An employee shall have the right to question all such discipline through the grievance procedure as outlined in Article VI.

Section B.

It is recognized that discipline must be taken up promptly and shall in no event be presented to an employee more than fifteen (15) days after the supervisor could have been expected to know of the occurrence of the condition which it claimed gave rise to the discipline.

Normal disciplinary measures which the Employer may use are:

to emphasize the importance of compliance with the Employer's policies and work rules.

(3) Suspension

ARTICLE VIII
GRIEVANCE PROCEDURE

Section A. Definition of a Grievance

A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement.

Section B. Union Representatives

The Union shall notify the Employer in writing of the names of such Union Representatives and of their successors when so designated.

Section C. Processing of a Grievance

It is recognized and accepted by the Union and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall, therefore, be accomplished only when consistent with such employee duties and responsibilities. The aggrieved employee and a representative shall be allowed a reasonable amount of time without loss in pay when a grievance is investigated and presented to the Employer during normal working hours, provided that the employee and the Union representative have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the Employer.

Section D. Procedure

Any complaint, dispute or difference shall be presented and first discussed by the employees involved and the Director of Public Works, as designated by the Employer. An employee may be accompanied by a steward if the employee so requests. The employee or employees involved, if not satisfied with the decision of the Director of Public Works, shall contact the steward and try to settle the dispute over differences. If a successful resolution cannot be reached through verbal negotiations, formal grievance policies shall commence. It is agreed there shall continue to be joint Employer/Employee committee as required for the express purpose of improving communication, labor relations, and safety, thereby enhancing productivity. Grievances, as defined by Section A, shall be resolved in conformance with the following procedure:

Step 1.

An employee claiming a violation of this Agreement shall, within seven (7) calendar days after such alleged violation has occurred, present such grievance in writing to the Director of Public Works. The Employer-designated representative will discuss and give an answer to such Step 1 grievance within ten (10) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing, setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested, and shall be appealed to Step 2 by the Union within ten (10) calendar days, or it shall be considered waived.

Step 2.

If appealed, the written grievance shall be presented by the Union and discussed with the Employer-designated Step 2 representative. The Employer-designated Step 2 representative shall

give the Union the Employer's Step 2 answer, in writing, within ten (10) calendar days after receipt of such Step 2 grievance. A grievance not resolved in Step 2 may be appealed to Step 3 within ten (10) calendar days. Any grievance not appealed within ten (10) calendar days shall be considered waived.

Step 3.

If appealed, the written grievance shall be presented by the Union and discussed with the Employer-designated Step 3 representative. The Employer-designated Step 3 representative shall give the Union the Employer's answer in writing within ten (10) calendar days after receipt of such Step 3 grievance. A grievance not resolved in Step 3 may be appealed to Step 4 within ten (10) calendar days following the Employer-designated representative's final answer in Step 3. Any grievance not appealed to Step 4 by the Union within ten (10) calendar days shall be considered waived.

Step 4.

A grievance unresolved in Step 3 and appealed to Step 4 by the Union shall be submitted to arbitration, subject to the provisions of the Public Employment Labor Relations Act of 1971. The selection of an arbitrator shall be made in accordance with the "Rules Governing Arbitration of Grievances" as established by the Public Employment Relations Board.

Section E. Arbitrator's Authority

- (1) The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Union, and shall have no authority to make a decision on any other issue not so submitted.
- (2) The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in any way the application of laws, rules or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the Employer and the Union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.
- (3) The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

Section F. Waiver

If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the employer's last answer. If, at any step, the Employer does not answer a grievance or an appeal thereof within the specified time limits, the grievance shall be considered resolved on the basis of the grieved employee's last position. The time limit in each step may be extended by mutual written agreement of the Employer and the Union in each step.

Section G. Choice of Remedy

If as a result of the written Employer response in Step 3, the grievance remains unresolved, and if the grievance involves the suspension, demotion or discharge of an employee who has completed the required probationary period, the grievance may be appealed either to Step 4 of Section D, or a procedure such as: Civil Service, Veterans Preference, or Fair Employment. If appealed to any procedure other than Step 4 of Section D, the grievance is not subject to the arbitration procedure as provided in Step 4 of Section D. The aggrieved employee shall indicate in writing which procedure is to be utilized Step 4 of Section D or another appeal procedure and shall sign a statement to the effect that the choice of any other procedure precludes the aggrieved employee from making a subsequent appeal through Step 4 of Section D.
