PURPOSE OF AGREEMENT

This Agreement is made and entered into by and between Sherburne County, hereinafter called the Employer, and the American Federation of State, County and Municipal Employees, AFL-CIO, Minnesota Council 65, hereafter called the Union.

- 2.1 The Employer recognizes the Union as the exclusive representative under Minnesota Statutes, Section 179A.09 for employees of the Sherburne County bargaining unit identified by the Bureau of Mediation Services certification of exclusive representative dated February 14, 2003 Case #03-PCE-693 and described as: all Assistant County Attorneys employed by Sherburne County, Elk River, Minnesota, who are public employees within the meaning of Minn. Stat. 179A.03, subd. 14, excluding supervisory and confidential employees.
- 2.2 In the event the Employer and the Union are unable to agree as to the inclusion or exclusion of a new or modified job class, the issue shall be submitted to the Bureau of Mediation Services for determination.
- 2.3 The Employer agrees not to enter into any agreements with members of the bargaining unit, either individually or collectively, which in any way conflict with the terms and conditions set forth in this agreement, except through the certified representative.

- 2.4 The Union recognizes the labor relations representative designated by the Employer as the exclusive representative of the Employer and shall meet and negotiate exclusively with such representative. No agreement covering terms and conditions of employment or other matters made between the Union and the Employer shall be binding upon the Employer unless the signatures of the Employer's designated labor relations representative, as well as the County Board Chair and the County Attorney, are affixed thereon.
- 2.5 The Employer and the Union agree that there shall be no discrimination by the Employer or the Union against members of this bargaining unit because of race, color, national origin, creed, religion, sex, sexual orientation, age, marital status, or because of a disability with respect to a position the duties of which can be performed adequately by an individual with such a disability, without adversely affecting the health or safety of the disabled person or others.
- 2.6 The Employer and the Union agree that the "Policy Prohibiting Harassment, Offensive Conduct and Violence", attached as Appendix C, shall apply to this group.

ARTICLE 4
EMPLOYER SECURITY: NO STRIKE PROVISION

- 4.1 In recognition of the provisions included in this Agreement for a grievance procedure providing for arbitration to be used for resolution of disputes, the Union agrees that during the life of this Agreement the Union, its officers and agents, and any of the employees covered by this Agreement will not cause, encourage, participate in or support any strike, slowdown or other interruption of or interference with the normal functions of the Employer during the term of this Agreement. Any or all employees who violate the provisions of this Article will be subject to discharge or other discipline, as appropriate.

ARTICLE 5
EMPLOYER AUTHORITY

- 5.1 The Union recognizes the right of the Employer to operate, manage and direct its affairs in all respects in accordance with existing and future laws and regulations of appropriate authorities, including County Personnel Policies and Work Rules. In case of conflict, the authority of the Employer as prescribed by law and regulations shall supersede and take precedence over any provision of this Agreement. The Employer has the sole authority to determine the purpose and mission of the Employer, the standards of service offered the public and the amount of budget allocated, thereto. The Employer retains all prerogatives and authority not specifically abridged, delegated or modified by this Agreement including the right to perform inherent managerial functions as set forth in the Minnesota Public Employee Labor Relations Act of 1971, as amended.
- 5.2 Nothing in this Agreement shall prohibit or restrict the right of the Employer to subcontract work normally done by employees covered by this Agreement.

ARTICLE 6

- 6.3 The Employer shall make space available on the employee bulletin board for the posting of Union notices and announcements.
- 6.4 The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this Article.

ARTICLE 7
EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE

- 7.1 DEFINITION OF A GRIEVANCE
A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement.
- 7.2 UNION REPRESENTATIVE
The Employer will recognize representatives designated by the Union as the grievance representatives of the bargaining unit having the duties and responsibilities established by this Article. The Union shall notify the Employer, in writing, of the names of such Union Representatives. The union will limit bargaining unit representatives to one per grievance.
- 7.3 PROCESSING OF A GRIEVANCE
It is recognized and accepted by the Union and the Employer that the processing of grievances, as hereinafter provided, is limited by the job duties and responsibilities of the employees and shall, therefore, be accomplished during normal working hours only when consistent with such employee duties and responsibilities. The aggrieved employee and a Union Representative shall be allowed a reasonable amount of time without loss in pay when a grievance is investigated and presented to the Employer during normal working hours, provided that the employee and the Union Representative have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the Employer.
- 7.4 PROCEDURE
Grievances, as defined by Section 7.1, shall be resolved in conformance with the following procedure:

Step 1. An employee claiming a violation concerning the interpretation or application of this Agreement shall, within twenty-one (21) calendar days after such alleged violation has occurred, present such grievance to the Chief Deputy County Attorney who will discuss and give an answer to such Step 1 grievance within ten (10) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing, setting forth the nature of the grievance, the facts on which it is based, the provisions or provision of the Agreement allegedly violated, the remedy requested, and shall be appealed to Step 2 within ten (10) calendar days after the final answer in Step 1. Any grievance not appealed in writing to Step 2 by the Union within ten (10) calendar days shall be considered waived.

