In the event that the City Administrator is the grievant's supervisor or department head, the grievance shall be filed directly at Step 2.

Step 2: In the event the grievance is not resolved in Step 1, the decision rendered may be appealed to the City Administrator, provided such appeal is made within ten (10) days after receipt of the decision in Step 1. If a grievance is properly appealed to the City Administrator, he/she shall set a time to hear the grievance within twenty (20) days after the appeal is received. After the meeting, the City Administrator shall issue a decision in writing within ten (10) days to the parties involved.

Step 3: In the event the grievance is not resolved in Step 2, the decision rendered may be appealed to the City Council or its representative, provided such appeal is made within ten (10) days after the receipt of the decision in Step 2. If a grievance is properly appealed to the City Council or its representative, they shall set a time to hear the grievance within twenty (20) days after the appeal is received. After the meeting, the City Council or its representative shall issue its decision in writing within ten (10) days to the parties involved.

Step 3A: Upon completion of the previous procedure and prior to requesting arbitration, the Union or the Employer may request mediation of the grievance by the Bureau

of Mediation Services. Such request must be made within ten (10) days following the decision in Step 3. The time limit for requesting arbitration shall be waived and if mediation does not resolve the grievance, arbitration may commence as hereafter provided in Step 4.

Step 4: If the grievance remains unresolved, the Union may, within ten (10) days after the response of the City Council or the last mediation session, by written notice to the Employer, request arbitration of the grievance. The arbitration proceedings shall be conducted by an arbitrator to be selected by mutual agreement of the Employer and the Union. If the parties fail to mutually agree upon an arbitrator within seven (7) days, either party may request the Bureau of Mediation Services to submit a panel of arbitrators. Both the Employer and the Union shall alternately strike names from the panel until one name remains and that person shall be the arbitrator. The party requesting arbitration shall strike the first name and shall notify the arbitrator of the selection.

Section 7. Arbitrator's Authority. The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted to him/her in writing by the employee and by the Employer at the arbitration hearing and shall have no authority to make a decision on any other issue not so submitted to him/her.

The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules or regulations having the force and effect of law.

The arbitrator shall submit a decision in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension. Subject to the Uniform Arbitration Act, Minnesota Statutes 572.01 et seq., the decision shall be binding on both the Employer and the Union. It shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.

Section 8. Fees and Expenses. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party

desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record.

Section 9. Waiver. If a grievance is not presented within the time limits set forth above, it shall be considered "waived." If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Union.

Section 10. Choice of Remedy. If as a result of the written Employer response at Step 3, the grievance remains unresolved, and if the grievance involves the suspension, demotion or discharge of an employee who has completed the required probationary period, the grievance may be appealed either to Step 4 of this Article or a procedure such as Veterans Preference or Fair Employment. If appealed to any procedure other than Step 4 of this Article, the grievance is not subject to the arbitration procedure set forth herein. The aggrieved employee shall indicate in writing which procedure is to be utilized - Step 4 of this Article or another appeal procedure - and shall sign a statement to the effect that the choice of any other procedure precludes the aggrieved employee from making an additional appeal through Step 4 of this grievance procedure.

ARTICLE XIII **DISCIPLINE AND DISCHARGE**

Section 1. Just Cause. An employee who has completed the required probationary period may be disciplined only for just cause. Disciplinary action or measures may include any of the following: (1) oral reprimand; (2) written reprimand; (3) demotion or salary adjustment; (4) salary freeze, not to exceed six (6) months; (5) suspension; and (6) discharge, depending upon the reasons giving cause to discipline an employee. An employee disciplined by the Employer may process an appeal of such action through the grievance procedure of this Agreement.

The Employer shall notify the employee in writing of the specific charges. The employee may arrange for Union representation, if the employee so chooses.

At any time during the probationary period, the Employer shall have the unqualified right to suspend without pay, discharge, or otherwise discipline such employee; and during this probationary period, the employee shall have no recourse to the grievance procedure, insofar as suspension, discharge or other discipline is concerned, and a newly hired or rehired employee may be terminated at the sole discretion of the Employer.

Section 2. Part-Time Employees. A part-time employee's seniority standing shall be based upon total hours of service. If a part-time employee goes to full-time employment, the employee's total hours of service will be divided by 2080 to establish the effective seniority date.

Section 3. Seniority List. The seniority list on the effective date of this Agreement shall show the name, hire date and job title of all employees in the bargaining unit. The Employer shall keep the seniority list up to date, in addition to posting the list on the employee's

The Employer shall provide thirty (30) working days notice of layoff, except that employees hired on a seasonal or temporary basis shall be exempt from the thirty (30) day notice requirement. A senior employee may bump into a lateral or lower classification provided the employee is qualified for the job. An employee who bumps into another position shall be paid the salary of that position.

When the working force is increased after a layoff, employees will be recalled according to classification seniority in the reverse order of layoffs. Notice of recall shall be sent to employees at their last known address as on file with the Employer by registered or certified mail. If the employee fails to report for work within ten (10) working days from the date of mailing of the notice of recall, the employee shall be considered as having resigned. Employees shall have the rights of recall for a period of one (1) year from the initial layoff date.

