SENIORITY

Section A.

All regular employees working for the City of Bovey, Minnesota, as outlined in the bargaining unit of the Recognition Clause, shall be covered by this Agreement and placed on the seniority list.

Section B.

Seniority standing shall be granted to all employees in accordance with the length of continuous service for the City of Bovey. Each new employee shall be placed on the seniority list as of the first day of employment upon completion of one (1) consecutive working year of employment, and an additional six (6) months probation may be implemented by the City Council or the Police Chief. During such one (1) year of employment, employees may be discharged by the Employer without cause and without the same causing a breach of this Agreement or constituting a grievance hereunder.

A part-time employee's scheduled earned and paid work days shall count as one (1) day of seniority (240 earned/paid days = one (1) year of service seniority).

Library Director, Patrick Perry, shall retain seniority from his first date of hire, for all contract benefit purposes. However, seniority for the purposes of job bid preference and layoff protection will commence with 12/5/2003, the date he was first included in the Bargaining Unit by State BMS Unit Clarification Order. Mr. Perry will be covered under the terms and conditions of the AFSCME Service Unit contract.

Continuous service shall be determined by the date of the employee's first regular employment with the City or the date of re-employment after a break in continuous service. Continuous service is broken by:

1. Voluntary quitting the service of the City;
2. Absence due to discharge, termination, suspension or leave of absence, any of which continues for more than six (6) consecutive months.

Section C.

An employee shall lose seniority standing upon voluntary resignation from employment, or upon discharge for cause. An employee's seniority shall not be terminated because of absence due to illness, authorized leave of absence, or temporary layoff.

Section D.

In the event of a layoff, employees shall be laid off according to seniority in the inverse order of hiring. Employees shall be rehired according to seniority in the inverse order of layoffs, maximum, two (2) years.

Section E.

In case of a reduction of force or the elimination of a position, a senior employee may exert his seniority preference over a junior employee in any classification of work, provided he has the necessary qualifications to perform the duties of the job involved.

Section F.

A temporary vacancy shall be any vacancy or temporary work assignment which results because of the absence of another regular employee and which continues in excess of one (1) work day and which does not result in a break of continuous-service of a regular employee as defined in Section B of this Article and which does not constitute a newly-created position. The Employer, at its discretion, may fill such temporary vacancy with the senior qualified employee within the department. Such employee shall receive the classification or position rate of pay or his own classification or rate of pay, whichever is the greater; provided, however, that Article III, Sections A and B, shall apply in all cases.

Section G.

Notice of all vacancies and newly-created positions shall be posted on the employee bulletin board, and the employees shall be given seven (7) days time in which to make application to fill the vacancy or new position. The senior employee making application shall be transferred to fill the vacancy or new position, provided he has the necessary qualifications to perform the duties of the job involved. The Employer or other appropriate department head shall make the determination as to whether or not an applicant possesses the necessary qualifications. In the event the Union does not concur in the determination, the applicant shall have the right of appeal through the normal grievance procedure. Newly-created positions or vacancies are to be posted in the following manner: The type of work, the place of work, the rate of pay, the hours to be worked, and the classification.

The employee shall be granted a sixty (60) day trial period in which time the employee may opt to return to the employee's previous position, and the Employer shall have the same sixty (60) day period to determine if the employee is capable of performing the duties of the position. In the event the Employer determines that the employee is not capable of performing the job duties, said employee shall return to the employee's previous position and shall retain the right of appeal via the grievance procedure.

Section H.

The seniority list shall be brought up-to-date on January 1st of each calendar year and posted on employees' bulletin boards. A copy of the seniority list shall be sent by mail to the Secretary and President of the Union.

Section I.

The Employer will recognize the right of an employee, within any of the two AFSCME bargaining units (Essential and Service) to apply for transfer from one bargaining unit to another only when a vacancy or newly created position exists and proper posting procedure in a specified bargaining unit has been complied with. The Employer, in selecting an applicant to fill such position, shall award the position to the most senior employee, within the bargaining unit where the posting occurs, provided the employee has the necessary qualifications to perform the job. In the event there is not a qualified applicant from within the respective bargaining unit, the employer shall next consider senior qualified applicants from the other AFSCME bargaining unit.

A transferred employee's original seniority hire date shall be frozen in his/her former unit. An employee will be given the full benefit of frozen seniority, for all purposes of the prior Agreement in the event of a subsequent transfer back into his/her previous unit.

An employee transferring into a new unit as the result of a job bid shall continue to carry over all accumulated sick leave and vacation credit. The employee will be governed by the conditions of the new bargaining unit with respect to fringe benefits and other working conditions.

For purposes of benefit eligibility, granted under the new unit contract, the transferred employee shall retain and be given the benefit of all seniority accrued from his/her first date of hire with the City. However, he/she shall also establish a unit

seniority date commencing with his/her first day of employment in the position governed by the new bargaining agreement. This unit seniority date shall be used for determining future job bid preference and layoff protection in comparison to other employees covered by the new units bargaining agreement.

However, in the event an employee opts to transfer due to the elimination of his/her position, she/he shall retain all seniority accrued from his/her first date of hire with the City. He/she will be permitted to exercise such seniority for initial and subsequent "bumping" purposes and will retain such seniority for all purposes of the new unit agreement.

1. An effort shall be made to adjust the grievance between the employees and/or a grievance committee and the immediate supervisor.
2. In the event no settlement has therefore been reached, the Employer shall, upon written request of the Union, grant a formal hearing on the grievance.
3. In the event no settlement is thereby reached, it shall be compulsory to the parties of this Agreement to submit the grievance to arbitration, and the decision and award made in arbitration shall be final and binding on both parties.
4. Duly authorized representatives of the Union shall have the right to accompany the Union Grievance Committee in the discussion or adjustment of Union grievances.

Section E. Part-time Employee Insurance Benefits

Part-time employees are not eligible to participate in group insurance benefit plans for active employees until such employee has completed one (1) year of employment, same to be calculated from the employee's anniversary date. After completion of one (1) year, the part-time employee may elect to participate in any or all plans provided to full-time employees. The employer's monthly share of premium payment in the first year after reaching eligibility and in subsequent years shall be pro rated based upon an average of the part-time employee's earned and paid hours from the preceding year.