Step 2. If appealed, the written grievance shall be presented by the Union to the County Attorney and discussed. The County Attorney shall give the Union the Employer's Step 2 answer, in writing, within ten (10) calendar days after receipt of such Step 2 grievance. A grievance not resolved in Step 2 may be appealed to Step 3 within ten (10) calendar days following the final Step 2 answer. Any grievance not appealed in writing to Step 3 by the Union steward within ten (10) calendar days shall be considered waived.

Step 3. If appealed, the written grievance shall be presented by the Union to the Human Resources Director, who shall arrange a meeting within fifteen (15) calendar days between the respective Employer and Union representatives to discuss the grievance. The Human Resources Director shall give the Union the Employer's answer within ten (10) calendar days after the respective representatives have met. A grievance not resolved in Step 3 may be appealed to Step 4 within ten (10) calendar days following the final Step 3 answer. Any grievance not appealed in writing to Step 4 by the Union within ten (10) calendar days shall be considered waived.

Step 4. A grievance unresolved in Step 3 and appealed to Step 4 by the Union shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971, as amended. The selection of an arbitrator shall be made in accordance with the Rules and Regulations as established by the Bureau of Mediation Services.

The arbitrator shall hear the grievance at a scheduled meeting subject to the availability of the Employer and the Union representatives. The arbitrator shall notify the employee, the Union representative and the Employer of his/her decision within thirty (30) calendar days following close of the hearing or submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that

each party shall be responsible for compensating its own representatives and witnesses. If either Party desires a verbatim record of the proceedings, the cost shall be shared equally.

The arbitrator shall not have the right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted, in writing, by the Employer and the employee Union, and shall have no authority to make a decision on any other issue(s) not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way, the application of laws, rules or regulations having the force and effect of law. The Decision shall be binding upon both the Employer and the Union and shall be based solely upon the express terms of this Agreement and on the facts of the grievance presented.

If the arbitrator determines that the grievance is covered by law or statute, or not covered by the express provision of this Agreement, the arbitrator shall refer the grievance back to the parties without decision or recommendation.

7.5

CHOICE OF REMEDY

It is specifically understood that any matters governed by statutory or regulatory provisions, except as expressly provided for in this Agreement, shall not be considered grievances under this agreement. In the event that more than one procedure is available for resolution of a dispute arising from any provisions covered by this Agreement, the aggrieved employee(s) shall be limited to one procedure through which remedy may be sought. The aggrieved employee(s) shall indicate, in writing, which procedure is to be utilized and shall sign a statement to the effect that the choice of any one procedure precludes the aggrieved employee(s) from making a subsequent appeal under any other procedure(s). Employees may use both this grievance procedure and a statutory procedure to the extent that it is required by state or federal law.

ARTICLE 8 SAVINGS CLAUSE

8.1

This Agreement is subject to the laws of the United States, the State of Minnesota and the County of Sherburne, Minnesota. In the event any provision of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provision shall be voided. All other provisions of this Agreement shall continue in full force and effect. The voided provision may be renegotiated at the written request of either party.