Section 6. Vacancies and New Positions. Notice of all permanent vacancies and newly created positions shall be posted on the employees bulletin board at City Hall, Public Works and Community Center for a period of five (5) working days. The posting at City Hall will be the official posting for all purposes. The postings at Public Works and Community Center are not the official posting. The most senior employee, if qualified, will be given the vacant or new position.

Section 7. Wages. Employees may be assigned to work all levels of responsibility for a period not exceeding one (1) week without a changed wage level.

2017	\$3,000	\$6,000
2018	\$3,000	\$6,000

The Employer's annual contribution to the HSAs shall be made in four (4) equal quarterly installments, payable as of the beginning of each quarter of the calendar year to then-eligible employees. The Employer may advance quarterly payments in individual hardship cases, subject to the employee's obligation to repay the Employer in the event the employee is not employed long enough during the year to have been entitled to the quarterly payments which were advanced.

The Employer shall be obligated to make only one (1) HSA contribution on behalf of an employee. Therefore, if the employee is enrolled as a dependent of another employee for whom the Employer has made a family coverage contribution, the Employer is not obligated to make a separate single coverage contribution of behalf of the employee.

Any change in the coverages provided under the policy of group insurance which are imposed by the insurance carrier without option to the City and which are applicable to all City employees shall be implemented for the members of this bargaining unit. The Employer will notify the Union as soon as practicable of changes in the group insurance policy and will, at the request of the Union, meet and confer regarding the changes. Any increased cost due to the change shall be the responsibility of the employee, unless the parties agree during the meet and confer discussion to allocate the increased cost between the parties.

Section 2. Dental Insurance. Employees shall be provided Dental Insurance by the City. The premium contribution shall be based on the formula in Section 1. The benefit level shall not be reduced from the Delta Dental Plan (Delta Select Plus) presently in force.

Section 3. Long Term and Short Term Disability. The Employer shall provide and pay one hundred percent (100%) of the premium for a long term disability policy for each employee.

Section 4. Eligibility. Employees who work a minimum of thirty (30) hours per week shall receive full insurance benefit. Employees below thirty (30) hours per week shall receive prorata City contribution based on their actual hours of work.

Section 5. Retirees. The Employer will pay on behalf of an employee who retires from the Employer at a time when the employee is eligible for and will immediately begin receiving a PERA retirement annuity, a portion of the premium for continued coverage under the Employer's health and dental insurance programs, for up to three (3) uninterrupted years (meaning that the employee elects and continuously retains coverage) beginning with the employee's retirement from the Employer, or until the employee is eligible for Medicare, whichever occurs sooner, as follows:

- A. With 25 or more years of service – same percentage premium contribution made on behalf of active employees, for single coverage.
- B. With 15 to 25 years of service – fifty percent (50%) premium contribution made on behalf of active employees, for single coverage.
- C. With 10 to 15 years of service – twenty-five percent (25%) premium contribution on behalf of active employees, for single coverage.

Section 6. Claims Against Employer. It is understood that the Employer's only obligation is to provide and make available to employees an insurance policy and to pay such amounts as set forth herein, and no claims shall be made against the Employer as a result of a denial of insurance benefits by an insurance carrier.

Section 7. Life Insurance. The City shall provide and pay the premium for a \$20,000 life insurance policy for each employee. The policy shall include double indemnity in the case of accidental death.

Section 8. Worker's Compensation. If an employee is disabled due to an injury sustained during the course and scope of performing work for the Employer, the Employer will pay the full premium for health and life insurance coverage (for the employee only and not his/her dependent) for a period of up to one (1) year.

ARTICLE XVII RATES OF PAY

Section 1. Wages. The wages reflected in Appendix "A" and attached hereto shall be part of this Agreement.

Section 2. Step Movement. Step movement shall occur on January 1 each year, except that an employee hired after July 1 shall move to the next step on the salary schedule on January 1 after their first full year of employment.

Initial salary schedule placement of new employees will be by mutual agreement of the employee and the City Council. The Employer, at its discretion, may advance an employee up to one additional step upon successful completion of the probationary period.

Section 3. Reclassification. An employee transferred to a higher paid classification shall be placed on the step of the new classification salary schedule that represents an increase above current salary.

An employee who voluntarily transfers to a lower paid classification shall be placed on the salary schedule on the same step of the new classification as they were in their previous classification.

In the event that any employee bumps into a lower paid classification or their position is downgraded under comparable worth evaluation, the employee would not lose salary, but would be frozen at current salary until the salary range of the lower classification catches up.

Section 4. Job Re-Evaluation. During the term of this Agreement, an employee or department head may request the re-evaluation of a position based on significant changes in duties and responsibilities. Requests would be limited to one such request per calendar year for any position.

Requests for job re-evaluation should be made to the City Administrator and the request should be acted upon as soon as possible. The City Administrator will make a recommendation to the City Council, after conferring with the Union, as to the salary range, placement of employee(s) of the range and effective date of salary change, if any. The City Council will make the final determination regarding any changes.

