is being agreed to between Blue Earth County and American Federation of State, County, and Municipal Employees (AFSCME) to amend the collective bargaining agreement as follows:

Furlough Definition

A furlough is a temporary leave of absence or reduction in work hours such that an employee is relieved of work duties and wages.

Voluntary Furlough

An employee-elected leave without pay which is not mandated or required by the County, but that the employee voluntarily chooses to help ease the financial burden across the County.

Voluntary furlough must be at least one (1) hour but no more than three (3) weeks. The maximum amount of voluntary furlough taken is 120 hours for regular full-time employees; 60 hours for regular .5 part-time employees; and 90 hours for regular .75 part-time employees.

If an employee elects to take furlough, the employee shall not be permitted to make that time up by working additional hours or to substitute earned leave time for the voluntary furlough time.

Record Keeping

Employees need to record on their time sheet the furlough hours in a manner prescribed by payroll.

The employee will be responsible to ensure that s/he has enough earned time worked or taken in the pay period to cover applicable payroll deductions, i.e. employee's share of insurance premiums, flexible spending dollars, deferred compensation, union dues, and other deductions. For example: having enough paid hours in the pay period so that payroll has sufficient dollars from which to make your deductions.

Benefits

There will be no reduction in benefits, i.e. vacation, sick leave, County's premium participation for health insurance, holidays. Earned benefits will continue as is and per the terms of the collective bargaining agreement and be paid out per County practice.

Taking a furlough the day before or the day after a holiday will not negate the holiday pay.

Seniority

Taking a furlough will have no effect on an employee's seniority.

PERA Implication

If an employee, within 5 years of receiving a retirement benefit from PERA, chooses to pay by payroll deduction the employee share of the PERA contribution for the furlough days taken, the County will

make its contribution for those days as well. To elect this exception the employee shall make a written declaration that s/he intends to retire from County employment within 5 years of the declaration. Making this declaration will not require the employee to retire within the 5 year period.

Scheduling of Furlough Time

The Department Director, and/or the Department Director’s delegated authority, and employee will determine who takes what furlough time off when and the characteristics unique to the decision. In determining the furlough schedule, the wishes of the employees shall be respected as to the time of taking furlough, insofar as the needs of the service will permit. It being understood that the rights of the senior employees will prevail in the selection of furlough when agreement cannot be reached among the employees. The minimum amount of furlough taken in a single day will be one (1) hour. The Department Director, and/or the Department Director’s delegated authority, are responsible to pre-approve furlough time taken off.

Interaction With Other Leaves

Employees who are on unpaid leave of absence, i.e. 10 days unpaid leave granted by the County, 6 months unpaid sick leave of absence, and unpaid FMLA leave, for example, may choose to use the required furlough concurrently with the approved unpaid leave of absence (up to 120 hours furlough).

Furlough may not be taken currently with disciplinary leave.

Restriction on Overtime

The purpose of the furlough is to save money and that purpose would be defeated if employees made up furlough time off by working additional hours resulting in overtime. Payment of overtime will be restricted by the department’s annual budgeted amount. Any expenditure in excess of the annual budgeted overtime line item will require advance approval by the County Administrator. Employees may receive comp time off as compensation for overtime as defined by their collective bargaining agreement.

Sign Off and Basis for Cancellation

The employee will be required to sign off and commit to the voluntary furlough as future financial decisions will be based on the employee’s commitment. Release of the employee from the voluntary furlough commitment will be based on a life changing event such as those provided for in our health insurance coverage to switch from a single to a family plan or vice-versa during the plan year.

Mandatory Furlough

In the event that a mandatory furlough would be required during the timeframe of June 1, 2020 through December 31, 2020, the County agrees to meet and negotiate with the bargaining units.