ARTICLE 9
SENIORITY

- 9.1 Seniority shall be determined by the employee's length of continuous full time or part-time employment (based on the total number of compensated hours of service) in a permanent position classification within the department and covered by this Agreement. For employees promoted to positions outside the bargaining unit, seniority shall be frozen and the probation period shall not constitute a break in continuous employment, for purposes of this Agreement.
- 9.2 A seniority list shall be maintained on the basis of compensated service time in a classification and total time in a permanent position classification. The seniority list shall be given to the AFSCME Local President for distribution to union members. The seniority list shall be deemed correct thirty (30) days after distribution to union members unless an employee has raised a question regarding the time indicated thereon.
- 9.3 During the probationary period a newly hired or rehired employee may be discharged at the sole discretion of the Employer. A probationary employee shall receive written notice of discharge. Discharge of a probationary employee is not grievable or appealable and the Grievance Procedure contained in this Agreement shall not apply.
- 9.4 The probation period on initial employment or rehire shall be one calendar year for full time employees or 2,080 compensated hours for part time employees. Unpaid leave of absence of 40 hours or more shall extend the probation period by the length of the unpaid leave of absence.
- 9.5 Employees promoted to supervisory positions within the department shall retain seniority for six (6) months (1,040 compensated hours) following the date of promotion. Seniority status shall not be gained if the probation period is not satisfactorily completed. Seniority shall date back to the initial date of employment to a permanent position once the probationary period has been successfully completed.

ARTICLE 10
LAYOFF AND RECALL

- 10.1 The Employer in its discretion shall determine whether layoffs are necessary. Although not limited to the following, layoffs shall ordinarily be for lack of work and/or lack of funds. If it is determined that layoffs are necessary, employees will be laid off in the following order:
- a. Probationary employees (this includes those employees serving the initial one-year equivalent probation period after hire, including any probation extension; but does not include those employees serving a promotion

probationary period after completion of the initial probation).

- b. New hires since execution of this agreement by date of hire (last hired is first laid off).
- c. David Anderson 3/31/2014
- d. Dan Rehlander 2/26/2014
- e. Kevin Lin 1/10/2011
- f. Timothy Sime 5/24/2010
- g. Dawn Nyhus 2/13/2008
- h. Jennifer Pim 12/18/2006
- i. Tracy Harris 3/6/2006
- j. Elisabeth Spilde 10/17/2005
- k. Erin O'Toole-Tomczik 6/24/2002
- l. Victoria Powell 2/12/2001
- m. Leah Emmans 11/17/1997

10.2 Employees who are laid off shall be placed on a recall list for a period of two (2) years. If there is a recall, employees who are still on the recall list shall be recalled in the inverse order of their layoff, provided they are presently qualified to perform the work in the job classification to which they are recalled without further training.

10.3 The Employer shall not hire new employees in bargaining unit positions as long as there are still employees on the recall list who are presently qualified to perform the work in the affected job classification and are willing or required to be recalled to said classification.

10.4 Employees who are eligible for recall shall be given fourteen (14) calendar days' notice of recall and notice of recall shall be sent to the employee by certified or registered mail with a copy to the Union, provided that the employee must notify the Employer of his/her intention to return within three (3) days after receiving notice of recall.

The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by registered mail, return receipt requested, to the mailing address provided by the employee, it being the obligation and responsibility of the employee to provide the Employer with his/her latest mailing address.

ARTICLE 11 DISCIPLINE

11.1 The Employer shall discipline employees for just cause only. Discipline shall be in one of the following forms. The Employer holds the philosophy of progressive

discipline where appropriate, but reserves the right to impose any disciplinary measure depending on the circumstances including severity of the conduct or omission, and past record of the employee.

- a. Oral reprimand
- b. Written reprimand
- c. Suspension
- e. Discharge

- 11.2 Suspensions and discharges will be in written form.
- 11.3 Written reprimands, notices of suspension, and notices of discharge, which are to become part of an employee's personnel file, shall be read and acknowledged by signature of the employee. Employees and the Union shall receive a copy of such reprimands and/or notices.
- 11.4 Employees may examine their own individual personnel files at reasonable times under the direct supervision of the Employer.
- 11.5 Grievances relating to this Article and involving suspension, demotion or discharge shall be initiated by the Union in Step 2 of the Grievance Procedure under Article VII.

ARTICLE 12 CONSTITUTIONAL PROTECTION

- 12.1 The Employer and the Union agree that nothing in this Agreement shall limit or impair the rights of covered employees under the laws of the United States or of the State of Minnesota.