During the remainder of the contract term, any salary schedule changes occurring due to job re-evaluation will be set forth in a Letter of Understanding between the City and the Union and incorporated into the successor Agreement.

Section 5. "On Call" Pay. Management retains the right to place an employee "on call" for a period of one week. A normal "on call" week begins at 7:00 a.m. Monday and ends the following Monday at 7:00 a.m.

An acceptable "on call" rotation shall be established between the City Administrator (or designee) and the employees assigned to be "on call."

"On call" employees shall be available by pager and/or cell phone with a maximum response time of thirty (30) minutes under normal conditions. Reasonable deviations to the maximum response time may be mutually agreed to by the City Administrator (or designee) and the affected employee(s).

Employees assigned to be "on call" shall be compensated at the rate of one hundred thirty dollars (\$130) per week.

Section 6. Longevity. Upon completing fifteen (15) years of continuous service since the employee's last date of hire and upon receiving a performance rating of satisfactory for the prior year, an employee shall receive a longevity increase of one percent (1%). Upon completing twenty (20) years of continuous service since the employee's last date of hire and upon receiving a performance rating of satisfactory for the prior year, an employee shall receive a longevity increase of one percent (1%). Upon completing twenty-five (25) years of continuous service since the employee's last date of hire, and upon receiving a performance rating of satisfactory for the preceding year, an employee shall receive an additional one percent (1%) longevity increase.

ARTICLE XVIII **GENERAL PROVISIONS**

Section 1. Mileage. Employees who use their own vehicles to travel on City business shall be reimbursed on a mileage basis at the rate established by the Internal Revenue Service.

Section 2. Labor Negotiations. If labor negotiations are conducted during work hours, two (2) employees shall be allowed to participate in such negotiations without loss of pay.

Section 3. Uniform Allowance. Employees who work outside shall be allocated up to a three hundred dollar (\$300) uniform allowance at the beginning of each year. Regular part-time employees are entitled to uniform allowance on a prorata basis according to the number of hours they worked in the previous calendar year. The prorata amount for the first year of employment will be based on a projected number of hours that the employee is expected to work. The City will provide winter coveralls initially. The uniform allowance shall be for reimbursement, upon presentation of receipt, of the following: shirt, jacket, pants, safety shoes, long underwear, hat, gloves.

ARTICLE XIX
DRUG AND ALCOHOL TESTING

Section 1. Drug and Alcohol Testing. Members of the bargaining unit shall be subject to drug and alcohol testing in conformance with state law.

ARTICLE XX
DURATION

Section 1. Term and Reopening Negotiations. This Agreement shall be effective January 1, 2016 through December 31, 2018, and shall remain in effect from year to year thereafter unless either party shall give written notice sixty (60) days prior to any anniversary date of its desire to amend or terminate the Agreement.

Section 2. Finality. The parties mutually acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to submit demands and proposals with respect to any term or condition of employment not removed by law from bargaining. The parties also acknowledge that all reasonable personnel policies of the Employer and all accumulated benefits not mentioned in this Agreement, unless specifically waived by the exclusive representative, remain in effect so long as they are consistent with the provisions of this Agreement. The specific provisions of this Agreement, however, supersede all policies, rules and regulations of the Employer that are inconsistent with these provisions.

Section 3. Mutual Agreement. Unless expressly mutually agreed in writing, this Agreement may not be reopened for negotiation during the duration thereof.

Notwithstanding the foregoing, either party may give thirty (30) days' written notice of their desire to amend Article XVI of this Agreement as a result of the implementation of and/or any amendments to the Patient Protection and Affordable Care Act. In the event such notice is given, all of the other provisions of this Agreement will continue in full force and effect and the parties will meet and negotiate in good faith regarding Article XVI only. The parties intend to comply with the Act and avoid any penalties, taxes, or fines for the Employer.

Section 4. Severability. The provisions of this Agreement shall be severable, and if any provision thereof or the application of any such provision under the circumstances is held invalid, it shall not affect any other provisions of this Agreement or the application of any provision thereof.

IN WITNESS WHEREOF, the parties hereto set their hands and seals on this ____ day of _____, 2016.

Re: City of Crosslake
Health Insurance

Dear Ms. Thrasher:

This letter will confirm that during negotiation of the 2013-2015 collective bargaining agreement for the City of Crosslake, it was agreed that upon ratification of the 2013-2015 contract any past practice of the City paying reimbursement for deductibles or other costs under the group health insurance plan shall be ended and the language of the revised Section 16.1 shall thereafter apply. Provided, however, the City shall make available to each employee an allowance of up to \$250.00 for reimbursement of co-pays in accordance with the practice that existed prior to ratification of the 2013-2015 contract. The \$250.00 allowance shall remain available to the employee for reimbursement until exhausted.

Our signatures below will indicate agreement to the terms of this letter on behalf of AFSCME Council 65, Local 689 and City of Crosslake, respectively, the same as if incorporated into the collective bargaining agreement itself.

Yours very truly,

Darrell Schneider, Mayor
