ARTICLE 1 - PURPOSE OF AGREEMENT

The AGREEMENT, made and entered into by and between the City of Starbuck, a municipal corporation, incorporated under the laws of the State of Minnesota (hereafter referred to as the "Employer"), and the AFSCME Council No. 65, Local 2022, Supervisor Unit, (hereafter referred to as the "Union"). The intent and purpose of this Agreement is to:

- 1.1 Establish certain hours, wages, and other conditions of employment.
- 1.2 Achieve and maintain sound harmonious and mutually beneficial working and economic relations between the parties.
- 1.3 Establish procedures for the resolution of disputes concerning this Agreement's interpretation and/or application.
- 1.4 Specify the full and complete understanding of the parties.
- 1.5 Place in written form the parties' agreement upon terms and conditions of employment for the duration of the Agreement. The Employer and the Union, through this Agreement, continue their dedication to the highest quality of public service. Both parties recognize this Agreement as a pledge of this dedication.

ARTICLE 2 - RECOGNITION

- 2.1 The Employer recognizes the Union as the exclusive representative pursuant to PELRA for the appropriate bargaining unit consisting of job classifications outlined in Attachment "A" whose employment exceeds the lesser of fourteen (14) hours per week or thirty-five percent (35%) of the normal work week and sixty-seven (67) work days per year. Positions outlined in BMS Case No. 09PCE0512 include City Superintendent, Chief of Police and Clerk Treasurer.
- 2.2 The Employer shall not enter into any agreements with employees coming under the jurisdiction of this Agreement, either individually or collectively, which in any way conflicts with the terms or conditions of this agreement or with the role of the Union as the sole and exclusive representative for said employees.

ARTICLE 3 - UNION SECURITY

- 3.1 In recognition of the Union as the exclusive representative, the Employer shall:
 - 3.1.1 Upon written request of an employee in the Union, and upon a form mutually agreed upon by Employer and Union, deduct such sum as the Union may specify for the purpose of dues to the Union.
 - 3.1.2 Remit such deduction to the appropriate designated officer of the Union with a list of names of employees from whose wages the deductions were made.
- 3.2 The Union may designate one employee from the bargaining unit to act as steward and shall within five (5) days of its designation to the Employer's City Clerk, inform the Employer in writing of such choice. The Union shall also certify to the Employer a current list of non-employee business representatives representing the bargaining unit upon execution of this Agreement and shall thereafter promptly notify Employer and any successor bargaining representatives.
- 3.3 Bargaining unit employees selected by the Union shall be paid by the City for hours spent (during normal working hours) in negotiation sessions.
- 3.4 The Employer will provide AFSCME Council No. 65 space on any existing or proposed work-site bulletin boards for the purpose of displaying group materials, notices, and other materials relevant to the bargaining group and employees.
- 3.5 The Union agrees to represent all employees in the unit fairly and without regards to Union membership, non-membership, or any other factor.
- 3.6 Any "fair share" fee deducted shall be withheld in accordance with Minnesota law.
- 3.7 The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders, or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this Article.

ARTICLE 4 - EMPLOYER SECURITY

- 4.1 The Union, its officers or agents or any employees covered by this Agreement, agrees that during the life of this Agreement it will not cause, encourage, condone, suggest, or cooperate, participate in, or support any strike, slow down, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the full, faithful, and proper performance of the duties of employment, other interruption of or interference with the normal functions of the Employer, regardless of the reason for so doing.
- 4.2 The Employer will not lock out any employee during the term of this Agreement as a result of a labor dispute with the Union.

ARTICLE 5 - EMPLOYER AUTHORITY

- 5.1 Except as limited by this Agreement, the Employer retains the full and unrestricted right to operate and manage all manpower, facilities, and equipment; to establish functions and programs; to set and amend budgets; to determine the utilization of technology; to establish and modify the organizational structure; to select, direct, and determine the number of personnel; to establish work schedules; and to perform any inherent managerial function.
- 5.2 Nothing in this Agreement shall prohibit the right of the Employer to subcontract work performed by employees covered by this Agreement, provided they provide 60 days notice prior to the subcontracting.

ARTICLE 6 - NON-DISCRIMINATION

- 6.1 The provisions of this Agreement shall be applied equally by the Employer and the Union to all employees without discrimination as to age, sex, sexual orientation, marital status, national origin, race, color, creed, religion, physical or mental disability, political affiliation, or membership in the Union or any other classification protected by state or federal law.