ARTICLE 13 WORK SCHEDULES

- 13.1 A normal work year shall consist of two thousand eighty (2,080) hours including assigned work, training and authorized leave time.
- 13.2 Employees shall be expected to work the necessary hours per day within reason, to adequately perform their required duties and responsibilities in a satisfactory manner.
- 13.3 It is understood that the normal workweek shall consist of forty (40) hours, with

- Saturday and Sunday normally not considered to be a part of the workweek, however, nothing contained in this Article shall be interpreted to be a guarantee of a minimum or maximum number of hours the Employer may assign employees.
- 13.4 Flexible working hours shall be authorized at the discretion of the County Attorney or Chief Deputy County Attorney.
- 13.5 Employees are classified as professional employees and are exempt under the Federal Fair Labor Standards Act and shall not receive premium pay for hours over forty (40) per week.
- 13.6 It is recognized that balancing of work hours is appropriate for employees due to extraordinary work demands such as: Trial preparation; brief drafting; work performed while on call; night meetings; caseload coverage for others; and other work demands out of the ordinary. In these instances and with supervisory approval, employees may balance hours of work in subsequent work days or payroll periods, provided such time management system does not result in additional monetary payment nor guarantee hour for hour time balancing. Supervisory approval shall not be unreasonably withheld.
- 13.7 The employee assigned to on-call duty outside business hours shall be provided with the ability to balance that responsibility by taking three hours off the normal work schedule during the following work week or before the end of the next bi-weekly pay period. Such time balancing shall occur in a manner that does not compromise job responsibilities. If more than three hours is actually spent on the on-call responsibilities outside business hours in any week, than the time balancing shall be increased to the actual, documented, on-call work time.

ARTICLE 14
PAID TIME OFF PLAN

- 14.1 **Policy:** It is the policy of Sherburne County to provide paid time away from work to eligible employees. This policy is implemented by means of the Paid Time Off (PTO) Plan.

PTO can be utilized for any purpose, subject only to necessary request and approval procedures consistent with department policy and this labor agreement.

- 14.2 PTO benefits shall be earned in accordance with the following schedule:

<u>Years of Service</u>	<u>Annual Accrual Rate</u>
0 through 4 years	168 hours (21 days)
Beginning 5 through 9 years	192 hours (24 days)
Beginning 10 through 14 years	216 hours (27 days)

Beginning 15 through 19 years	240 hours (30 days)
20+ years	264 hours (33 days)

Part-time employees regularly scheduled to work 20 hours or more per week shall accrue PTO on a pro-rated basis according to the above applicable schedule.

When the employee's length of service reaches the next higher rate of accrual, accrual at the new rate shall begin on the first day of the pay period following the date of eligibility.

PTO shall not accrue during a period of unpaid leave of absence of 40 hours or more except it shall continue to accrue during an approved medical leave covered by workers compensation or short term disability insurance.

14.3 Use of PTO: PTO may be used subsequent to being earned in increments of not less than 15 minutes.

Non-emergency use must be requested in advance per departmental policies. Emergency use may require documentation of the emergency. Non-scheduled PTO requests may be denied. Failure to follow departmental policies regarding advance approval or appropriate emergency use of PTO will subject the employee to disciplinary action consistent with this Agreement.

Probationary employees may use no more than 16 hours of PTO during the first six months of employment. PTO does not vest until after six months of full time equivalent work (1,040 paid hours). After completion of the first six months of the probationary period, PTO shall be vested and may be utilized according to these policies.
Maximum carry over of PTO from one year to the next is seven hundred (700) hours.

14.4 Medical Certification: A doctor's certificate stating the nature and duration of an illness or injury and verifying that the employee is unable to perform the duties and responsibilities of the employee's position due to that illness or injury may be required at the discretion of the supervisor before the use of emergency PTO is approved. A statement attesting to the employee's ability to return to work and perform the essential functions of that employee's position may also be required before the employee returns to work.

14.5 Annual Cash-Out or Conversion Option: Employees may cash-out or convert to the County's deferred compensation program (subject to maximum deferral regulations of the IRS) up to 20% of their PTO balance not to exceed 100 hours

each year provided that they have used a minimum of 30% of their annual accrual during the current calendar year.

Conversion to cash or deferred compensation shall occur in December of each calendar year with the specific dates to be determined by payroll each year. Payroll will notify employees by November 1 of each year as to the dates and methods of requesting the annual cash-out or conversion which will be included with a regular payroll and will not be paid in a separate check. The cash out shall be at the employee's regular rate of pay as of December 31st of that year. "Regular rate" for the purpose of this policy is the employee's straight time rate not including any overtime, shift differential added to certain hours worked, out of class adjustment, or any other additions to regular pay.

- 14.6 Termination Benefits: Upon termination of employment with Sherburne County in good standing and with a minimum of two weeks notice, employees are entitled to payment of 100% of unused accrued PTO at the employees' regular current rate of pay. Payment may be issued as cash or to any of the county's approved deferred compensation plans, subject to maximum deferral regulations.

The two week notice requirement may be waived only if approved by both the Human Resources Director and County Attorney. Termination pay, PTO or extended sick leave bank cannot be used to extend the employee's date of termination beyond the last scheduled working day.

- 14.7 Extended Sick Leave Bank: Employees hired before December 31, 2001 may have accrued unused regular or deferred sick leave hours placed in an Extended Sick Leave Bank as of January 1, 2002. This account may be used for future illness or disability under the guidelines in use 12/31/01 for the use of sick leave. Absence due to illness, disability or injury may be taken from the ESLB or from the PTO Plan, at the employee's choice, however, the supervisor may require acceptable medical verification that the absence qualified under the sick leave requirements before approving use of ESLB time.

Upon termination of employment, employees are entitled to payment of 25% of their unused Extended Sick Leave Bank up to a maximum of 200 hours paid at the wage rate in effect at termination.

- 14.8 Unpaid leaves may be approved according to the provisions in Chapter 7 of the Sherburne County Personnel Rules and Policies or applicable provisions of this labor agreement. An employee who is taking an unpaid leave of absence must use all ESLB hours (if the reason for the leave is a qualifying reason for sick leave) before any unpaid leave may be granted.

Before any unpaid leave will be granted all accrued PTO hours must be used, except as follows:

- (a) While on FMLA qualifying leave, the employee has the discretion to retain a maximum of sixty (60) hours of PTO; and
- (b) If an unpaid leave has been approved by the County Attorney and it immediately follows an FMLA qualifying leave, then the supervisor may approve a request by the employee to retain a maximum of sixty (60) hours of PTO.

14.9.

Leave Transfer Eligibility: Employees may transfer accrued PTO from the account of one employee to the account of another employee only if all the following circumstances are met.

- 1) The employee is unable to work for one or more of the following reasons:
 - a) The employee is unable to work due to a catastrophic medical event affecting themselves, spouse, child or parent.
 - b) The death of a spouse, child or parent.
- 2) The employee has exhausted, or it is apparent will soon exhaust, all of their own paid leave time to include PTO, ESLB and CT.
- 3) The employee is eligible to use PTO.
- 4) If receiving short term disability or workers compensation payments, the employee may receive only enough donated time so that the STD or WC payments plus the paid leave do not exceed normal pay.

Notification: To be eligible to receive donated leave, an employee must complete a request form and submit it to the Human Resources Director for approval. The employee may request that the decision of the Human Resources Director be reviewed by the County Administrator. The decision of the County Administrator shall be final. The request form shall provide the reason for the work absence, the expected duration of the absence and state that solicitation for donations is approved. The request form must also specifically state what information can be provided to other employees in order to solicit donations. A signed authorization to release private data must be included with the form. The donated leave will be considered wages of the employee receiving the donation.

Exercise of the PTO Leave Transfer Policy shall not establish a precedent or practice and shall not be subject to the grievance procedure. The County reserves the right to determine eligibility for PTO transfers on a case-by case basis.

Leave Donations: Employees who wish to donate leave will do so under the following conditions:

- 1. A written request to donate leave must be made to the Human Resources Department on forms designated by the Human Resources Department for

that purpose. The name of the employee who is to receive the donation will be noted on the form.

2. An employee may not transfer ESLB hours to another employee under any circumstances.
3. Names of donors will not be revealed to the recipient, if so requested by the donor.
4. The Human Resources Department will track donations and use them on a "first received" basis. PTO can only be donated when all accrued leave of the recipient has been exhausted. Each pay period, an amount of PTO will be transferred to cover the recipient's unpaid hours.
5. The number of hours donated (not the dollar value) will be subtracted from the accrued balances of the donor and those hours will be credited to the PTO balance of the recipient.
6. Any leave donations used by the recipient become the property of the recipient and are not refundable to the donor.
7. An employee must maintain a minimum balance of 40 hours of PTO when donating leave.
8. All transfers must be in increments of one (1) hour.
9. An employee may use donated leave up to 180 days from the first day missed due to the catastrophic medical event. Due to the death of a spouse, child or parent, the recipient may use donated leave up to 30 days from the first day missed due to the death.
10. Donations may be made retroactively, but not more than 60 days retroactively.
11. Once the employee returns to work, or is no longer eligible for donated leave, any remaining unused donation forms will be returned to the donors without any leave deductions occurring.