ARTICLE 7 - EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE

- 7.1 **DEFINITION OF GRIEVANCE.** A grievance is defined as a dispute or disagreement as to the interpretation or application of the terms and conditions of this Agreement.
- 7.2 **PROCESSING OF A GRIEVANCE.** It is recognized and accepted by the Union and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours only when consistent with such employee duties and responsibilities. The aggrieved employee and Union steward and/or representative shall be allowed a reasonable amount of time without loss in pay when a grievance is investigated and presented to the Employer during normal working hours provided the aggrieved employee(s) and the steward have previously notified and received approval from the Personnel Committee where the Personnel Committee has determined that such absence is reasonable and would not be detrimental to the work programs of the Employer. The Personnel Committee will be notified when the steward or grievant employee(s) returns to the work station and resumes duties.
- 7.3 **PROCEDURE.** Grievances, as defined by Section 7.1, shall be resolved in conformance with the following procedure:

Step 1. No grievance shall be entertained or processed unless it is submitted in writing to the Personnel Committee within ten (10) business days after the first occurrence of the event giving rise to the grievance, or within ten (10) business days after the employee through the use of reasonable diligence should have obtained knowledge of the first occurrence of the event giving rise to the grievance. The written grievance signed by both the employee and Union representative and/or steward shall set forth the nature of the grievance, the facts on which it is based, the alleged violation, and the relief requested. The Personnel Committee shall discuss the grievance within five (5) business days after receipt with the employee and Union representative and/or steward at a time and place mutually agreeable to the parties.

If the grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the Personnel Committee, the employee, and the Union representative and/or steward. If no settlement is reached, the Personnel Committee shall give the Employer's written answer to the employee and Union representative and/or steward within ten (10) business days following their meeting.

Step 2. If the grievance is not settled in Step 1 and the employee desires to appeal, it shall be appealed by the employee in writing to the City Council within ten (10) business days after the Personnel Committee's answer in Step 1 is due. A meeting or discussion between the City Council and the employee and Union representative and/or steward shall be held within ten (10) business days at a time and place mutually agreeable to the parties. If the grievance is settled as a result of such meeting, the settlement shall be reduced in writing and signed by a representative of the City Council, the employee, and Union representative and/or steward. If no settlement is reached, the City Council shall give the Employer's written answer to the employee within ten (10) business days following the meeting.

Step 3. If the grievance remains unresolved following Step 2, the Union may submit the grievance to the Minnesota Bureau of Mediation within ten (10) business days of when the Employer's written response was due. The parties shall attempt to resolve the dispute through the Bureau of Mediation Services mediation process.

Step 4. If the grievance is not settled in Step 3 and the Union desires to appeal, it shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971. The Employer and Union shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance. If the Employer and the Union are unable to agree on an arbitrator, the Union shall request from the Commissioner of the Bureau of Mediation Services, the State of Minnesota, a list of five (5) names within ten (10) business days

following receipt of the Employer's answer in Step 3. The parties shall alternately strike names from a list of five (5) arbitrators until only one (1) name remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. Each party shall be responsible for equally compensating the arbitrator for his/her fee and necessary expenses.

- 7.4 If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specific time limit or any agreed upon extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specific time limits, the employee may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step, except the time limit for filing the grievance, may be extended by mutual written agreement of the Employer and employee in each step, which extension shall not be unduly withheld by either party.
- 7.5 The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Union and shall have no authority to make a decision on any other issue not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules, and regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension. The decision shall be binding on both the Employer and Union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.

If arbitration is not allowed by law or statute, or not covered by the express terms of this Agreement, the arbitrator shall refer the grievance back to the parties without decision or recommendation.

The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

- 7.6 CHOICE OF REMEDY. If, as a result of the written Employer's response in Step 3, the grievance remains unresolved, and if the grievance involved the suspension, demotion, or discharge of an employee who has completed the required probationary period, the grievance may be appealed either to Step 4 of Article 7 or a procedure such as Civil Service, Veteran's Preference, or Fair Employment. If an employee has the option of pursuing either a grievance or a statutory remedy and the employee elects to pursue one of those remedies, that election shall be the employee's exclusive remedy, and the employee shall have no right to pursue any other remedy. Except with respect to statutes under the jurisdiction of the United States Equal Employment Opportunity Commission where an employee pursuing a statutory remedy is not precluded from also pursuing an appeal under this grievance procedure.

It shall be the employee's duty to notify the Employer of any address change. Recall shall be based on the same criteria as layoff, and no new employee will be employed to fill a vacant position if an employee is available from the layoff list with the ability to perform the work of the position. Refusal or failure to accept recall for a position for which the employee on layoff is qualified shall terminate all right to recall.