14.10 Continuation of Benefits: To the extent that the employee makes use of PTO or ESLB, as provided herein, the employee shall not suffer any loss of seniority or other fringe benefits as provided by County employment. For any paid leaves of absence the employer will continue to pay its contribution to the Cafeteria Benefit Plan. It shall be the responsibility of the employee to make full payment on any cafeteria plan components during any unpaid leave of absence beyond thirty calendar days, except as provided for in the Family and Medical Leave Act Policy.

14.11 Longevity Benefit: Those employees who have reached the maximum of their pay grade and are thus not eligible for an annual merit increase may receive a longevity benefit of additional PTO. Based on performance criteria used for the performance evaluation (same as for a merit increase) the department head may grant up to 16 additional hours PTO added to that employee's accrual. The amount for part-time employees shall be pro-rated, for example, an employee

scheduled for 32 hours per week may receive up to 12.8 hours PTO as the longevity benefit. Denial of all or part of the longevity benefit based on the performance evaluation shall not be subject to the grievance procedure. The PTO longevity benefit may be used as time off, or all or part may be cashed out with the December PTO cash-out, at the choice of the employee.

ARTICLE 15
SEVERANCE PAY

- 15.1 Permanent employees who leave the County service by retirement, death or resignation in good standing shall receive severance pay as set forth in Section 14.6 and Section 14.7. In addition, employees shall be eligible for the Retirement Longevity Pay Plan as set forth in Section 10.2 of the Sherburne County Personnel Rules and Policies. Termination pay of a deceased employee shall be paid to the employee's estate. The rate of pay to be used in computing severance pay shall be that salary rate existing for the employee at the time of termination. To resign in good standing, employees must provide a minimum of two weeks' notice. The notice requirement may be waived in unusual circumstances only with the approval of both the County Attorney and the Human Resources Director.
- 15.2 With supervisory approval, employees may use PTO or ESLB between the time of notice of termination and actual termination date. The last day actually worked shall be the date of termination.

ARTICLE 16
GOVERNMENT CENTER CLOSINGS

- 16.1 In the case of any employee who is unable to come to work due to a weather related emergency and that employee has no PTO or comp time, every reasonable effort will be made to allow that employee to work additional hours at straight time during the pay period to compensate for the time off. Any schedule adjustments must be approved by the supervisor. If the Government Center is closed by order of County Administration or the County Sheriff and employees are denied entrance, then any lost work time shall be compensated with no deduction of benefit accruals.

ARTICLE 17
CAFETERIA BENEFIT PLAN

17.1 The Employer agrees to include each employee who is regularly scheduled to work thirty (30) or more hours per week in the “cafeteria” benefit plan as established from time to time by the Employer after acceptance of bids and in consultation with the labor/management Benefits Advisory Committee. Each employee shall be provided with the opportunity to design an individual plan which best meets his/her personal circumstances within the restrictions and requirements of the Employer-approved plan.

17.2 The employer shall provide a “base” employer contribution as indicated below. This amount will be pro-rated for eligible part-time employees regularly scheduled for 30 to 39 hours per week.

2016

- \$869.10

2017

- Single = \$744.10
- Single + Spouse = \$894.10
- Single + Child(ren) = \$844.10
- Family = \$994.10

2018

- Single = \$619.10
- Single + Spouse = \$919.10
- Single + Child(ren) = \$819.10
- Family = \$1,119.10

The cost of benefits provided by the employer and with respect to which the employee has no choice (“required benefits”) shall be subtracted from the base employer contribution.

The employer contribution shall first be applied to the selected health insurance plan and then to the required basic life insurance plan. The remainder of the employer contribution, if any, will then be applied to other selected plan options. Any remaining contribution not applied to plan options shall be added to payroll. In addition, should an employee choose to enroll in a high deductible health plan (HDHP) with an associated Voluntary Employees’ Beneficiary Association (VEBA) trust, the employer agrees to fund a predetermined portion of the deductible. Employer contributions to the VEBA will reduce the employer “base” contribution.

- 17.3 If, during the period of January 1, 2016 through December 31, 2018, any other employee group is provided a level of county contribution to the cafeteria benefit plan that exceeds that set forth herein, the employees covered by this Agreement shall receive the higher level effective the same date.
- 17.4 The Employer agrees to allow each eligible employee to enroll his/her eligible dependents in the various components of the cafeteria benefit plan under the terms and conditions established by the separate plan provider contracts and as required by existing state and federal law.
- 17.5 The Employer agrees to provide each employee with a Life Insurance Policy in the amount of Ten Thousand and no/100 Dollars (\$10,000.00) as a required "core benefit" in the cafeteria benefit plan.
- 17.6 The Employer agrees to allow employees to enroll their eligible dependents in the Life Insurance Plan as a cafeteria plan component.
- 17.7 The Employer will provide employees with the opportunity to pre-tax their salary under all options allowed in Section 125 of the Federal Tax Code as a component of the cafeteria benefit plan.
- 17.8 **RETIREE CONTUATION COVERAGE:** Pursuant to M.S. 471.61 subd.2b former employees and their dependents who meet the criteria set forth in the statute will be provided continuation coverage at their expense. Pursuant to M.S. 62A.20 any spouse and dependent so covered may continue coverage at their expense pursuant to the terms of the statute when the ex-employee becomes enrolled in Medicare.
- 17.9 Affordable Care Act. In the event the health insurance provisions of this Agreement fail to meet the requirements of the Affordable Care Act and its related regulations or cause the Employer to be subject to a penalty, tax or fine, the Union and the Employer will meet immediately to bargain over alternative provisions so as to comply with the Act and avoid and/or minimize any penalties, taxes or fines for the Employer.

 - 4) Annually, the value of any Paid Time Off (PTO) benefit accruals in excess of seven hundred (700) hours shall be placed into the fund. The value will be determined by taking the total unused PTO hours accrued as of December 31 of each year, subtracting 700 hours, and multiplying the product by the employee's hourly rate as of December 31 of that year.

An employee requesting a medical leave without pay shall be required to furnish evidence of disability to the Employer which shall also indicate whether or not it can be expected that the employee will return to full time employment and an anticipated date for such return. In the event that medical evidence indicates that the employee will not be able to return, a medical leave of absence requested or previously granted may be cancelled effective upon the receipt of such notification. An employee on medical leave of absence shall be eligible to continue group insurance coverage by paying all premiums therefore and may extend such group coverage pursuant COBRA law requirements.
- 22.3 An employee who is a natural or adoptive parent may request an unpaid leave of absence in conjunction with the birth or adoption of a child. The length of the unpaid leave shall not exceed twelve (12) weeks under law. A leave of absence longer than the state or federal requirements for parenting leave of up to six (6)

ASSISTANT COUNTY ATTORNEY UNIT
2016-2018 LABOR AGREEMENT
APPENDIX C

Policy Prohibiting Harassment, Offensive Conduct and Violence

Policy

It is the policy of the County to ensure that the work place is free from offensive conduct, harassment and violence. It shall be a violation of this policy for any employee, agent, officer, commissioner or other elected official of the county to engage in offensive, violent or harassing written, verbal or physical conduct of a sexual nature or regarding race, national origin, gender, religion, disability, age, status with regard to public assistance, marital status, sexual orientation, or for any other reason or for no reason towards any County employee, officer, agent, or member of the public anywhere County work is performed. Violations of this policy will be considered just cause for disciplinary action, up to and including termination.

Purpose

This policy statement is intended to make all employees and County officials sensitive to the matter of sexual harassment, offensive conduct and violence; to express the County's prohibition against these behaviors; to advise employees and officials of their behavioral obligations, and to inform employees and officials of their Equal Employment Opportunity rights.

Definitions

a) **Sexual/Gender Based Offensive Conduct or Harassment**

Sexual/Gender based offensive conduct or harassment includes unwelcome physical, written or verbal conduct relating to an individual's gender or directed at an individual because of gender; unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct, or other verbal, written or physical conduct or communication of a sexual or gender biased nature when:

1. Submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining or retaining employment, public services or public accommodations.
2. Submission to or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's employment, public services or public accommodations; or

3. That conduct or communication has the purpose or effect of substantially interfering with an individual's employment or use of public services or public accommodations or creating an intimidating, hostile or offensive employment, public service or public accommodation environment; and in the case of employment, the employer knows or should know of the existence of the harassment and fails to take timely and appropriate action.

b) Other Offensive Conduct, Harassment or Bias

Offensive conduct, harassment or bias directed at an individual because of race, national origin, religion, disability, age, marital status, status with regard to public assistance, or sexual orientation when:

1. submission to conduct or communications of a derogatory, harassing or biased nature based on race, national origin, religion, disability, age, marital status, status with regard to public assistance, or sexual orientation is made a term or condition, either explicitly or implicitly, of obtaining or retaining employment, or of obtaining or retaining access to public services or public accommodations;
2. submission to or rejection of conduct or communication of a derogatory, harassing or biased nature, based on race, national origin, religion, disability, age, marital status, status with regard to public assistance, or sexual orientation by an individual is used as a factor in decisions affecting that individual's employment or access to public services or public accommodations; or
3. the conduct or communication of a derogatory, harassing or biased nature based on race, national origin, religion, disability, age, marital status, status with regard to public assistance, or sexual orientation has the purpose or effect of substantially interfering with an individual's employment or use of public services/accommodations or creating an intimidating, hostile or offensive employment or public service/accommodation environment.

c) Prohibited Violent Conduct

Violence is a physical act of aggression, assault or force or the threat thereof upon another. Violence or the threat of violence because of, or in a manner related to, race, national origin, gender, religion, disability, age, marital status, status with regard to public assistance, or sexual orientation to any degree is prohibited. Additionally, any violence or threat of violence for any reason (except defense of self or another, or, in the case of law enforcement and correctional staff, force as authorized by Department Policy) is expressly prohibited. This policy sets a zero tolerance for violence in any form and for any reason (except as noted above) is prohibited and will not be tolerated in the workplace.

Reporting

Any person who believe that he or she is being subjected to any offensive conduct, harassment, or violence shall, as soon as practicable, notify an appropriate supervisor, member of the Peer Committee, human resource director, or county attorney and state the nature of the offensive conduct, harassment or violence. The employee is also strongly urged to take the following steps:

- 1) Make it clear to the person engaging in prohibited behavior that the conduct is unwelcome and document that communication.
- 2) Document the occurrences of prohibited behavior.
- 3) Submit the documented complaint to their department head.
- 4) Document any reprisals as a result of the complaint.

Any supervisory employee receiving a formal or informal report of behavior prohibited under this policy shall inform the department head immediately without screening or investigating the report, unless the department head is involved in the alleged harassment, offensive conduct or violence. In the event that the department head is involved, the report shall be made directly to either the human resources director or the county attorney. Failure of a supervisory employee to forward such a report to the appropriate party shall be grounds for discipline, up to and including termination.

Investigation

The County will process complaints made under this policy as discreetly as possible, consistent with the County's legal obligations and the necessity to investigate allegations of discriminatory harassment or violence and take disciplinary action as appropriate when the conduct has occurred.

Department Heads are required to report all alleged violations of this policy to the human resources director, unless that individual is involved in the complaint. In that case, the report shall be made to either the county attorney or the county administrator. Investigation of reports may be conducted by County officials, or in some cases if authorized by the county attorney or county administrator, the investigation may be conducted by a third party designated by the County.

The investigation may consist of interviews with the complainant, the person(s) against whom the complaint is filed, and others who may have knowledge of the circumstances giving rise to the complaint. Other methods and documents deemed pertinent by the investigator may also be considered. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.

The County may take immediate steps, at its discretion, to protect the complainant, other employees, or members of the public pending completion of the investigation. These steps may include suspension with pay of the employee(s) against whom the complaint is filed during the period of investigation.

The investigator shall make a written report which shall be filed in the office of the human resources director (or county attorney if the human resources director is involved in the complaint). The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

County Action

The County will take action as appropriate based on the results of the investigation. Because of the inherent difficulties in developing evidence and maintaining close working relationships among employees in instances in which harassment, offensive conduct or violence have occurred, the County urges that conduct which is viewed as offensive be reported immediately in order that corrective action may be taken through education and initial counseling. The county is required to prevent and correct unlawful behavior in a manner which does not abridge the rights of the accused. The County will, in all cases, operate to correct any reported violations of this policy to the extent that evidence is available to verify the fact of the prohibited behavior or any retaliation.

Reprisal

Employees have the right to raise the issue of violations of this policy and to file complaints without reprisal. The County will discipline or take appropriate action against any employee, officer, commissioner, agent or other official who retaliates against any person who reports alleged harassment, offensive conduct or violence under this policy or any person who testifies, assists or participates in an investigation.

Discipline

Any county action taken against an individual pursuant to this policy shall be consistent with the requirements of:

- 1) Applicable collective bargaining agreements;
- 2) County policies; and
- 3) State and Federal Law.

The County will take such disciplinary action it deems necessary and appropriate, including warning, suspension, immediate discharge or other appropriate action to end discriminatory harassment and violence and prevent its recurrence.
